MR. M'COMB WILL REMAIN IN CITY

EVANGELISTIC SERVICES FOR ANOTHER WEEK

Is Under the Joint Auspices of the Y. M. C. A. and the Y. W. C. A.

(From Wednesday's Daily.)

Following the week of prayer which ends Friday evening of this week, a series of evangelistic services lasting one week will be held under the joint auspices of the Y. M. C. A. and the Y. W. C. A. The services will be conducted by J. L. McComb, who for twenty years has engaged in evangelistic work of this nature and who first gained his inspiration by witnessing the efforts of Jerry McAuley, the famous converted New York city waterside thief and desperado, whose subsequent efforts to reclaim the waifs of that city were so succesful.

The services will begin on Saturday evening with an address from Mr. McComb on the subject of "Personal Work for Christ." This will be followed by an address to the workers.

On Sunday at 4 p.m. a mass meeting will be held in the New Grand, when by special request Mr. McComb will again tell the thrilling story of the conversion of Jerry McAuley. Thousands have, it is said, heard this story and to the simple narration of it is due many conversions. This meeting is under the immediate charge of the Y. M. C. A.

At 8.15 p.m. there will be an evangelistic rally for both ladies and gentlemen. Throughout the week services will be held in the old Grand, Johnson street, which has been secured for the occasion.

Special music has been provided for the meetings. Prof. J. Leslie Forster has undertaken to raise and train a choir which will assist. At the Sunday afternoon service Robert Morrison will sing and selections will be given by an orchestra composed jointly of the orchestras of the Y. M. C. A. and the Metropolitan Methodist church.

A feature of the campaign to be conducted will be the open air meetings which will be held whenever the weather permits. Mr. McComb with a party of workers will tour the city in an auto and will speak from its trucks at various points.

The evangelist, Mr. McComb, who is an interesting personality, has just concluded a most successful series of services in Vancouver, which lasted three weeks. Three times he told the story of the conversion of McAuley in that city, and on the last ocasion the hall, which seated a thousand, was filled and hundreds were turned away.

Last year with Dr. Chapman, Mr. McComb toured from Los Angeles to Portland conducting services which met with great success.

"My particular work," he said, "was the conduct of the services held in theatres and halls, and in the open air upon the cities' streets. We have found that we could appeal more successfully to that element which never goes to church in this way, first because they are accustomed to visiting the halls for other purposes, and secondly because they feel that they are on neutral territory and do not commit themselves in any way.

"You will notice the importance which is being attached to this feature of the work. In New York its recognition is witnessed by the announcement that Dr. Donald Sage Mackay, the pastor of the Fifth avenue Collegiate Reform church, perhaps the most fashionable institution of its kind in New York, had invited the present superintendent of the Water street meeting with five of his converts to deliver addresses to his congregation. There was such a warmth and fervor in these men's words that it kindled fresh energy in their hearers."

MUNICIPAL ACTIVITY.

Victoria West Voters Discuss Coming Election and Will Hold Big Meeting Soon.

A meeting in the interests of T. W. Paterson, candidate for the mayoralty, will be held in Oaklands this evening. A number of prominent citizens, including Mr. Paterson, will address the electors.

Amongst the candidates for aldermen appear the names of W. A. Gleason and Dr. Lewis Hall.

Last night the Municipal Voters' Association of Victoria West met at the Athletic hall. It was decided to continue the association during the present year and to increase the subscription from 25 cents to 50 cents per member.

A committee was appointed to select a candidate to oppose Dr. Lewis Hall in the forthcoming aldermanic contest. It was further decided that when the new city council meets a deputation from Victoria West should wait upon it to make representations as to the need of a new school in that ward.

Arrangements were left in the hands of the secretary to summon a meeting of the electors at Semple's hall on some date prior to the civic contest. Mayor Morley, T. W. Paterson and the trustees of the school board will be invited to address this meeting.

Notice is hereby given that, 30 days after date, we intend to apply to the Hon. Chief Commissioner of Lands and Works for special licenses to cut and carry away timber from the following land in Clayoquot District:
