LEAFS TOOK FIRST SECOND WAS A TIE

Fifteen Innings in Second Half After Leafs Won First Argument.

The Monday bargain-hunters got their money's worth at the Island Stadium yesterday. The Leafs and the Bisons staged 24 innings of baseball, and out of all this only one game was decided. Larry's boys came from behind and won the first game, 8 to 4, in the regulation nine innings.

The locals came out of the pit again in second fixture to tie Buffalo's six runs They battled for seven more innings and the game was called. Thompson pitched the full fifteen rounds, while Buffalo used two boxmen. The Leafs had four royal chances in the overtime to win, but the needed hit was not forthcoming. It was well after seven o'clock when the fans arrived on the city side.

That first game that the Leafs won, 8 to 4, was a hummer. The Leafs put over a run in the opening inning, but Buffalo went to the front with two in the second. The Leafs tied it in their half; Lalonge's double drove in Altenberg.

The Bisons came back with single runs in the third and fourth. This left Buffalo two up. The Leafs waited until the fifth and then the fireworks arrived. Truesdale, Jacobson and Whiteman got safe hits. Truesdale came in when Lajoie forced Whitey at second, and another force play scored Jacobson. Altenberg and Schultz tried the double steal, Schultz being safe when the Buffalo catcher dropped the return. Carlstrom's bad throw let the fourth run over.

The Leafs added two in the seventh to make it 8 to 4.

Base on balls—Off Warhop 2, off Wyckoff 6. Struck out—By Warhop 6, by Wyckoff 2. Wild pitches—Wyckoff 3. Passed balls—Daley 2. Left on bases—Buffalo 9, Toronto 8. Umpires—O'Brien and Mullin.

The second went 15 innings to a tie, six runs each. Blackburne and Thompson contributed four hits each, and Lajoie and Schultz turned in three each. The Leafs hit Tyson and McCabe for twenty raps. McCabe was called on when the Leafs tied the score in the eighth with two left on. He made Truesdale fly to right. The Leafs had many chances to win, but could not produce.

Buffalo put over two runs in the opening inning and added one in the second. Our first came in the second; Altenberg's single, Blackburne's double and Lalonge's infield out scored it.

We tacked on one in the fifth, but Buffalo shoved over two in the sixth on clean hitting. Schultz and Blackburne had hits that gave us a single run in the sixth, and the count stood 6 to 3 when Buffalo scored again in the seventh.

Larry's boys let down the gate in the eighth and there was some lively doings. McDonald booted Whiteman's roller to start the fun. Lajoie helped it along with a double. Schultz hit thru short to count the first, but was forced at second by Altenberg. Blackburne hit to short and No. 2 counted. Lalonge flied out, but Thompson dropped a Texas Leaguer behind second for the third run. Tyson was sent to the barn and McCabe took up the burden. Truesdale flied out.

Thompson tightened up nicely and the Bisons never had a real chance after this. With one down in the ninth Whiteman singled and Lajoie beat out a bunt. The next two popped out.

The twelfth saw another chance tossed away. Lajoie and Schultz singled to start it, but nothing resulted. The thirteenth was even worse. Thompson opened with a smart hit, and Truesdale sacrificed. Jacobson rolled to first. Onslow called on McCabe to walk Whiteman and Lajoie, and his judgment was good, as Schultz forced Larry at second.

The fourteenth ran along the same lines. The old base hit was not there. With one out Blackburne singled, only to be forced at second by Lalonge. Thompson followed with a hit and Truesdale followed suit. Jacobson forced Truesdale at the half-way stop.

Whiteman banged out a double to start off the fifteenth and the manager sacrificed. Onslow again called the old walk into commission, and Schultz was not given a chance to hit. Altenberg bounded to the pitcher and Whiteman was nipped between third and home. Blackburne flied out and the umpire called the game.

NEW INFIELDER TO HELP OUT OUR LARRY

A Washington despatch says: William Murray, infielder, obtained by the Washington Club from Brown University, has been sent to the Toronto International League Club for the remainder of the season.

The Leafs are also out after a right-hand pitcher. One who was with a big league club this year is the man the Leafs are after, a former International League twirler, and who is now a free agent, wants a trial.

ST. CYPRIANS VS. BROADVIEW.

