NOTICE!

Will all my good Customers, please take notice that my terms of credit are, "All accounts due 1st of each month," and that on account of present conditions it is absolutely necessary that these terms be strictly adhered to. Consequently all accounts are rendered the 1st of each month and payment will, in future, be insisted upon on or before the 10th. To anyone whose account is unpaid after the 10th, further credit will be refused until their account is paid. This rule will be strictly enforced in the future. All accounts unpaid on the 15th will receive a second and final notice, and if still unpaid at the end of the month, will positively be left for collection. Also, further credit to those who do not pay in accordance with above terms will be refused. Having invested and lost a lot of money in lumbering and other outside investments it is absolutely necessary that I adhere strictly to the above terms. Will all my many good customers please take notice of this at once and govern themselves accordingly. All accounts due on May 1, or before and still unpaid will positively be left for collection on or before June 30.

MINUTES OF ANNUAL SCHOOL MEETING

(Official Report)

The annual School Meeting of District No. 3, Brighton, assembled in the Neighborhood Theatre at 7.30 p.m., July 10, 1922. Meeting called to order by B. G. Morgan, Chairman of the Board of Trustees, and declared open for nominations for Chairman.

A. F. Campbell nominated B. G. Morgan and no other name being put forward before the meeting the Secretary, J. E. King, put the motion that the nominations close and declared Mr. Morgan elected.

The Secretary then explained that it was considered advisable to call the annual meeting in the evening instead of at 10.30 a.m. in order to get a good attendance of those who were too busy to attend a morning session. Application for another day to do this was made to Inspector Mersereau and the form given the Board permission to hold School Meetings in the evening was read to the meeting.

The secretary also read the minutes of the last annual meeting which showed a record attendance of over 60 ratepayers, about 50 qualified voters and a large number of other interested persons being present tonight.

The secretary then read the report of finances with detailed account of receipts and expenditures and explanations regarding the same. Also report from all sources totalled the following:
