The Suit Question

bothers a lot of men. If they only visited this store, glanced over our large stock and marked our close cut figures, they would have no difficulty in deciding what they would wear.

We would suggest one of our $15.00 English Worsted Suits for any man. You can't better it anywhere.

TORONTO ATHLETIC CLUB

Committee Confident 1500 Names Will Soon Be on the Roll and the Doors Reopened.

The project for the reorganization of the Toronto Athletic Club made a very satisfactory move in the right direction at a meeting held last evening at the Rossin House. There was a capital attendance, E. S. Glassco presiding and S. J. Schulte acting as Secretary pro tem.

It was reported that 942 have already signed the membership roll under the new scheme of a $5 yearly fee, and a number of lists are still outstanding. A full discussion took place and W. F. Summerhayes was appointed to collect the lists and to get additional names. The utmost confidence was expressed that if the matter is done in a systematic way there will not be the slightest difficulty in raising the number to at least 1500 within a fortnight.

A committee of the following gentlemen was appointed to work in conjunction with Mr. Summerhayes: E S Glassco, S J Schulte, W L Knowles, James Milne, J A Cooper, T W Jones, B Moore, H R Shaver, W Jefferys, A F Reed, R A Weir and F A Moore.

A further meeting will be held on March 3, by which time it is certain that 1500 names at least will have been subscribed, and when the doors are reopened there is every probability of a membership of fully 2500.

Around the Ring.

The representatives of Kid McCoy and Joe Choynski have signed articles for a glove contest on March 24, under the auspices of the National Club, San Francisco. The fighters will go into training at once.

As Jeffries has whipped Sharkey and Fitzsimmons knocked the sailor out in eight rounds, the unjust decision that was given the latter will not be recognized in the coming battle between Jeffries and Fitz, which can truthfully be said to be for the championship.

Starlight, the Australian middleweight, who is the hero of many battles, and who has met Peter Jackson, Bob Fitzsimmons, Jim Hall, Joe Goddard and other pugilists of note, is coming to America. Starlight, who is now in London, says he will box any good man at 158 pounds, and is eager to take on Dick O'Brien.

Big Jim Jeffries has a style of leaning forward while boxing which affords good protection for his wind, but leaves his heart and his head more or less open. His giant strength and wonderful development should make him a dangerous opponent for any heavyweight in the business. He has an immense advantage in weight, and in a ragged contest this would count in his favor, just as much as it did for Sharkey in the McCoy fight.

Walter Kelly, who is to referee the show at the Crescent Athletic Club at Toronto a week from to-morrow night, yesterday received a telegram in which the club manager stated that Ed. Jenny had been substituted for Jimmy Smith in the match with Luke Burke. Smith declined to go up in weight to 118 pounds, as desired by Burke. Buffalonians are awaiting the Canadian debut of Kid Jessel, the Buffalo 105-pounder, at this show, with firm expectations that he will astonish the Canadians.—Buffalo Express.

Paddy Neagle, Buffalo, and Archie McEachren, Toronto, boxed six lively rounds at the Star Theatre, Hamilton, last evening, before a large crowd. Although the bout was only a friendly one they mixed it up pretty freely. The go was declared a draw.

War Canoes on the Boom.

A report from the Northern Division of American Canoe Association says that Toronto, Kingston, Brockville and Ottawa clubs are training crews for war canoe races at Annual Camp, 1899, and Buffalo, Rochester, Boston, Auburndale, New York and Trenton will probably make entries. If a crew for the New Western Division can be formed these races will be the best ever held on the St. Lawrence, as every crew of 15 men contains championship material, the races for club fours, tandems and singles will be very exciting. One Canadian firm of Canoe builders, has orders for seven 30-foot war canoes, and report more enquiries for racing, paddling and sailing canoes than they have ever had before at this season of the year.

WHIST PLAYERS FOR CHICAGO.

Athenaeum Club Members Will Call a Meeting to Arrange for Trip.

A meeting of whist players will be held at the Athenaeum Club next Friday evening at 8 o'clock, for the purpose of considering a scheme to send a team of four players to compete for the American championship at the American Whist League Congress at Chicago in July. A large attendance is requested.

At the Athenaeum Club's compass game last evening a very interesting contest took place, Messrs. Richardson and Fuller making high score, north and south, 3 tricks plus, while Messrs. Cox and Coleman were high east and west, with 8 tricks plus. Other plus scores were: Hunter and Tofield, 5 tricks; Fraser and Verrall, 2 tricks; Wallace and Higgins, 1 trick.

Sporting Miscellany.

The Brunswick Gun Club will hold an open blue rock shoot this afternoon on Wells' Hill. Everybody welcome.

