BASEBALL.

OPENING GAME.

About 500 fans went over to Tecumseh Park yesterday afternoon to see the exhibition with Auburn, and try to get a line on Lohman's string. Unfortunately the visiting team had not yet found itself. The Auburn team is a member of the New York State League and has some likely-looking material; but the men needed practice. London was not pushed for a minute at any stage of the game, and there was little opportunity of judging the players.

Cooper and Seivers, both left-hand twirlers, are a promising pair. Both men are very fast, and showed good control. Cooper pitched six innings, and the only hit got off him was a terrific liner to second, which was too hot for Mohler to hold. Seivers was touched for a triple and a single in the eighth, and gave one base on balls in the same inning. McConnell is a very good backstop. He works the pitcher for all he's worth, and throws splendidly. McFadden, London's firstbaseman, handles himself beautifully, and seems able to take care of everything coming his way. Mohler, on second, was quite in his old form. Babbitt, shortstop, didn't have a chance to show what he could do. Cope, on third, did very creditable work, and looks like a favorite. Jones, in the right pasture, covered a wonderful amount of ground and made a brilliant running catch in the ninth that won bouquets from the bleachers. Frank, the utility man, replaced Babbitt at short, when the latter sprained his ankle running to first, in the fourth inning. Frank made the longest drive of the game. Carey covered the left field in good style, managing, however, to drop a long fly. Carey made one of his long drives, which was greeted with enthusiasm, as a reminder of last year's work; but fleet as he is the ball was fielded so cleverly by Hennecke that Carey went out at third by a hair's breadth. Howels is very fast, and evidently can take good care of the middle pasture. Cowen, of Point Edward, replaced Carey in the last half, just to show what he could do. He made a clever catch, and looks like a ball player. Cooper made a very neat bunt, which counted him a single. Neither Frank nor Babbitt, the shortstops, had an assist or put out.

There was an example in the third inning of the working of the new balk rule. Riley, pitching for Auburn, made a motion to first, changed his mind, but was compelled to throw the ball, while Cooper on first and McFadden on second, each moved up one easily.

GROUNDERS.

Manager George Black, of the Guelph Maple Leafs, was in Hamilton on Saturday for the purpose of assisting in straightening out the schedule tangle.

Van Geison, of last year's Chatham team, now of Hamilton, has announced his intention of shutting out Chatham in the first game he pitches against the Reds.

A number of protests have been lodged by Guelph and St. Thomas against the adoption of the schedule as drawn up by President Davis.

The Guelph club has placed the case of Third Baseman Elmer E. Smith in the hands of the National League. Smith won't report for duty.

Guelph plays an exhibition game with the Columbia Giants today (Tuesday).

John Burns, of Johnstown, Pa., and Owen H. Sheehan, of Wayland, N. Y., the two catchers signed by Manager Black, have arrived in the city.—Guelph Herald.

NOTES OF SPORT.

Yale was first, Pennsylvania second and Chicago third in the one-mile relay race at Philadelphia Saturday.

The Detroit Cycle Racing Association has leased the board track out Woodward avenue and will open the season with a meet on May 30.

The Philadelphia team is powerfully strong is batting, but the pitching department is not first-class and team play is lacking.

The attempt to form a bicycle trust included the makers of sundries and all parts of wheels. It was figured that this would give absolute control of all patents and prevent opposition, but independent makers say this is not so.

RADWAY'S SARSAPARILLIAN RESOLVENT, a remedy composed of ingredients of extraordinary medical properties, essential to purify, heal, repair and invigorate the broken down and wasted body. Quick, pleasant, safe and permanent in its treatment and cure.

Sold by all druggists. $1 a bottle.

Radway's Pills

Always Reliable, Purely Vegetable.

Perfectly tasteless, elegantly coated, purge, regulate, purify, cleanse and strengthen. RADWAY'S PILLS for the cure of all disorders of the Stomach, Bowels, Kidneys, Bladder, Nervous Diseases, Dizziness, Vertigo, Costiveness, Piles.

Sick Headache, Female Complaints, Biliousness, Indigestion, Dyspepsia, Constipation and all Disorders of the Liver.

True Comfort for the Aged and Others afflicted with Costiveness and Paralysis of the Bowels.

One to three of Radway's Pill, once in twenty-four hours, will secure regular evacuations from the bowels. Persons who, for 20 years, have not enjoyed a natural stool, and have been compelled to use injections, have been cured by a few doses of Radway's Pills.

Persons advanced in life often suffer from indigestion, and from paralysis or inability to evacuate from the bowels; likewise from urinal difficulty. We have the evidence of a large number of aged persons, from 70 to 80 years of age, who have been cured of this defect (who were compelled to resort to injections to empty their bowels) by the use of Radway's Pills. Two or three pills every night, in all cases insure a natural evacuation from the bowels and a regular flow of urine. In cases where there is Irration of the Bladder, the Resolvent should be used alternately with the pills. If these organs are kept regular, life may be extended to a much longer period. By keeping the Liver, Stomach, Bowels and Kidneys in a healthy condition, the blood will continue pure and dissolution checked. This great desideratum is within the reach of all by the use of Radway's Pills and Resolvent. Drastic Aloetic Pills, in persons of advanced age, hasten dissolution; irritates and wears out the bowels and coats of the stomach, destroys the absorbents, so that these vessels are incapable of assisting in the repair of the body's waste. If Radway's Pills and Resolvent are used by the aged, life will be prolonged to the full measure of time. Another great end is secured by nourishing the body with these remedies—the faculties will remain in a healthy condition. A weak, feeble and decaying body enfeebles the intellect and clouds the brain.

Price 25c per box. Sold by Druggists or Sent by Mail.
