Masonic Meetings.

In July.

The following Lodges, etc., hold their regular monthly meetings in the Masonic hall at 8 o'clock in the evening as follows:

Wednesday, July 17th—Carleton Royal Arch Chapter.

Thursday, July 18th—Union Lodge of Portland, No. 10.

THE EXHIBITION.—The Treasury Board will recommend that a grant be made to the fall exhibition—possibly $3,000.

ORATORIO SOCIETY.—At 8 this evening there will be a special practice at the Oddfellows Hall, for the Carnival concert. All active members are requested to be present.

THE ANTOINETTE.—The barque Antoinette has been thoroughly repaired by Mr. John Ruddock and will be ready to load on Saturday. She will take a cargo of deals and timber for Liverpool.

A GREAT SUCCESS. The picnic held by St. Stepen's Sunday school at Eagle Rock yesterday was a great success. The attendance of the congregation was large and the children and young folks who attended had a splendid day in the country.

WEST INDIA SERVICE.—Mr. Samuel Schofield, according to the Telegraph, has no doubt that St. John will have direct steam communication with the West Indies in the near future; or, should the matter turn out otherwise, he feels that St. John will have been done a monstrous injustice.

WEDDING BELLS.—A very quiet wedding took place in the Church of St. John the Baptist yesterday, when George Lunday, of the firm Gurney & Lunday, was married to Miss Kate, daughter of John Dunlavey of this city. The bride was attended by her sister, while H J Doherty supported the groom. The many friends of both parties wish them a happy and prosperous life.

TROUBLE OVER A CONTRACT.—Work has been suspended on St. John the Baptist Church, Broad street, Lower Cove, on account of the architect refusing to accept the foundation wall as built by the contractors. He claims that the wall has not been built in accordance with the specifications. While the contractors claim that the wall is according to contract and a legal wall.

BARQUE WILMSLOE IN TROUBLE.—A despatch from Liverpool, N. S., states that the barque Wilmsloe put into that port yesterday leaking badly. The captain of the vessel is reported dangerously ill. The Wilmsloe is an iron vessel. She landed here a short time ago. Capt. Morrissy and Mr. A. Cowie left by the Montecello this morning to look after the vessel.

THE COUNTRY MARKET was quite well supplied with raspberries to-day. They sold at 25 to 30 cents a quarter pail, and 50 cents a half pail. Strawberries 18 cents a box. It is expected there will be plenty of native cabbage in next week. Good butter sells for 17 to 19 cts by thetub. California beans 40 cents per peck, potatoes 90 cents per basket.

KNIGHTS OF PYTHIAS.—The officers of New Brunswick lodge, Knights of Pythias, for term, commencing July 1st, are: C. C., E. R. Machum; V. C., F. S. Merrit; P. C., E. Leonard; P., James Moulsen; M. of F., J. E. Fraser; M. of E. Thomas Armstrong; H. of R. S., A. P. Barnhill; M. of A., George R. Day; trustees D. G. C., Wm. Robb; J. S. John Chamberlain, O. G., M. T. Kimball.

PROF. VALLANCE.—At the Institute tonight Prof. W. S. Vallance will give one of his interesting and clever recitals under the auspices of St. Andrew's Society, and all "brither Scots" should make a point of being present. The professor will recite Tam O'Shanter by special request. Miss Marion Vallance will also delight the audience by rendering some of the old Scotch songs in the specially taking manner for which she is noted.

SOCIABLE.—A sociable was held last night at the Fairville Baptist church. A number of the young people of the Germain Street Baptist church kindly lent their assistance in carrying out the programme. The Kingsville brass band was also present. The following programme was then delivered:—Music by the band, comb choruses by the young people of Germain Street Church, readings by W. Cross and G. King and solo by Miss E. Heffer. The Rev. Mr. Martell pastor of the church in behalf of the audience thanked those who had assisted them after which refreshments were served in the vestry of the church.

THE Y. M. C. A. CONVENTION to be held at Moncton, on the 15th of August, will consider the following subjects:—

1. The object and work of the Y. M. C. Associations.
   (a) The religious work—Bible study, prayer meetings, young men's meetings, etc.
   (b) The secular work — Reading rooms, libraries, lectures, gymnasiums, etc.
2. Hindrances in the work of our associations.
3. Helps to the work of our associations.
4. How can the efficiency of our spiritual work be increased.
5. A conversational discussion. Why did I come? What do I expect to get, and how shall I get it?

