Keating's Cough Lozenges.

A certain remedy for disorders of the *Pulmonary Organs*; a difficulty of Breathing—in relandancy of Phlegm—in Incipient CONSUMPTION (of which Cough is the most positive indication) they are of unerring efficacy. In ASTHMA, and in WINTER COUGH, they have never been known to fail.

Keatings' Cough Lozenges are free from every deleterious ingredient, they may therefore be taken at all times by the most delicate female and by the youngest child; while the Public Speaker and the Professional Singer will find them invaluable in allaying the hoarseness and irritation incidental to vocal exertion, and consequently a powerful auxiliary in the production of vigorous exertion.

Prepared and sold in Boxes, and Tins of various sizes, by THOMAS KEATING, Chemist, &c., No. 79, St. Paul's Church Yard, London. Sold Retail by all Druggists and Patent Medicine Venders in the World.

N. B.—To prevent spurious imitations, please to observe that the words "KEATING'S COUGH LOZENGES" are engraved on the Government Stamp of each box, without which none are genuine.

IMPORTANT TESTIMONIAL.

Copy of a Letter from the late COLONEL HAWKER, (the well-known Author on "Guns and Shooting,")

Longparish House, near Whitchurch, Hants, October 21st, 1846.

Sir,—I cannot resist informing you of the extraordinary effect I have experienced by taking only a few of your LOZENGES. I had a cough for several weeks, that defied all that had been prescribed for me; and yet I got completely rid of it by taking about half a small box of your Lozenges, which I find are the only ones that relieve the cough without deranging the stomach or digestive organs.

I am, Sir, your humble servant,
P. HAWKER.

HOLLOWAYS OINTMENT.

ERYSIPELAS OF EIGHT YEARS DURATION CURED!

Copy of a Letter from George Sinclair, Esquire, of Paris, Canada, dated the 18th of July, 1854.

To Professor Holloway.

Sir,—I feel a pleasure and pride in bearing witness to the wonderful benefit I have derived by the use of your invaluable Ointment and Pills. For eight years I suffered unceasingly from attacks of erysipelas; large purple blotches came all over my body; in addition to the unpleasant feeling of itching and burning, which effected me both night and day, rendering life misery to me, as well as to all around,—so severe was the attack. I used several reputed remedies without deriving the least cessation to my misery. At last, I determined to try your Ointment and Pills; after taking them for a few weeks, a visible improvement took place, and I feel considerably better;—in three months, by continuing with your medicines, I was completely cured, and now enjoy the best of health. The truth of this statement is well known here, hence there is no necessity for me to request secrecy. I am, Sir, yours respectfully,

(Signed) GEO. SINCLAIR.

ULCERS IN THE LEG.—REMARKABLE CURE!

Copy of a Letter from Mr. Edward Tomkinson, of Cape Breton, Nova Scotia, dated the 4th May, 1854.

To Professor Holloway.

Sir,—My sister, Miss Jane Tomkinson, suffered for a great number of years from a bad leg; in which there were several deeply seated and old wounds, defying the skill of some of the most eminent of the faculty, a variety of remedies were also used unsuccessfully; and it seemed to me that there was at not any thing capable of mitigating the agonies she endured. At length she had recourse to your Ointment and Pills, and after using them for about five weeks, she was completely cured, after all other means had failed to afford her the slightest relief. I have no objection to these facts being published, if you feel disposed to make them known.

I remain, Sir, your most obedient servant,

(Signed) EDWD. TOMKINSON.

A BAD BREAST CURED WHEN AT DEATH'S DOOR!!

Copy of a Letter from Mr. Henry Malden, of Three Rivers, Canada West, dated July 9th, 1854.

To Professor Holloway.

Sir,—My wife suffered most severly after the birth of our last child with a bad breast. There were several holes in it, one as large as a hand; all the devices and strategems I tried would not heal them, but assumed an aspect more frightful than before, and horrible to behold. As a last resource I tried your Ointment and Pills, which she persevered with for seven weeks, at the expiration of that time her breast was almost well; by continuing with your remedies two more weeks, she was entirely cured, and we offer you our united thanks for the cure effected.

I remain, Sir, yours truly,

(Signed) HENRY MALDEN.

Mr. Stevens:

Dear Sir,—It is with pleasure I make known to you the opinion of myself and many others of the MELODEON purchased from you a few months ago. This instrument manufactured by Mason & Hamlin, has given the utmost satisfaction, both in Tone, Touch, and Power, and I do freely, and cheerfully admit it is the best I have ever seen. Since the introduction of this instrument in our Choir Practice we find a great improvement, thereby sustaining the Voice, and procuring a perfect Tone to every Note.

Dr. Noble's Invigorating Balm.

THIS admirable preparation is the most effectual remedy known for Baldness and falling off of the Hair, giving it a rich glossy appearance, unequalled by anything of the kind. It contains no alcohol or alkaline substance, (as all the washes do which are now used,) and will restore the natural colour after those articles have deprived the hair of
