TO WRITE HISTORY IN BLOOD

Russian Commander in Chief on Western Front Appeals to His Armies

DO DUTY FOR RUSSIA

Fraternizing With Troops of Enemy is to be Abolished

ROUMANIA CONFIDENT

That Russia Will Come to Her Aid

By Courier Leased Wire.

Petrograd, May 6.—via London, May 7.—General Gurko, commander on the western front, has issued an order declaring that the fraternizing of Russians with the enemy troops must be stopped. He declares that such fraternizing which has become a common practice, enables the enemy to learn Russian military dispositions and also by causing a lull on the Russian front, leaves the Germans free to concentrate forces against the British and French. General Gurko warns the troops that if the fighting comes to a standstill in France the Germans will throw all their forces against the Russians, who, lulled by promises of peace, will not be in readiness to repel the attack. He says that three divisions of Germans have already been transferred from the Russian front and that others are following, including artillery and aircraft.

The order concludes with an ardent appeal to the troops, in the name of the emancipation of enslaved nations, to do their duty toward Russia and her allies. It says:

"Write the first pages of the history of new free Russia with blood if need be."

Representatives of the Belgian and Serbian embassies have published an appeal to the Russians, recalling the sufferings of their respective countries and asking the Russians not to leave them to their fate. The Council of Deputies has voted support of the Russian "loan of freedom" by a large majority.

Roumania Confident

London, May 7—Premier Bratiano of Roumania interviewed by Russian newspapermen said, according to a despatch from Petrograd, that peace without annexation could not refer to the reunion of Transylvania with Roumania. Premier Bratiano said that such a step would not be annexation, but the annulment of the seizure by the Magyars of territory populated by Roumanians. The premier added that Roumanians were convinced that the Russian people knowing how they suffered under the magyar yoke would give them brotherly aid.

CANADIAN CASUALTIES

By Courier Leased Wire.

Ottawa, May 7—The noon casualty roll of 281 names lists 136 as killed in action, four died of wounds, 58 missing, 77 wounded and six previously reported missing, who have since rejoined their units. The total of casualties since Easter is now 15,076.

Weather Bulletin

Toronto, May 7.—A pronounced area of higher pressure extends from Saskatchewan to the Maritime provinces and the weather is fair in nearly all parts of the Dominion. It has been cool from Ontario eastward and is quite mild in the west.

Forecasts

Moderate northerly winds, fair today and on Tuesday, with higher temperature.
