AMUSEMENTS LECTURES. AMUSEMENTS, LECTURES.

THE BEAUTY WHICH COMES FROM WITHIN

A Painter, a Composer, **A Dancer,** A Poet and a Philosopher Inspire It.

THIS HEADING COPIED FROM THE DESIGNER.

BEAUTY'S HIGHEST EXPRESSION.

Isadora Duncan conceived the fact that the human body, naturally and simply used—not a particular human body, but the human body in general—expresses all that is pure, moral, healthful and beautiful in art. After she had expressed her soul by dancing to the joy of countless thousands, she conceived the idea of imparting her art to some little children, who would live to carry her thought of the beautiful into the wide world and through life. It is said that when you have seen her dancing children you believe for evermore that this is beauty's highest expression, its noblest work of art.—From The Designer.

Many prominent men attend the Winter Garden expressly to watch the children dance.
