FIRST TRIP.—The "David Weston" made its first trip to Fredericton Wednesday last.

THE RIVER.—The water in the river is at present lower than it has been at any time this summer.

SERENADED.—The Cushing band of Carleton serenaded its patron, Mr. Andre Cushing at his residence, Lancaster, last evening. Numerous well rendered selections were played, after which the band partook of Mr. Cushing's hospitality within. A very enjoyable evening was spent.

CHANGE IN THE TIME TABLE.—Steamer Star will leave her wharf at Indiantown at the usual hour Saturday morning, but will return Sunday evening, instead of Monday in order to take the Gordon Division excursion to Gagetown Monday morning. The Star will resume its usual trips Tuesday.

ORATORIO SOCIETY.—There will be a special rehearsal of the St. John Oratorio Society, with Orchestra this evening. A full attendance of the members is desired.

Honorary members of the society have the privilege of attending all rehearsals.

I. S. S. CO.—The International Steamship Company give notice, today, that they have effected arrangements with the Intercolonial Railway for a train to leave St. John for Halifax and intermediate points at 4.35 o'clock (standard time) on the days their steamers arrive here, viz. every Tuesday, Thursday and Saturday.

ALBION DIVISION S OF T.—The election of officers, held last evening resulted as follows:

James Hannay, W P; J A S Mott, W A; H D Everitt, R S; Thos. Stothart, A R S; D Smiler, F S; W E Stevens, treas; Thos. Brundage, chap; E A Everett, Con; John Supple, A C; John Crawford I S; William Waters O S; W C Simpson P W P.

A WOMAN'S WAY.—Two women supposed to be from Moncton, drove up the river some days ago, called at the house of William Leaman at Turtle Creek, and making an excuse asked to leave a young baby for a short time. Permission was granted but the women have not since been seen, nor has the baby been called for. It is said one of the women is known.—Moncton Times.

ONE HUNDRED YEARS OLD.—The oldest man living in the State of Massachusetts is a Nova Scotian named William Roach. He is said to be 125 years old, and his portrait, together with an account of his life, appears in Monday's issue of the Boston Globe. Mr. Roach is a colored man and a saw filer by occupation. He was born in Annapolis, N. S., and left there when very young.

QUEEN SQUARE CHURCH Y. P. I.—On Tuesday evening Y. P. I. of Queen's Square Methodist church elected officers as follows. The association is in a prosperous condition. OLD TIME RELICS.—A correspondent of the Moncton Transcript writes from Campbellton, I was shown recently two cannon balls and a shell which a citizen found in his garden while planting potatoes. This brings to our imagination the time when the war ships of the English and French were arranged in "battle array" in front of our town, and when the sound of cannon echoed and re-echoed from the far famed Sugar Loaf.

COLLISION IN THE HARBOR.—Capt. Mitchell of the schooner Maud, from Hampton, N. S., reports that while coming up the harbor this morning and near the bell buoy, during a thick fog, he was run into by the steamer City of Monticello, bound for Digby, which carried away the schooner's bowsprit, with head gear, broke three or four stanchions, and caused some other slight damage. The steamer proceeded; Capt. Mitchell could not say what damage, if any, she sustained.

CORONER'S INQUEST.—Dr. Conroy yesterday afternoon held an inquest on the body of an unknown man found at Brickmaker's Point on Sunday evening. After hearing the evidence of John Cardiff a verdict of "found drowned" was returned. There was nothing about the person or clothing of the deceased to furnish a clue to his identity, but some persons think that the body is that of Alexander Hayden, of River John, N. S., who was drowned at that place about a month ago.—Charlottetown Examiner.

PERHAPS A QUEENS CO. MAN.—On the 22nd inst an inquest was held at Belfast P. E. I. on the body of a young man which had been in the water for some time. The clothing consisted of a pair of checked tweed pants and vest, a checked shirt and a pair of fisherman's boots. In the pocket of his pants was found a letter, the address to which is Coles Island, April 27 '89. "Dear Fred." In the letter appears the name of Volley Wilkinson and Albert Anderson. On the back of the letter, written across, as though it was the person to whom it was addressed is the surname—Phinray or Phinroy.—(the first part of name is blotted out.) The body has received decent burial in Point Prim cemetery.

The session opened this morning with the ex-president the Rev. C. H. Paisley in the chair.

Rev. R. Wilson said he was requested by the St. John anti-tobacco association to make an appeal to all good men throughout the country to endeavor to further the sale of the essays which they had published. Mr. Wilson wished it known that the essayists have no financial interest in the publishing of the essays.

W. J. Kirby wishing to return home at the close of the session, it was decided that he be allowed to return home at the close of the conference.

Dr. Lathern having signified his approval and his high appreciation of the Woman's Sustentation Fund report, it was decided that it be printed in the Wesleyan. The question was then raised as to when and where the conference should be held next year. The discussion lay between St. Stephen, Charlottetown and Fredericton. The question was deferred.

