FREE OF ALL THREE DISEASES

"Fruit-a-tives" Brought Him Perfect Health

AVON, ONT., May 14th. 1913.

"I am younger since I have been taking "Fruit-a-tives". I was troubled very badly with Piles, Constipation and Stomach Disorder, but I found "Fruit-a-tives" was the panacea for the whole three.

Now I am free of all these diseases and enjoying perfect health, and able to work whenever I like. Five years ago, I started taking "Fruit-a-tives". I took two every night and they worked wonders for me.

No other medicine I could get was so good and I took lots of different remedies before I found out how good "Fruit-a-tives" were.

I keep "Fruit-a-tives" on hand all the time, and am never without them. I even take them with me when I go motoring, so I can have them handy. "Fruit-a-tives" are worthy of every good word I can say about them. The fact that they cured me of Piles, was something to be everlastingly thankful for"

Minard's Liniment Cures Distemper.

SCHOOL SAVINGS BANKS

Whatever be the fundamental cause of the "high cost of living," our national tendency to extravagance is certainly a contributory factor. In this connection it is interesting to note the efforts that are being put forth to encourage thrifty habits among school children.

The school savings bank system in Canada had its origin in Toronto and tary. It is incorporated under the "Penny Bank," as it is commonly called, is largely a philanthropic institution, as practically all the service in connection with it is voluntary. It is incorparated under the "Penny Bank Act" of 1404, the most important provisions of which are: (1) that 95 per cent of the deposits must be placed in a Government or Post Office Savings Bank; (2) that no depositor may have to his credit an amount exceeding $300; (4) that there must be a guarantee fund of at least $10,000, made up of cash or unpaid subscriptions, contributed by a Guarantee Company approved of by the Government; (5) that no director nor voluntary worker shall receive any remuneration for his services, and that no dividend shall be paid to the guarantors. The work of collecting the deposits and keeping the passbooks is performed by the teaching staff, in co-operation with some chartered bank.

Many instances are related by school teachers showing that the savings of boys and girls have been put to splendid use. During the depression in 1907-8, the bank accounts of many children, small though they were, saved the day for almost destitute families and there are not a few cases where the Penny Bank has proved the salvation of families in times of sickness. It has often given boys a start in life, which they otherwise would not have had, and has served to counteract vicious tendencies. It has been the enemy of the cheap candy store, where so many boys and girls acquire the habit of selfishly squandering their money. It has in short, been a splendid supplementary force in education.—January Conservation.

AT 60 ENJOYING PERFECT HEALTH

Because He Takes GIN PILLS

A prominent Consulting Engineer of New York City, thus heartily endorses GIN PILLS:

29 Broadway, New York.

"I bought some of your GIN PILLS at Victoria, B.C., last September. Your remedy I find, at 60 years of age, to give perfect relief from the Kidney and Bladder Troubles incident to one of my age. I urgently recommend GIN PILLS to friends as being the one thing that does me good." E. G. WOODFORD.

By the time a man or woman is 60, the Kidneys and Bladder need a little help to keep in good working order. GIN PILLS are what they need. GIN PILLS keep the urine neutral, prevent colds settling on the kidneys or bladder and ward off Rheumatic attacks.

Remember, every box of GIN PILLS is sold with a positive guarantee to give perfect satisfaction or your money promptly refunded.
