THURSDAY EVENING, Oct. 20.

NEW YORK STOCKS.

In New York to-day the feeling was extremely upward and buying was brisk. Prices went up pretty generally. Oregon Navigation for instance has risen ten points since last week, when it stood at 79½. There was a raise of 1½ points to-day consequent upon the report that the lease of the railway has been signed by the Union Pacific and Northern Pacific roads.

The shorts were covering to-day and some were buying for a longer account. The bulls were gleeful and enjoyed a small picnic. The market was strong and brisk.

New Yorkers do not look for any increase in Bank of England rate of discount this week. They say, however, that it is not improbable that in order to prevent further exports of bullion the directors may make an advance of one-half a point, but this would be a by no means necessary measure.

FOREIGN AND MISCELLANEOUS.

The London market was a reflex of Wall-street to-day and large blocks of American stocks were bought.

Grain and Produce.

The grain market to-day was steady and firm all over. This was true of both local and foreign markets and in all classes.

There was a slight advance in wheat both at Chicago and New York, as well as in Toronto.

On call this morning 80½c was bid for red winter on the track and 79½c for No. 2 spring on the track. Dealers find wheat hard to get, and some of them are reported to be rather in a corner to cover their deals.

The continued briskness in the barley trade is most surprising. There is twice the amount in store now at Chicago than there was at this time last year, and still the price keeps up and the demand is as brisk as ever. Heavy shipments are being made, though some of the banks think the contrary.

The Chicago stock yards report receipts of hogs to-day estimated at 25,000, official yesterday 25,824, shipments 10,658, left over 10,000.

LOCAL STREET MARKET.

Receipts of grain were fair to-day and prices steady; 200 bushels of wheat sold at 78c to 79c for spring and fall, and 85c to 89½c for goose. Barley was active and strong, 10,000 bushels selling at 55c to 74c. Oats sold 300 bushels for from 36c to 39½c. Peas nominal at 60c to 61c. Hay in good supply and prices firm; 50 loads sold at $15 to $18.50 a ton for timothy, and at $13 to $16 for clover. Straw sold at $11 to $12.50 a ton. Dressed hogs steady at $6.75 to $7. Beef is still quoted at $3 to $4.50 for forequarters and $5.50 to $7 for hindquarters. Mutton at $6.50 to $7.50; lamb $8.50 to $9.50, and veal $6.50 to $7.75 per 100 lbs.