The final draft of the station sheet was read by the Rev. Thos. Marshall. There were no changes from the reading last night.

The chairmen of the districts were then chosen. Half votes were necessary to a choice. The vote for St. John district was as follows:—

The first ballot showed a tie between Johnson and Berrie. Thomas who received one vote wished his name withdrawn. The second stood Johnson 38 and Weddall 27. The Rev. L. S. Johnson was declared elected.

The presideut Rev. H. P. Cowperthwaite will be ex-officio chairman for P. E. Island district,

The following were nominated by the chairman of the districts to the position of financial secretaries of the districts and were elected.

The election for the representative of the ministers to the general missionary board followed. The Rev E Evans was elected by a vote of 35. The Rev. J. Read received 12 votes.

A minister and layman were elected to represent the conference on the several supernumary fund committees. After several ballots the Rev. C. H. Paisley was elected to represent the ministers, receiving 27 votes and Dr. Daniel 19. Mr. H. J. Thorne was elected to represent the laymen.

J. C. Berrie on behalf of the conference presented to Mr. Hurd, who is in the employ of Centenary church, the sum of $19.00 Mr. Hurd replied thanking the conference

Brother F. W. Davison's name on his request was withdrawn form the special supernumerary committee and the Rev. E. Evan's name was substituted.

Dr. Lathern wished to address the conference as he had to leave this afternoon. He recommended to the special committee, which meet the supernumerary fund committee of Nova Scotia their thorough consideration of the matters which they are to discuss. One of these matters will be the question of the union of this conference and the Nova Scotia conference. The conference then adjourned until the afternoon.

**The Lansdowne Theatre.**

The third performance of "Our Regiment" was attended by another large audience at the Lansdowne threatre last night and yet another opportunity will be afforded the public for seeing this interesting play at the matinee on Saturday next. As it is full of fun and invariably delights every one who sees it, those who have not yet witnessed its production by Mr. Modwell's clever Company should not forget that its last production will be at the matinee.

Tonight the romantic Drama "The Two Orphans" will be the bill, and as this play is a strong one and has been received with the greatest favor wherever it has been produced, and as our citizens generally appreciate a good play, there is no doubt the house will be crowded tonight. Special scenery for this play has been prepared by Mr. Gill and this, coupled with the fact that all the favourites will be in the cast and the further fact the St John lady who is in the company will impersonate the important character of Marianne, will lend a more than ordinary interest to the occasion. Every effort has been made to put this play on in such a manner as to surpass all previous efforts of the company. The little favorite Miss Haswell and Miss Hampton, will play the parts of "The Two Orphans."

**At the Mechanics' Institute.**

The Hyers Sisters, in their musical play "Out of Bondage," closed their engagement at the Institute last night.

On Monday and Tuesday evenings next (July 1st and 2nd) a supply of fun unlimited is promised to the citizens in the ever-amusing and laughter-provoking play of "Peck's Bad Boy and his Pa." As the production of this piece, with its mischievous and intensely funny situations is remembered with delight, there is no doubt the Institute will be crowded on both occasions.

The entertainment is in three acts or scenes—the grocery store, the bad boy's home and the picnic grounds. The many characters are the bad boy, his chum, his girl, his pa, the policeman, the servant girl, the doctor, the old soldier. The show is irresistibly funny, and the company presenting it is qualified in every way to give excellent performances.

A TIMELY AFFAIR.—Carleton has in the past few days been undergoing remarkable changes. Inspector Martin has had gangs of men at work and they have at last succeeded in clearing the street on the West side of some of the rubbish which has for so long a time been a source of annoyance to the residents.

YESTERDAY'S GAME.

It was heavy ball yesterday between St. John and the Gardiners, and St. John got sadly left by the score of 19 to 12. Parsons, for the home team, was batted everywhere, while his support was none of the best.

The Gardiners dragged in 10 runs in the first two innings which virtually gave them the game, but St. John pulled up somewhat towards the end. The score by innings was:—

| | | | | | | | | | | |
|---|---|---|---|---|---|---|---|---|---|---|
| Gardiners | 5 | 5 | 2 | 1 | 0 | 2 | 2 | 0 | x | —19 |
| St John | 2 | 1 | 1 | 0 | 4 | 3 | 0 | 1 | 0 | —12 |

Base hits Gardiners 15. St. John 9
Errors Gardiners 11. St. John 14
Umpire, Morton L. Harrison.

THROWN OUT.

Nothing like it.
When the score's reversed.
Too many errors, by far.
Small is officially credited with six.
A very good record for a professional.
Parsons even surpassed himself.
He let three men to bases on balls in the first inning.

Rogers played the best game of the day bringing in four of the eleven runs.

Ritchie surprised every body by hitting the ball and it was a three bagger.

The crowd appreciated the gambols of Hutchins at centre. He can turn a flip-flap, or flying air-spring like a circus clown.

