An Interesting Question to not a Few.

It is now an ACKNOWLEDGED FACT—acknowledged by professionals and amateurs, by competitors in trade, as well as patrons, that the

HEINTZMAN PIANOS,

Canada manufacture, are equal in quality to the best imported ones from the United States.

It is, therefore, **AN INTERESTING QUESTION** for intending purchasers, how

Our Home made Instruments compare in Price

with a good American made up. It looks extravagant to say that by purchasing of us buyers save at least

ONE HUNDRED DOLLARS,

But we simply beg to direct attention to American catalogues, &c., and our assertion will be verified.

DEAR SIR,—We have been using your oil on our machinery for some years, and have no hesitation in saying it is the only good oil of the kind we have ever had, and it is the very best machine oil we have ever used We recommend it to all our farmer customers as the best oil they can possibly buy.
