BOWMAN CARRIES NORTH BRUCE

Temiskaming Will Go Conservative—Recounts for Lennox and Stormont.

Toronto, June 10.—There are very few changes to record in the list of members elected to the Legislature as it appeared in yesterday's press reports. North Bruce was placed in the doubtful column then. Late returns show that Mr. C. M. Bowman, Liberal whip, has been re-elected by a big majority. Temiskaming, one of the other doubtfuls, is as emphatically Conservative.

There are but two doubtfuls now left—Lennox and Stormont. Both sides claim them. It will require a re-count in each case to determine who is elected. In Lennox Carscallen (Conservative) claims four of a majority, but Madole (Liberal) affirms that this is based on a mixup of figures at Storm's Corners, which he expects the returning officer to straighten out on declaration day. In Stormont Milligan (Conservative) claims a majority of one, while McCart (Liberal) also claims the seat. If these seats go one to each party the totals in the House will be:

Conservatives	86
Liberals	19
Independent	1
Total	106

LOCAL OPTION IN HENSALL

Motion to Quash the Bylaw Dismissed by Chief Justice Mulock.

Toronto, June 10.—At Osgoode Hall, before Chief Justice Mulock, ruling was given in the case re Coxwell and village of Hensall. Judgment (L.) on motion by James Coxwell to quash a local option bylaw of the village.

The first objection was that the bylaw at the time it received its first and second readings on Feb. 5, 1906, did not fix a time and place for the voting, etc. Held, that the bylaw, being legal on its face, this technical objection should not be entertained.

The second objection was that 20 persons who were not qualified were allowed to vote. Held, that this objection, if well founded, would not affect the majority.

The third objection was that the bylaw was voted on on the 7th of January, 1907, and finally passed on the 14th of the same month, without allowing two weeks to elapse from the time of the declaration of the vote, as required by section 369 of the municipal act. Held, that this objection was concluded against the applicant by the judgment of the court of appeal in re Duncan and town of Midland, 14 O.L.R., 132.

Motion dismissed with costs.