The Toronto Rod and Gun Club will hold a sparrow and blue rock shoot at Woodbine Park this afternoon, commencing at 2 o'clock, at which all members and their friends are specially invited to participate.

The annual pigeon shoot of the East Toronto Gun Club will be held on Monday, and Tuesday, Feb. 20 and 21, open sweeps at pigeons and blue rocks. Every person welcome. Shooting to commence at 1 p.m. each day.

The committee of the Toronto District Council of the C.W.A. appointed at the last meeting to ask the City Council for a grant for the entertaining of the C.W.A. delegates on Good Friday will hold a meeting at an early date to arrange the matter.

A smoking concert will be held in Masonic Hall, Parkdale, on Tuesday, Feb. 28, at which there will be four good boxing contests: Nicholson v. Carroll at 105 lbs., Henry v. Unknown at 140 lbs., Ollie Brown v. E. Wilder at 135 lbs., and Jack Roach and Paddy Lane will go ten three-minute rounds for a purse. Besides the above a first-class musical program has been arranged.

UNIOR CHAMPS ST. GEORGES

Upper Canada College Beaten in Final Game in the Mutual-Street Rink.

THE SCORE WAS SEVEN TO TWO

O. H. A. Executive Committee Will Decide Several Things at the Meeting To-Day.

St. George's are the Junior O.H.A. champions. They defeated Upper Canada College in the final game last night at the Mutual-street Rink by seven goals to two, though the half-time score was only two to one. The teams were fairly well matched, and, considering the soft ice, the game was fast. The play was much more even than the score shows, but St. George's were better shots, and thus the championship went to them for '99.

Promptly at 8.30 the teams come on the ice, and for the whole of the first half it was any one's game. The play throughout this half was clean and fast, and good work was done by both sides.

The second half was all St. George's, and the game became rough at times, both teams having a hand in it. Birmingham of the St. George's was sent to the boards twice for using his stick too freely. The first two games in this half went to the wearers of the yellow and black. Then Morrison tallied the second and last game for the college boys, the next three going to St. George's, although each was well contested. The forwards were well balanced, but the College was weaker on the defence. The teams:

St. George's (7): Goal, Pardoe; point, Platt; cover point, Best; forwards, Temple, Warden, Birmingham, Gillies.

U.C.C. (2): Goal, Temple; point, Henderson; cover, Grey; forwards, Morrison, Fraser, Worts, Moffat.

Referee—Gauthier.

Umpires—Carruthers, Isbester.

Timers—A. H. Collins, R. Whitten.

Game.	Won by.	Scored by.	Time.
1	St. George's	Gillies	13 min.
2	U.C.C.	Morrison	7 min.
3	St. George's	Temple	5 min.

O. H. A. Committee Meets To-Day.

A full Executive meeting of the O.H.A. has been called for to-day, at which the application of the Peterboro team will be discussed. A case that has no precedent will be brought up, that is, the abuse of a referee by players on the ice. A member of the Executive said yesterday that a couple of players would be taught a lesson. The return match with Queen's and Varsity will be fixed.

Chips From the Ice.

The following players will represent the Red Stocking Hockey Club in their game to-day with the Ramblers: Goal, McIver; point, White; cover, Smith; forwards, Gard, J. Murray, B. Murray, Vennels.

The Queen's hockey team will leave for Pittsburg on Feb. 28, where on March 1, 2 and 3 they will play four exhibition matches, meeting teams of the Pittsburg Athletic Club, University of Pennsylvania, Duquesne Athletic Club and Western University.

At Cobourg, the Oshawa and Cobourg Battery teams met last night, the score being 3—3 in favor of the Cobourgs. This was one of the Midland Hockey League games.

At Lindsay last night, Lindsay and Fenelon Falls Juniors played a friendly game of hockey. Score, 4—3 in favor of Lindsay. The Fenelon Falls Club ran a special train, and were accompanied by about 300 people.

St. Kitts Wins the Trophy.

St. Catharines, Feb. 17.—The Niagara Falls hockey team came here to-night by special train to contest the senior match in the S.O.H.A., with the home team, and suffered defeat. The home team scored 8 to the visitors' 3 in the first half. In the second half Niagara Falls failed to score, while the home team placed 5 more to their credit, raising the score to 13 to 3. The result of this game wins for St. Catharines the championship trophy. The teams:

St. Catharines (13)—Goal, Wilson; point, Pringle; cover-point, Henderson; forwards, Brown, Hodgetts, Tobin, Briggs.

Niagara Falls (3)—Goal, Mitchell; point, Stevens; cover-point, Cole; forwards, Binkley, Rumford, Donnelly, Healy.