The fourth game of the amateur league is played at the Barracks this afternoon between Franklins and West Ends.

The college championship season is over, with Yale champion, with seven victories and one defeat, Princeton, three won and five lost; Harvard, two won and six lost.

A CLUB AT ST. STEPHEN.

The secretary of the St. John A. A. club has received word from St. Stephen to the effect that a base ball team is being organized at that place, with a crack professional battery. The St. Stephen club will make a tour of the provinces, and are desirous of knowing when St. John can accommodate them.

THE NEXT GAME.

The Presumpscots play the A. A. Club Monday, and the best game of the season may be expected. The Presumpscots have won eleven straight games during the last few weeks, and are well up in the wiles of base ball.

THE BATES STRAL A BASE.

The Bates, champions of the college league, and the Lewiston state league club played an intensely exciting game at Lewiston Saturday afternoon, the Bates pulling it out of the fire in the ninth inning, after it was apparently hopelessly lost. Not a hit was made until the fifth inning and the Bates made but one up to the ninth. In that inning, with the score 7 to 4 against them, two out and two strikes on the third man, Bates fell on to Kearns and batted out three runs, tieing the score. They made four more in the tenth and blanked their opponents.

GAMES DOMINION DAY.

The St Stephens Club of Boston open the season for the Shamrocks Monday.

Houlton plays at Fredericton.

A great number of junior games will be played in the city.

**Portland Methodist Church.**

The 60th. anniversary of Portland Methodist Church was celebrated last evening and the attendance was very large. In his address the pastor Rev. Mr. Pickles reviewed the history of the church from its founding to 1868. The first start of the church was as a mission at the corner of Main street and Black Spring road in the year 1868. At the same time a Sunday school on the Robert Raikes' system was established, which though non-sectarian was under Methodist control.

Gilbert Ray was the first superintendent. In 1828 a board of trustees was elected, who immediately made arrangements for the building of a church, and it is the 60th anniversary of the opening of this edifice, which is now being celebrated. The church was dedicated in 1829. The sermon on that occasion was preached by Rev. Mr. Williams. Rev. Michael Pickles, father of the present pastor, at one time was a missionary to this church. The rev. gentleman referred to the several ministers who had charge of the congregation in the past and made reference to some of the leading parishioners of days gone by. The address of Mr. Pickles was followed by solos, readings, etc., and the evening was full of instruction and enjoyment.

**Personal.**

(From Montreal Herald, June 21.)

Mr. Chas. Allen, of the jewellery firm of C. J. Allen and Mr. J. S. Coalican, left Montreal last evening for an extended tour through the Maritime Provinces. These gentlemen have just concluded the largest auction sale of diamonds, watches, jewellry, and art goods ever held in Canada, and through honorable dealing and strict avoidance of misrepresentation, made a grand success of what hitherto has always been regarded as a failure, viz, a jewellery auction sale. During their great sale, occupying eight weeks, they have made hosts of friends, who wish them success in their future ventures.

As will be seen by advertisement in this issue, the Messrs. Allen will hold a grand auction sale of $75,000 worth of goods in the old "Sheffield House," Market Square, commencing on Saturday next. The goods are new and nice.

**Coming Events.**

Peck's bad boy will appear at the Institute Monday.

The 62nd Fusiliers have battalion parade at the drill shed, tomorrow evening.

This evening there will be a special practice of Athalie with Philharmonic Club.

Chas. Watts will lecture this evening in the Mechanics Institute, on Religion and Science—their relation to civilization.

The executive committee, of the Loyalists society, is to meet this evening at Mr. A. O. Earle's office, Ritchie's building, at 8 o'clock.

ANNOYING AND DANGEROUS.—Yesterday afternoon when the train bringing the Leinster street Baptist picnic was passing Portland street a number of boys stood ready with edgings, which they made use of to capture the handkerchiefs that were waved out the car windows. This practice became very prevalent last summer, and should be stopped at once, as there is danger of some of the children on the cars having their arms broken by a blow from the heavy sticks used by these young nuisances.

THE CELEBRATED HAVELOCK MINERAL SPRING WATER.
The Water from this Spring has long had a local reputation as a remedy for various forms of disease and derangement of the system. The following is one of many testimodials received by the Proprietor.
HAVELOCK, N. B.,
June 8th, 1889.
I have been for a number of years suffering from "Salt Rheum," but could find no relief until I used water from your MINERAL SPRING. Since then I have steadily improved, and would heartily recommend it to persons suffering from a similiar disease. MRS. RICHARD THORNE.

MANCHESTER, ROBERTSON & ALLISON,

I tell you ma'am washing can't be done well unless the soap is right. I've been washing this 30 years and tried all kinds, and there's none like Dogan's "Ideal" soap for taking dirt & stains out of the clothes without rotting them and it don't make the hands rough and sore as many soaps do. Its made by Wm Logan St John. For all grocers to sell.