The postponed C. and M. League game between these clubs was played at Willowvale on Saturday and resulted in a decisive victory for the home team. Neither eleven was at full strength, the Saints being short of three of their regular players, and Broadview lacking the services of Gilbert and others. Winning the toss Broadview elected to bat, but could not do much against the bowling of G. Tunbridge and Headley, the former taking six wickets for 24 and the latter four for the same number. Gaunt, with a well-played 15, and Shroud, with 11, were the only batsmen to make a stand. The home team had won the game when their fourth wicket fell for 56, and ultimately compiled 127 for eight wickets. Lynch, who was let off easily by the umpire on an appeal for a run out the second ball bowled, played a good innings of 14. H. Johnston a capital 16, Headley in good form for 15 and G. Tunbridge a hard-hit 18. Machan was badly run out on his partner's call when he was well set. Huddlestone and Allshire carried the score from 82 for eight to 127, both being not out when stumps were drawn at 6 o'clock. The former played correct cricket and had 23 runs to his credit, while the captain obtained 14, both showing their agility between wickets. Of the eight bowlers tried by Broadview, Gaunt secured two wickets for 30, and Walcott, Stroud, Saunders and Bird one each for 10, 13, 15 and 19 respectively. An addition of 11 extras to the winner's score was largely caused by erratic bowling.

BRITISH SPORTSMEN KILLED IN ACTION

London, July 30.—The latest casualty list issued contains the names of a number of prominent sportsmen, who have made their mark in every branch of British sport. Lieut. A. F. Botham, died of wounds, was educated at Merchant Taylor's School and Clare College, Cambridge, where he was a wrangler in 1911 and captained the college Rugby fifteen. He was a keen and popular sportsman and played regularly for the Old Merchant Taylor's club and also Middlesex County. The well-known English Rugby international, G. E. B. Dobbs, was struck by a shell while returning from prospecting a new cable trench in the front line and died the same day. He did valuable work during the retreat from Mons and was three times mentioned in despatches. Dobbs played for England v. Wales and Ireland in 1905-6. Another famous Rugby international player, Stanley H. Williams, has been wounded. He played for England in all the 1911 games. Lieut. A. S. Richardson, killed, was captain of the Brighton College soccer eleven and gymnasium team and also held the college record for the quarter and half-mile. In 1912 he entered Caius College, Cambridge, which he represented at football. The well-known jockey, G. F. Butchers, has been missing for the past two months and it is feared he has been killed. The last heard of him was that at considerable risk he went out to fetch an ambulance for the purpose of carrying away a companion who had been badly wounded. He was the son of the famous Lewes trainer and his successes included the International hurdle at Gatwick. Lieut. T. P. Kilpin, who has died of wounds, rowed in the Bedford School eight at Henley regatta in 1914. Lieut. J. A. P. Whinney, killed, was in the running eight and the football fifteen at Rugby. Major E. M. F. Momber, died of wounds, was well-known in army Rugby football circles as a crack forward. Lieut. Maurice King, who died in hospital at Kantara from fever, was a splendid all-round athlete. When at Borlase School, Marlow, he played on the cricket and football elevens, captained both, and won the bowling prize. He also won the athletic championship and set up new records in the high jump and throwing the cricket ball, in addition to equalling the school record in the 100 yards. Capt. G. W. T. Lindsey, killed in a flying accident near Bristol, went out with the original expeditionary force and was wounded in November, 1914. Subsequently he went to Salonica, from where he was invalided home. At Wellington and the Royal Military Academy he won great distinction in field sports, and at Woolwich secured the championship bugle just before the war, when he created a record in winning the 120 yards, quarter, half, one and two-mile races. He was also a splendid soccer player and cricketer.

TORONTO RINKS DO WELL AT BUFFALO

Big International Tourney Gets Under Way—Boston Skip Puts Orr Out.

Special to The Toronto World.

Buffalo, July 30.—Lawn bowlers from all parts of Ontario and from Cincinnati, Boston, Tonawanda and Buffalo, in the United States, are here for the international lawn bowling tournament, which opened here this afternoon, and Park Commissioner John F. Malone rolled the first bowl, a little "wide," but fine for distance. He said he was overjoyed to note the splendid way lawn bowling was taking hold in the United States. The preliminary round was played off this afternoon in three sections, the 112 rinks deciding it. Only two rinks defaulted—D. M. Winger, Hagersville, and J. L. Vanstone, Niagara Falls.

The majority of the Toronto rinks pulled thru the preliminary round successfully, but George Orr went down to defeat before Skip Simpson of Boston. The first round will be played tomorrow, and there will also be playing in the second competitions. The majority of the Canadians motored over. They had no trouble getting by the immigration officers at Buffalo. Today's scores:
