Local Newspapers.

The following is clipped from the New York *Tribune*. It is true, and we recommend it to every one who has an interest where he resides; 'Nothing is more common than to hear people talk of what they pay to newspapers for advertising, etc, as so much given in charity. Newspapers, by enhancing the value of property in their neighborhoods, and giving the localities in which they are published a reputation abroad, benefit all such parties, if they are merchants or real estate owners thrice the amount annually of the meagre sum they pay for their support. Besides every public-spirited citizen has a laudable pride in having a paper of which he is not ashamed. A good-looking sheet helps property, gives character to locality, and in many respects, it is a desirable public convenience. If from any cause the matter in local or editorial columns should not be to your standard, do not cast it aside and pronounce it good for nothing until satisfied that there has been no more labor bestowed upon it than is paid for. And it must be supported not in any spirit of charity either, but because you feel a necessity to support it. The local press is the power that moves the world."

The first No: of Pere Hyacinthe's new religious paper appeared in Paris on Thursday last.

The Rebels Surrender—Those rebellious customers, Corns, Bunions Ingrowing Nails, &c., surrender to the superior and magical influence of Dr J Brigg's Modern Curative. No sooner is it applied, than they yield themselves as captives, leaving poor humanity in the enjoyment of one of the greatest blessings, 'sound feet,' which is to those who are obliged to use them much in their daily avocations, indeed a great blessing

Dr. J Briggs treats Corns, Bunions and other diseases of the feet at 206 Broadway N Y. Branch Office, No. 6 King St. West, Toronto, Canada.

At certain seasons of the year most persons are subject to diseases, emanating from a low state of the blood. The causes are various, but it is only necessary – in order to the prompt purification of that fluid – that the patient should use Fellows' Compound Syrup of Hypophosphites, with all assurance of obtaining the desired results. This Syrup will strengthen the organs of digestion, promote healthy assimilation, nourish the muscles, and renovate the nervous system.

Our Fur Traders and Trappers are fitting out here, and Ayer's medicines one of their most profitable articles of traffic. Around Slave Lake and the wild regions of the north, the Indians know ther uses and have an abiding faith in them. They say: 'Ayer—great medicine—cure sick man,' and his remedies, for the diseases from which they suffer, will often bring forth their stock of skins even quicker than wampum, rum, or tobacco. Savages are not fools if they are unsophisticated in some of the arts of civilization. Montreal Pilot.

A Beautiful Horse.

There is nothing that can contribute so much to render the horse beautiful and elegant, to improve his condition and make him all that is desirable, as 'Darley's Condition Powders and Arabian Heave Remedy.' It has been used by many persons who own valuable carriage and other horses with decided success, and so well pleased are they with it that they always keep it on hand in case of emergency; it may be given at all times with perfect safety. Remember the name, and see that the signature of Hurd & Co., is on each package. Northrop & Lyman, Newcastle, Ont., proprietors for Canada. Sold by all medicine dealers.

Red River—People will prophesy that if this settlement is to be a success, it should now be prosperous and self-supporting. Such folks forget that Ontario was aided at its settlement by a generous Government for three consecutive years, and is it not now a success? Ayer's Cherry Pectoral,

For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption.

Probably never before in the whole history of medicine, has anything won so widely and so deeply upon the confidence of mankind, as this excellent remedy for pulmonary complaints. Through a long series of years, and among most of the races of men it has risen higher and higher in their estimation, as it has become better known. Its uniform character and power to cure the various affections of the lungs and throat, have made it known as a reliable protector against them. While adapted to milder forms of disease and to young children, it is at the same time the most effectual remedy that can be given for incipient consumption, and the dangerous affections of the throat and lungs. As a provision against sudden attacks of Croup, it should be kept on hand in every family, and indeed as all are sometimes subject to colds and coughs, all should be provided with this antidote for them.

Although settled Consumption is thought incurable, still great numbers of cases where the disease seemed settled, have been completely cured, and the patient restored to sound health by the *Cherry Pectoral*. So complete is its mastery over the disorders of the Lungs and Throat, that the most obstinate of them yield to it. When nothing else could reach them, under the *Cherry Pectoral* they subside and disappear.

