IRON FOR STRENGTH

You need iron in the blood! Every healthy man or woman should have about as much iron in his or her body as there is in an ordinary railroad spike. To gain this iron, the best way is to take Tonal-Iron Capsules, a combination of iron in its most soluble form, recently discovered, and now having a marvelous sale. Tonal-Iron Capsules are a form of iron readily taken up by the blood. The blood cells get round, rich red in color, the cheeks are pink, the appetite improves, and one feels full of "snap" —"pep"—"vigor"—instead of tired before the day is half done. The eyes take on a lustre and the body feels that tingle which one gets from a cold bath.

For sale and guaranteed by all good druggists, or sent by mail on receipt of $1. Tonal-Iron Laboratories, Box 184, London, Ont. zxv

"IN THE PUBLIC EYE"
BY Brown Optical Co.

If the letters on a printed page blur or seem to run into each other, an eye examination at the hands of a skilled optometrist is imperative. We will give your vision a thorough test and tell you whether you are near or far sighted or both or if because of an imperfection of the cornea an astigmatism has set in. Our service is eminently satisfactory.

FUN AND ACTION IN DOROTHY GISH'S NEW PLAY, "NUGGET NELL"

Humor of Lively Little Star Is Irresistible in Photoplay at Majestic.

Dorothy Gish invariably is delightful in any screen characterization, but in "Nugget Nell," her latest Paramount picture which is being shown at the Majestic Theatre for the last time today, she is irresistible. This is a humorous travesty upon the wild and movie West which all alike will enjoy for its kindly satirical qualities. Miss Gish has a role which she handles with all the chic that won her fame in previous screen productions. She is well supported by capable players and in every respect "Nugget Nell" is vastly enjoyable.

BIG BLACKTON PRODUCTION AT THE MAJESTIC.

"A House Divided," which will be shown at the Majestic on Thursday, Friday and Saturday, was adapted by Anthony P. Kelly from Ruth Holt Boucicault's novel "The Substance of His House."

In "A House Divided" Sylvia Breamer and Herbert Rawlinson, the Blackton co-stars, have the leading roles, with Mr. Grossmith promising to give them a close race for stellar honors. Lieutenant Grossmith is an Englishman, born in London, where much of the action of "A House Divided" takes place. He is a son of George Grossmith, actor and entertainer, a nephew of Weedon Grossmith, and brother of George Grossmith, Jun., all well-known in the theatrical world of England, America and Canada. Associated with the leading players in "A House Divided" are the Blackton "kiddies," William Humphrey, Eric Mayne, Callie Crute, Marie Burke and Shirley Huxley.

An extra added attraction will be Montgomery Flagg's new satirical comedy "The Con in Economy; or the Follies of a Midnight Frolic."

GLADYS BROCKWELL IN BIG PHOTODRAMA AT THE PATRICIA

"The Divorce Trap" Showing For the Last Time Today.

Have you a bad temper?

If you have, and are married, you had better not live in Florida or Kentucky, or the divorce courts may get you. In these two states a bad temper is considered valid ground on which to annul a marriage.

"The Divorce Trap," the William Fox photoplay at the Patricia Theatre, will be shown today for the last time. It is a sure cure for bad temper. Gladys Brockwell has charmed audiences for the past week by her wonderful portrayal of the heroine.

ALICE BRADY IN "THE INDESTRUCTIBLE WIFE" AT THE GRAND TODAY

Feature Program Includes Vaudeville and Comedy Film.

"The Indestructible Wife," the newest Alice Brady feature, which will be shown at the Grand again today, is a comedy of rare fascination, which should not be missed by anyone. The story deals with Charlotte Ordway and her husband, Jimmy, who have just returned from their honeymoon. Charlotte is as fresh as a daisy, while her husband is completely exhausted from the endless round of strenuous athletic activities in which he has been forced to participate in order to keep up with his tireless wife. Jimmy decides that something must be done to tire out his wife. He meets Brandy, a professional athlete, and an old friend of his. In him he sees just the man to tire her out. Brandy monopolizes Charlotte, and Jimmy, left alone, starts a flirtation with Julia Cleves. Brandy tells Charlotte of the growing intimacy he has noticed between her husband and Julia, and suggests that she secure a divorce and marry him. Charlotte does not believe it until she sees Jimmy and Julia together. Jim loves Charlotte more than ever, but realizes that he has forfeited her respect. He decides to tame her as Petruchio did the Shrew. He kidnaps her and makes her a prisoner in a boathouse with him as her only companion. Charlotte rather enjoys the situation. Brandy tries to deliver her. He insults her and Charlotte throws him down the stairs. Jimmy sees Brandy descend to earth and is once more made happy.

In vaudeville on this bill today, Mme. Pozor, soprano, and Ernest Light, tenor, at the piano, present a refined offering, consisting of songs and piano selections.

SIX FIREMEN ESCAPE DEATH WHEN FIRE TRUCK HITS CURB

Speeding to Blaze, Motor Skids on Pavement and Is Badly Damaged.

Six firemen on Number 2 motor truck narrowly escaped death last night, when the truck skidded on the pavement at the corner of Adelaide and Simcoe streets and struck the curbing, smashing a front wheel, bending the axle and doing other minor damages while responding to a call at Forristall's cooper shop on Simcoe street.

The accident was unavoidable, and only for the quick action of Fireman George Milliken, who was driving the truck more serious damage might have resulted.

The fire at the cooper shop started in a shaving shed from a spark from the company's boiler, but only minor damage was done.

Owing to the accident to the fire truck it will be out of commission for at least a week, as repairs have to be sent from Toronto.

This accident adds another one to the already long list of smashups which have occurred to the city's fire trucks. Two have been completely demolished on account of railroad accidents on level crossings, while others have skidded on the pavements and done minor damage.

Firemen report that many times they have narrowly missed trains, while on level crossings and because of the high speed and power of the machine, the level crossings have to be closely watched by the drivers as they are approaching.

Number 1 truck stationed at the east end hall is the only truck that has not been damaged to any great extent. It is now the oldest truck in the service.

RESULTS OF ENTRANCE EXAMINATIONS TO MODEL AND THE NORMAL SCHOOL

The candidates named below, under counties, have passed the lower school examination for entrance into the normal schools and faculties of education. In addition to the above they require to pass the middle school examination before they can be admitted to the normal schools, and the upper school examination before they can be admitted to the faculties of education. Those who have already passed either of these examinations are reminded that the normal schools open on Tuesday, September 16, at 9 a.m., and that application therefor must be made to the deputy minister of education not later than Wednesday, August 20. Application should be made at an early date. If applicants will state clearly on the forms when and where they passed the lower and middle school examinations for entrance into Normal School, they need not delay mailing such applications on account of not having received their certificates. For information concerning the faculties of education, applicants are referred to the registrar of the University of Toronto or of Queen's University, Kingston.

The answer papers of each candidate whose marks would appear to justify an appeal have been already re-read by the appeal examiners. Where such a candidate has still failed, the statement of marks will be stamped as re-read and no further appeal will be allowed. In all other cases of failure appeals will not be refused if made before September 1, and accompanied by the fee of $2. If made after September 1, the fee is $5. No appeal received after September 10 will be entertained.

Certificates and statements of the marks obtained by unsuccessful candidates are in the course of preparation, and will be mailed in due course to the principals, to whom all candidates are referred for further information.

The total number of successful candidates at the lower school examination this year is 2,514, compared with 1,492 in 1918, an increase of 1,022, or 68.9 per cent.

This year 56.8 per cent of those who wrote were successful as against 44.3 per cent last year.
