To the Electors of the Federal Constituency of Carleton-Victoria:

Having been nominated by a Convention of the UNITED FARMERS OF NEW BRUNSWICK, which was held in Woodstock on September 2nd, to contest the coming by-election in the above constituency to fill the vacancy caused by the resignation of the Dominion Minister of Public Works, and as the Election is to be held on October 27th and the time being so short, it will be impossible for me to personally call on all the Electors in the two Counties, I, therefore, take this opportunity to state to you what the aims of the UNITED FARMERS are.

They are, in brief, as follows:

THE UNITED FARMERS are strictly independent of both the old Political Parties, and their representatives will be perfectly free to support any measure that is for the best interests of the Farmers of Canada, and just as free to oppose any measure that they feel is not in the interests of the Farmers.

And Canada, being an Agricultural Country, we believe that any legislation that is beneficial to Agriculture is indirectly beneficial to every citizen of Canada.

THE UNITED FARMERS also stand for PURITY in elections, as they believe that the lack of this is the starting point of all the Political Graft and Corruption which is so much in evidence in Canada today.

We would therefore appeal to every loyal citizen of Canada to support the FARMER'S PARTY, and to the Electors of Carleton-Victoria, to support me as the UNITED FARMERS' Candidate in the coming Bye-Election.

Yours sincerely,
T. W. CALDWELL.