Singers and Public Speakers find great protection from it.

Asthma is always relieved and often wholly cured by it.

Bronchitis is generally cured by taking the *Cherry Pectoral* in small and frequent doses.

Its generally are its virtues known that we need not publish the certificates of them here, or do more than assure the public that its qualities are fully maintained.

Ayer's Ague Cure,

For Fever and Ague, Intermittent Fever, Chill Fever, Remittent Fever, Dumb Ague, Periodical or Bilious Fever, &c., and indeed all the affections which arise from malarious, marsh, or miasmatic poisons.

As its name implies, it does *Cure*, and does not fail. Containing neither Arsenic, Quinine, Bismuth, Zinc, nor any other mineral or poisonous substance whatever, it is novise injurious any patient. The number and importance of its cures in the ague districts, are literally beyond account, and we believe without a parallel in the history of Ague medicine. Our pride is gratified by the acknowledgments we receive of the radical cures effected in obstinate cases, and where other remedies had wholly failed.

Unacclimated persons, either resident in, or travelling through miasmatic localities, will be protected by taking the *AGUE CURE* daily.

For *Liver Complaints*, arising from torpidity of the Liver, it is an excellent remedy, stimulating the Liver into healthy activity.

For Bilious Disorders and Liver Complaints, it is an excellent remedy, producing many truly remarkable cures, where other medicines had failed.

Prepared by Dr. J. C. AYER & Co., Practical and Analytical Chemists, Lowell, Mass., and sold all round the world.

NEW
CHEMICAL PRINCIPLE
APPLIED IN THE CURE OF
Chronic and Wasting Diseases,

DR. RADWAY'S
SARSAPARILLIAN
RESOLVENT.

N.B.—The great medicine (free from all nauseating or disagreeable effects so often met with), Dr. Radway's

SARSAPARILLIAN RESOLVENT,

is prepared on a new principle of Medical Chemistry, from the active curative properties of the most choice products of the vegetable kingdom. The Sarsaparillian and other powerful vegetable healing extracts that enter into the composition of this wonderful Blood, Tissue, Flesh, Life-making medicine are selected and gathered with the greatest care at the proper season, from native soils, under the supervision of intelligent agents, skilled botanists, employed exclusively for Dr. Radway & Co., so that no spurious admixture or worthless root can possibly be mixed with the pure.

It costs Dr. Radway & Co. over $20,000 (thirty thousand dollars) per annum for the crude and expensive of scientific Botanists in this branch alone. But the wonderful improvements it has achieved in the curative range of Dr. Radway's Remedies, more especially the

SARSAPARILLIAN RESOLVENT,

pays for the outlay over and over again; for never in the history of medicine was such a medicine that so completely builds up, repairs, and makes sound, strong, healthy, vigorous, and beautiful without, the weak and broken-down constitutions, as

Dr. RADWAY'S
SARSAPARILLIAN
RESOLVENT.

Important Chemical Principles supplied to the wasting body through the

SARSAPARILLIAN RESOLVENT

It supplies the blood with new element.
IT CONTAINS TISSUE-MAKING AND FLESH-MAKING QUALITIES.
It supplies the system with caloric or heat-making properties.
It cures all Erosive and Ulcerated diseases of the Eyes, Ears, Mouth, Throat, and Skin and body.
It increases the weight and appetite.
IT STOPS ALL WEAKENING DISCHARGES.
It increases the regular and diminishes the waste.
It exterminates the products of decay.
It resolves Tumors, Nodes, Hard Lumps.
It makes the skin clear and healthful.
It heals Fever Sores and Ulcers.
It cures Gravel, Gleet, and Strictures.
It makes the water clear and pass freely.
It cures Barrenness, and Diseases with the vigor of manhood restored from weakness or disease, are debilitated or exhausted.
It restores woman from the pallid hue to health change of life—cessation of Menses.

To those who seek Health.