Delegates from all over the maritime provinces will be present.

A VETERAN OF 1812.—A list of veterans of the war 1812 shows that 85 are yet living, and of that number two reside in New Brunswick and one in Nova Scotia. The New Brunswickers are S. S. Chapman, of Studholm, and M. Girouard, of Buctouche. The Nova Scotian is H. McDonald, of Maliquant Cove. The late John Palmer, of Dorchester, was also a veteran of 1812, having taken part in the capture of Castine and surrounding district in Maine. Mr. Girouard, of Buctouche, is about 96 years of age, and is the grandfather of E. Girouard, of Moncton. He paid a visit to Moncton some months since. He is remarkably smart for his age and such a small matter as a walk of 10 or 15 miles does not trouble him in the least. He has lived in Buctouche all his life and was enlisted in a regular regiment just before the commencement of the war of 1812 by the recruiting officer from Fredericton. Mr. Girouard has been receiving a small pension of $40 a year from the Dominion Government for abont ten years past.—Transcript.

The Lansdowne Theatre.

"The Colleen Bawn" at the Lansdowne theatre last night was beyond all doubt, not only the best played but it was the best staged presentation of this great Drama ever seen in this city, taking all details into account. The special scenery prepared by Artist Wm. Gill was a delight and when the cave scene opened up the immense audience marked its pleasure by an outburst of spontaneous applause. Words of praise, of merited praise, were heard on all sides and Mr. Gill has scored another grand success.

The cast of characters was excellent and each one in the cast sustained his or her part in such a manner as to delight every one present.

Miss Haswell as Eily O'Connor was as nice an interpretation and as sweet a "Colleen" as could be seen anywhere, and as THE GAZETTE had occasion to remark before this lady possesses a very musical voice, she received as she well deserved, an energetic encore for her song, "The pretty girl milkin' her cow." Her articulation could not be improved upon, every word of the song being heard distinctly and she sung it, as it should be sung, in all its original simplicity.

Miss Hampton as Ann Chute was truly good, and she captivated all hearts by her dash and spirit, while Miss Hunter's personation of Mrs. Cregan was dignified and intense beyond any former interpretation. This lady always plays her characters very faithfully and well, and her acting is a decided feature in the company's work. Mrs. Jamieson, as Sheelah, was the devoted, ready-witted, humble Irish mother to the life. The other ladies acted their several parts satisfactorily. Hardress Cregan, by Mr. Franley, was one of this gentleman's best parts and he was particularly strong in his scene with Danny when that party proposes to put the Colleen Bawn out of the way. He looked and acted as though it was reality with him. Mr. Whipple as Mr. Corrigan surpassed any of his previous efforts and rendered this part in a manner very different and very superior to its general interpretation. Mr. Sterner as Danny Mann was very good indeed, and not only delighted but surprised all who had not seen this clever young actor in Uriah Hep.

Mr. Bunny was Myles-na-Coppaleen and this gentlemen played the part of the rollicking Irish lad so acceptably that he has strengthened himself as one of the favorites of the St. John theatre goers. He sang "The Shamrock" so well that he was encored, but when he leaped from the rock into the lake to rescue the Colleen Bawn-taking a regular header and supports her in his arms, the applause was unbounded and was prolonged until he and and Eily appeared before the curtain, when, as he appeared dripping like a river God, and evidently enjoying his dive, rounds upon rounds of applause burst forth. Mr. Sterner too was called for, but that gentlemen had retired to his dressing room and could not respond to the compliment.

Mr. McDowell to whose energy and enterprise the superior presentation of this play is due, has every reason for congratulation. He has made it a grand success and its continuance will be met with crowded houses.

"The Colleen Bawn" will be the bill tonight again.

The Summer Carnival.

A meeting of the parades committee was held last evening, at which some special arrangements were made.

Alexander Temple of Honor met last evening and made final arrangements for their part in the temperance parade.

The temperance committee will meet to-morrow evening.

The reception committee met this afternoon to complete their arrangements. They are preparing to provide lodgings for all visitors to this city who are not already located. Posters have been distributed about the city asking that the citizens assist in providing accommodation for these visitors.

Sunday morning a party numbering 500 will arrive by special boat from Boston. These have made application to the reception committee for lodgings.

