ALTHOUGH not a very distant neighbor, the republic of Venezuela is little known to Northern Americans. THE Tea Party at the Head of St. Peter's Bay, on Wednesday next, the 20th inst., will, without doubt, be *the* event of the season. Years Teach More than Books.

Among other valuable lessons imparted by this teacher is the fact that for a very long time Dr. Pierce's "Golden Medical Discovery" has been the prince of liver correctives and blood purifiers, being the household physician of the poor man, and the sole consulting physician to the rich patient, and praised by all for its magnificent service and efficacy in all diseases of a chronic nature, as malarial poisoning, ailments of the respiratory and digestive systems, liver disease and in all cases where the use of an alterative remedy is indicated.

The Triumphant Three

"During three years suffering with dyspepsia I tried almost every known remedy but kept getting worse until I tried Burdock Blood Bitters. I had only used it three days when I felt better, three bottles completely cured me." W. Nichols, of Kendal, Ont.

EGGS—There has been a very steady market since our last report. Eastern extras are still quite scarce, and the small lots received meet with a ready sale at 16c. Good Canadian, N. S., N. B. and P. E. Island firsts, are selling fairly at 15½c.

FISH—Trade has been very quiet for the past week and there are no important changes to report. New mackerel are arriving in small lots and meet with a ready sale at quotations.

On Tuesday most sales were at $1.50 to 1.75, and only a very few extra marks reached $2.00; but yesterday, with lighter supplies reported on the way, there was a firmer feeling, and best marks were generally held at $2.00. The market closes steady at quotations.

There are no marked changes in Butter to report this week. There has been a steady demand for strictly fine goods, at full former prices, but under grades are moving more slowly. Extra western creamery is selling well at 20c, and occasional sales of special marks are made to regular trade at 21c. Extra firsts are selling fairly at 18 to 19c. Quotations for extra northern creamery are almost wholly nominal, as the bulk of this stock is held above the market.

THINGS WORTH KNOWING.

THAT SIMSON'S LINIMENT

Is what may be called an *Every Day Medicine*, and does not perform miracles, nor cure every disease; but as a remedy for the many complaints which are usually treated by Liniments, it is unsurpassed by any other preparation, and has been well called "*The Household Remedy.*"

It affords the Proprietors much pleasure to say they are constantly receiving kind words and good wishes in its favor:

Messrs. Brown Brothers & Co., Druggists, Halifax, N. S.

GENTLEMEN,—I have been terribly troubled with rheumatic stiffness of the cords of my hands, and for seven years I have not been able to do any needlework or sewing. I spent a great many dollars in trying to find relief, but without success, until six months ago, I used a bottle of Simson's Liniment, which has acted like magic. My fingers have regained their suppleness, which I despaired of ever returning, and now, after applying the contents of two bottles, I can sew for hours without fatigue to my hands.

Yours truly,
MRS. A. L. ANDERSON.
