ADVERTISE IN THE FARMER'S ADVOCATE.

The Northwest Territorial Exhibition.

The prize list of the approaching Territorial Exhibition (which opens at Regina on the 29th of July) will shortly be issued. The list will be an agreeable surprise to intending exhibitors. It contains over 100 classes, covering 1,300 sections, with a total prize fund of over $19,000. While the majority of the classes are open to the world, there are several in the live stock, dairy product, etc., classes, open only to the Northwest Territories. For horses, the prizes aggregate $2,500; cattle, $4,500; sheep, $1,200; pigs, $1,700; poultry, $1,500; dairy products, $1,100; agricultural products, $2,100; plants, bees, honey, and domestic manufactures, $1,050; ladies' work, $400; fine arts, $450; natural history, etc., $477; school prizes, $200.

The prize list is the largest ever offered by any exhibition west of Toronto. Amongst the attractions—of which there will be an afternoon and evening programme—there will be speeding contests for horses, bicycle and foot races, dog races, Indian sports, military sports, musical ride, football and polo games, school children's military drill, fancy bicycle parade, grand stock parade, trap shooting tournament, ladies' running race, prize for best lady driver and best lady rider; and in addition there will be special attractions, including athletic and acrobatic performances. It is also proposed to have a Caledonian day on Monday, August 5 h, and arrangements will probably be made for a special excursion from Winnipeg and points west of Regina. There will be an excellent programme of Scottish games, etc.

The Indian exhibit is expected to be one of the finest ever seen, and will be collected from all points of the Northwest Territories and Manitoba. The grounds are conveniently situated at the west end of the town, north of the C. P. R. track. The buildings are commodious and well-designed. The grand stand will accommodate about a thousand people. The speeding track is half a mile, and in front of the grand stand there is a large performing-platform. Ample arrangemets are being made for the convenience and comfort of visitors to the fair, and ar angements will be made for the supply of feed to live stock at the lowest possible price. We might mention that among the prizes will be the following:—

In dairy produce there are three prizes for each section, the amounts given here being the total in each case:

Three factory cheese, colored, from 50 to 60 lbs each	$ 98 00
The same, white	98 00
Three Stilton cheese, made not previous to 1894	81 00