The N. B. Railway will issue excursion tickets to St. John on Monday Tuesday and Wednesday, the 22nd., 23rd and 24th inst., good to return up to July 29th at the following rates:

Westfield	$0 75
Hoyt	$1 50

And for stations north of Woodstock at one (limited) fare for the round trip.

The above rates include admission to the Exhibition.

The Maine Central and N.B. Railways will issue on the 20th, 21st 22nd insts, tickets to St. John, good to July 29th at the following rates:

From Portland, Brunswick, Bath, Auburn and Lewiston, $8; Gardiner, $7; Hallowell and Augusta, $6.75; Skowhegan $6.50; Waterville, Belfast, Dexter, Ellsworth and Bar Harbor, $6; Bangor, Orono and Oldtown, $5, Lincoln, Winn, Mattawamkeag, Kingman and Forest, $4.

One night during Carnival week, the I C R depot will be illuminated. It will likely present a fine appearance.

At the meeting held last evening at T. H. Hall's bookstore the bicyclists decided to join in the Carnival parade. About fifty will participate. Another meeting will be held to-morrow evening.

A large quantity of electrical goods are expected to arrive this afternoon by the American boat.

Throwing Cold Water on the Carnival.

Within the past two or three days some unwarranted and unnecessary criticism has been levelled at the carnival by two of the daily papers. These attempts to throw cold water on the efforts of the citizens to make the carnival a success has in one instance been promptly met by the Electric exhibition committee in the following letter.

TO THE EDITOR OF THE GAZETTE.

SIR:—We find it currently reported that the exhibitors at the electric exhibition are to receive the profits accruing from the sale of tickets.

As members of the committee having the exhibition in charge, in justice to the exhibitors, the citizens and committee we wish to make the following statement:—

The exhibitors receive nothing. They have incurred great expense. In busy times, and when their facilities have been taxed to the utmost, they have cheerfully provided large, expensive and well assorted exhibits from all parts of the dominion and United States in order to insure the success of our exhibition. For this we are most thankful, and it is un fair to them and to our citizens and committee not to give them credit for their kindness and generosity. The only advantage they reap is in the form of advertising their goods.

Whatever profit there may be after paying expenses will be handed to the Carnival committee to assist in defraying the expense of the Carnival, so that each person who buys a ticket simply becomes a subscriber to the Carnival fund to that amount.

THEY DON'T LIKE WORK.

The victory yesterday for the St. John A. A. C. team was worse than a defeat by a decent team. The Baths had better go back home, or if they want to continue their tour why don't they play ball? Yesterday they gave up all hopes of winning from the start, and did their work with such little energy as to make the few spectators that were present thoroughly disgusted. The score was 21 to 9.

SHAMROCKS WIN AGAIN.

At the Shamrocks' grounds the Portlands were again defeatad by the home team, score 12—11. Both pitchers, Kelly and Cunningham were batted freely, but the fielding was fair on both sides, and the score held down in a measure, as it would otherwise been larger. The score by innings was:

Shamrocks	1 1 6 2 0 0 2 0 x—12
Portlands	0 4 1 0 0 2 0 4 0—11

Base hits—Shamrocks 11, Portlands 13,
Errors—Shamrocks 12, Portlands 12.
Umpire—James Christie.

WILL BE HERE IN AUGUST.

The Lewiston base ball club will start on a tour through the provinces about the first of August, and we can assure the base ballists of Canada, says the Journal, that no Maine club with which they have played, thus far, could have given them a better game than the Lewistons can. It is the strongest team that Lewiston ever had, having won sixteen out of twenty-one games played this season, polishing off this record with four consecutive victories from the Augusta club. It is generally believed by the base ball experts of Maine that the Lewistons are the strongest ball nine in Maine at present, and the Lewistons are ready to back up this claim in a game with any club. They expect to visit St. John, Halifax, Moncton and Fredericton, besides Houlton and Bangor, and we predict that they will add to their laurels.—

SLIGHTLY OFF.

A despatch from St. John to the Bangor Commercial says of the base ball games here Tuesday:—The Baths dropped to the A. A. C.—score 20 to 9. The Shamrocks followed suit to the Portland—score 15 to 8.

Whoever their correspondent is, he was a little off that day. The Shamrocks won the game in eleven innings—score 16 to 45.

AROUND THE BASES.

The Portlands left home for last evening.

