CARDINAL POINTS

IN OUR SYSTEM OF DOING BUSINESS ARE

TRUTHFULNESS

We insist that in all cases our salesmen and employees must only represent goods exactly as they are, and rather lose a sale than by the slightest variation from truth induce a customer to purchase something he does not want, or something that in other years will not bear out fully every representation made in regard to it.

COURTESY

Visitors are always welcome, and are treated with the same deference as customers, for two reasons. First, we are proud of our establishment, and have pleasure in showing the elegant and careful specimens of artistic skill that we have gathered from the foremost manufacturers of Europe and America in our line, and secondly, because the visitor, some day, sooner or later, will want a watch, clock, jewel or piece of silver and will then remember us. This may seem a selfish reason, but it is the same with all men in business, only some dare not tell it. We spend a good deal of money every year inviting the public to visit our store, and we mean just what we say. Now take us at our word and come. If you see anything you like we will gladly tell you the price and sell it to you if the price suit you; but in no case will you be importuned to buy anything.

HORSE BOOK 15 CTS.

Send 15 cents TO THIS OFFICE for a copy of a new HORSE BOOK which treats all diseases of the horse, and is thoroughly illustrated with 65 Fine Engravings which illustrate the position assumed by sick horses better than can be taught in any other way. It has a large number of valuable recipes, most of which were originated by B. J. Kendall, M.D., the author and never before put in print. It is pronounced the best book ever published for the price, and some prominent horse men have said they preferred it to books which cost $1.00 & $10.00. Address "Truth Office," Toronto.
