FOR ALDERMAN

TO THE ELECTORS OF WARD ONE

I beg to inform you that on the solicitation of a number of friends I am presenting myself as a candidate for election as Alderman for Ward 1. I have considerable property interests in this and other Wards in the city.

I am in a position to devote a great portion of my time and attention to municipal matters, and believe that if elected I can efficiently advance the interests of the city as a whole, and of Ward 1 in particular.

Some matters which I believe should have attention in the coming year are:

The early completion of our waterworks system.

More macadamizing and less block pavement, with a view to putting our streets in order before next winter.

Better sewer connection in Ward 1.

Constant endeavor by the City Council to settle the Songhees Reserve question.

Strict enforcement of the laws for suppression of vice.