The Baths play at Halifax to-day and to-morrow.

The Shamrocks go to Fredericton Friday 19th inst.

The St. John A. A. C. team play in Bangor on Saturday.

Small and Rogers will be the battery. Parsons plays second.

Manager Toole of the Bangors may sign Ladd who played here with the Portlands.

Tuesday the Bangors defeated the Walthams by a score of 11 to 5.

The Augustas play in Bangor Saturday week.

Cricket.

GRAND BATTING.

The Wanderers defeated the Navy in a one-day-match at Halifax yesterday. The Navy were disposed of for 85 runs. Kaizer and Taylor then went in for the Wanderers, and neither was when time was called, the former making 125 and the latter 111 runs, which with 16 extras, gave a total of 252.

PHILADELPHIANS DEFEATED.

LONDON, July 17. The Philadelphia cricketers in their match with the Gentlemen of Gloucester, made 183 runs in their first and 249 in the second inning. The Gentlemen of Gloucester succeeded in putting together 311 runs in their first, and won the game in the second with eight wickets to spare.

The Rifle.

CANADIANS AT WIMBLEDON.

LONDON, July 17. At today's shooting contest at Wimbledon the Canadian team won the rajah of Kolapore's cup by three points.

The Canadians won the colonial prize £180, awarded to the team exclusive of the home team, which makes the highest aggregate score in the competition for Kolapore.

Lacrosse.

TO PLAY FRIDAY.

At a joint meeting of the Beavers and Y. M. C. As. held last evening it was decided to play the match between these two clubs on Friday the 20th inst, at the Shamrocks' grounds. The game will prove most interesting as the team are well matched, and a keen rivalry exists between them.

Brevities.

The Fusiliers and Artilery have a full dress parade at the Barracks square this evening.

A horse has been purchased from Geo. Lavers for the fire department,

Today is pay day on the Central railway. The ballasting of the road is going forward rapidly.

Repairs on the ship Joseph have been completed by James Stackhouse and the vessel has come off the blocks.

A temperance mass meeting will be held in St. Phillips church this evening, when addresses will be delivered by prominent temperance workers in the city.

Those who investigate for excellence and unexampled beauty in photographic art, should call at Climo's, 85 Germain street.

A Bad Sidewalk.

TO THE EDITOR OF THE GAZETTE.

SIR:—The attention of the Common Council and specially of the Alderman for Queens is called to the disgraceful condition of the sidewalk on the north side of Duke street between Carleton and Wentworth streets. I challenge successful contradiction when I state that it is now the roughest in the city. Believing that it is only necessary to draw attention to the fact to have it seen to at once and thanking you for inserting this I remain.

Both Legs Cut Off.

BANGOR, Me., July 16.—A terrible accident happened to John Ryan in the Maine Central yard about 10 o'clock tonight. While intoxicated he laid down on the track, and a freight train passed over his legs almost severing them both below the knees. He was removed to a house near by, and physicians amputated both legs. There is very little chance of his recovery. His home is in Chatham, N. B.

MANCHESTER, ROBERTSON & ALLISON,

The temple of the sun at "Tadmor" in the wilderness has fallen; but the traveller slakes his thirst at Jacob's well, a striking illustration of the survival of the fittest. Just here it can be said that our IDEAL SOAP still pursues the even tenor of its way, while other brands which have had a short run have fallen into ruins, and the survival of the fittest is sure to succeed.

THIRD WEEK

Of the Great Auction Sale of C. & J. ALLEN'S grand stock of Diamonds, Watches, Jewellery, Silverware, Art Goods, &c. &c., at the

SHEFFIELD HOUSE, MARKET SQUARE.

SALES EVERY DAY AND EVENING AT 3 AND 8 P. M.

The large salesroom proves too small to accommodate the thousands who attend the sales, and the interest is increasing daily. WHY! Because straight and honest business must tell, and it has told. The sale is bona fide and the people know it. The stock is the largest and finest in Canada, and all goods are GUARANTEED as REPRESENTED, and more than all, the great bargains given the public during the 37 SALES already, (all of which have been attended by the elite of the city) have convinced the most skeptical that goods are really being sold at buyers own prices. The sales this week will be held at 3 and 8 p. m. only, as we find it impossible to continue the morning sales and keep up with the packing and delivery of goods.

C. & J. ALLEN,

RETIRING FROM BUSINESS.