There is not a man, woman or child, however wasted by disease, if their systems are still in a condition to receive nourishment and their LUNGS, LIVER, KIDNEYS, and other vital organs not wasted beyond the process of repair, or if capable of sustaining the *reparative process* of RADWAY'S

Sarsaparillian Resolvent,

but can be either restored to health or the wastes and decomposition stopped, and the elements of decay that now exist be discharged from the system.

Extreme cases, where the LUNGS, KIDNEYS, and other organs are wasted, or where ulcerations have commenced, and the reparative power of nature is too low, by the use of the Sarsaparillian Resolvent, continue to live perhaps for years; for no matter how low the vital forces may be, if the system can be brought under the influence of this tissue and flesh-making medicine, the repairs will be greater than the waste, and the BLOOD WILL receive that high degree of strength, purity, and nourishment to enable it to hold in healthful solution all its constituents, and stop the process of decay and decomposition.

CONSUMPTION, SCROFULA, Bright's disease of the KIDNEYS, SECONDARY SYPHILIS, and the poison of Venereal, are developed through the process of deposits from the blood either in the Lungs, Skin, Kidneys, Bladder or Cellular Tissue; and these diseases in their advanced stage can both be checked and cured by the use of the Sarsaparillian Resolvent.

MARK THE CHANGE.

A person seized with any Chronic disease of the Lungs, Liver, Skin, Kidneys, Spermatic Glands, Womb, or Urinary difficulties, will experience a marked change in her health for the better after taking the Sarsaparillian Resolvent. As the blood becomes more pure, rich, strong, and more healthy, and is enabled to hold in solution its natural constituents, the deposits of Tuberculous matter and other elements of disease, decomposition and decay, will be diminished in the Lungs, Kidneys, Skin and other Organs; and each of these Organs will secrete their proper constituent secretions. Instead of Urine, Bile, the Pancreatic Juice and other fluids being absorbed in the circulation, these secretions will be directed for expulsion from the system through their proper channels. If medicine fails in its influence on the system, to correct these secretions, and to assist each organ or secreting gland in discharging its proper functions, health can never be restored; hence, to the suffering humanity, Radway's Sarsaparillian Resolvent secures this important want that has heretofore existed in all these remedial agents advertised as Blood Purifiers.

No matter how deeply seated or engrafted in the tissues, cartilages, glands, organs, or bones disease and corruption may be, the influence of this powerful agent on the blood and other fluids that supply the living body with repairs, will so change the system with such constituents as to resolve and exterminate the dead and decomposing matter, and supply its place with sound and living structure, nourished by rich, pure, and strong blood. By the chemical action which the Sarsaparillian Resolvent has on the substances taken into the stomach during its process of digestion into Chyme and Chyle, before it is made blood, as well as the nourishing constituents it converts into blood, it so acts upon them when entering in the circulation, it exterminates every atom of virus from the blood, and renders easy all deposits of disease, whether caused by the action of some specific poison, or virulent disease, as Mercury, Corrosive Sublimate, i. e. the Corrosive Chloride of Mercury, Calomel, and other agents that may have accumulated in the bones, tissues, cartilages, or joints, or from some transmitted family complaint that may have run through half a dozen generations.

Scrofula, Consumption, Syphilis, uncured and badly treated Venereal, in its many forms, Glandular Disease, Ulcers in the Throat, Mouth, Tumors, Nodes in the glands and other parts of the system, Sore Eyes, Strumous Discharges from the Ears, and the worst forms of Skin Diseases, Eruptions, Fever Sores, Scald Head, Ringworm, Salt Rheum, Erysipelas, Acne, Black Spots, Worms in the Flesh, Tumors, Cancers in the Womb, and all weakening and painful Discharges, Night Sweats, Loss of Sperm, and all wastes of the Life Principle, are within the curative range of the Sarsaparillian Resolvent, and a few days' use will prove to any person using it for either of these forms of Disease, its potent power to cure them.

Uncured Venereal—Gleet, Gravel, Strictures, and all Complaints of the Urinary Organs, Bladder, Kidneys, Womb, Dropsy, Diabetes, and all who are incommoded by Stoppage of Water, or Painful Discharges, are quickly relieved and effectually cured through the

SARSAPARILLIAN RESOLVENT.