Referee—Thomas Morrison, Hamilton.

Those Records of Gladwin.

Montreal, Feb. 17.—The following challenges have been sent out:

Sir,—I wish to state that I am willing to run Charles C. Gladwin, who is at present breaking all world's records on snowshoes in New York, any distance from five to twenty-five miles for a trophy, the race to be held either in Montreal or New York, give or take expenses.

I wish also to state that the one mile record is held by R. H. Davis of the Lachine Snowshoe Club, and is the only recognized record in existence on snowshoes. If Mr. Gladwin is anxious for a race, now is his chance. (Signed), T. Westlake.

Lachine Snowshoe Club, retired cross-country champion of Canada.

Sir,—Seeing by the daily papers that Mr. Charles C. Gladwin is said to have made a mile on snowshoes in the remarkable time of four minutes and 59 seconds, and taken several other long distance records, I would like to arrange a match race, for a trophy, to be held either in Montreal or New York. (Signed) One mile champion of Canada, R. H. Davis.

Inter-State B. B. League.

New Castle, Pa., Feb. 17.—The baseball season of the Interstate League will open on the 1st day of May, and will close between the 15th and 20th of September, which will allow for the playing of 140 championship games.

This matter was decided at the annual meeting of the magnates at the Hotel Pierce. It was expected one or two clubs would be ready to drop out, but such was not the case. Each club is ready with the $500 guarantee money. President Power of Toledo and Frank Torreyson of Grand Rapids were appointed a committee to prepare the draft, which is to be presented for approval also at the spring meet. W. B. Howell, Jack Glasscock and Ed. Hines were to adjust the claims of their city for the franchise, but met with little success.

The meeting was in session until after midnight. About an hour was consumed in arranging deals for the coming summer. The next meeting takes place at Mansfield, O., March 17. Youngstown asked permission to play Pitcher McBride of Cleveland in two championship games this year. He was signed by Youngstown last year, but failed to report. This year he was sold to Cleveland. The request was unanimously refused.

IN NEW QUARTERS.

Messrs. E. C. Hill & Co. Open Up Handsome New Premises in the Grand Opera House Block.

Messrs. E. C. Hill & Co. propose making a strong bid for the cycling trade of 1899, and with this end in view have recently moved into the handsome premises at 9 West Adelaide-street, where everything is being got into shape for the big trade this enterprising firm confidently expects. Messrs. Hill & Co.'s new store is splendidly situated, being the first store west of Yonge-street, and in the very centre of the business portion of the city.

The wheels to be handled this coming season are the "Eldredge," "The Canadian King of Scorchers," and "The Empire."

"The Eldredge" is Messrs. Hill & Co.'s highest priced wheel and is high grade throughout. Not an ounce of sheet steel stamping is used in its make-up, every connection being drop forged. It is made in Belvidere, Ill., and although it is the most costly wheel made, it is sold at a price that places it within the reach of everybody. Capital and experience have been combined to make the "Eldredge" the best it is possible to build in bicycles. Younger riders and club members are quite familiar with this wheel from the fact of its having been the mount of the three world's champions, Miller in his six day records, Gimm in his twenty-four hour records, and the undisputed short distance champion, Arthur Gardiner.

Although the "Canadian King of Scorchers" comes second in price, it certainly ranks as one of the handsomest wheels shown this season. It is made by one of the largest makers on the continent and the present price is made possible by the large quantities in which it is purchased. It comes at $50 and $55, and is superior to many of the wheels retailed at $65 and upwards.

"The Empire" is the low-priced wheel, selling at $40. It is no new venture, having, in previous years, been thoroughly tested and proven by some of the best citizens of Toronto to be reliable in every respect.

Messrs. Hill & Co. have an enviable reputation in business and cycling circles, their mode of doing business and their goods having won many friends for them, it being generally understood that goods coming from them are certain to give the best of satisfaction. The guarantee they give with their wheels is good evidence of the faith they have in them, for instead of shortening the time of guarantee they still keep it for the calendar year, every wheel being guaranteed to give good service and satisfaction.

Messrs. Hill & Co. will be pleased to have World readers call at their new premises to see for themselves the special features of their '99 models, now on exhibition.

"Many small profits rather than few big ones."

That explains the surprising value of the Keith Shoe at $3.50.

The Keith Co. make 6000 pairs of Gentlemen's Shoes in a day. A profit of one cent on each pair would soon make George E. Keith quite comfortable.

A Canadian maker would have to get a dollar a pair profit in order to equal Keith's income on a cent of profit.

See these wonderful $3.50 Shoes.
