CANADIAN YACHT WINS AT CHICAGO

Chicago, Aug. 12.—Patricia, the Canadian challenger for the Richardson trophy emblematic of the sailing yacht championship of the Great Lakes, today won the second race of the series of five with Michicago, the American thirty foot sloop. Each yacht now has one race to its credit, Michicago having been the victor Saturday. The race was three laps around a triangle of about four and a half miles. Patricia was better handled and crossed the finish line in 3.24. 20. Michicago's time was 3.26. 54. While the yacht race was being sailed the hydroplane, Baby Reliance, the entry of Commodore Stewart Blackton, of the motor boat club of America in the coming free-for-all motor boat championship race, sank during a trial spin. Baby Reliance was raised but will be out of the race.

Commodore Blackton has sent to Algonac, Mich., for Baby Reliance II, a 20 foot hydroplane, and for Baby Reliance II, which in an unofficial trial at Davenport Iowa, last month, showed a speed of 53.7 miles an hour. These hydroplanes will reach here in time to compete Wednesday in the free-for-all race.

TY COBB HELD UP AND STABBED; NARROW ESCAPE FROM DEATH

TY COBB.

Syracuse, N. Y., Aug. 12.—Ty Cobb was attacked and stabbed in the back by three unknown men in Detroit early today while on his way to the train which was to bring him and the team to this city for an exhibition game, this afternoon. Cobb's agility saved him from serious injury and possibly death. Cobb was driving in his automobile to the station accompanied by his wife, when three assailants appeared behind a wooden building at the corner of Trumbull and Bagg streets, and ordered the car to be stopped. The men were partly under the influence of liquor and when the machine came to a stop, Cobb jumped from the machine and began to argue with the men. The trio then demanded money from the ball player and with the demand all three made a lunge at Cobb. Cobb attacked the trio and then there began a battle royal. One man was knocked down with a blow on the chin and then one of the others saw that they were up against an athlete and began to run, while the third one grabbed Cobb around the neck and the pair went into a clinch. While the pair were wrestling about, the thug pulled a knife and inflicted a wound in Cobb's back. Cobb finally shook off the assailant before he could cause any further damage. Cobb was treated here today. Two stitches had to be taken.

Syracuse, N. Y., Aug. 12.—Ty Cobb, the Detroit outfielder, who was attacked by a gang of ruffians in Detroit played an exhibition game here this afternoon. Cobb said this afternoon that the wound was little more than a scratch on his shoulder and would not in any way hamper his playing. He left with the team tonight and will play in the New York series.

CAN NEW YORK WIN PENNANT WITHOUT SOME CROOKED WORK?

Chicago, Aug. 12.—In a statement issued today, Charles W. Murphy, President of the Chicago Club in the National League, charged that the New York team would not win the National League pennant, "without undue assistance from other teams."

The statement was issued in regard to a despatch sent from New York Saturday, which stated that Roger Bresnahan, manager of the St. Louis Club, in the National League, was interested in a World's tour planned for the New York Club, provided the Giants won the championship. In his statement Mr. Murphy says in part:—"I am surprised to see Bresnahan's name connected with such an enterprise. It looked at first like a simple and harmless plan to pick up a little easy money, and so far as I know there has been no opposition to it.

"But when they incorporate, becoming a stock selling possibility, and use the name of such men as Bresnahan manager of a team that can help us or hurt us a whole lot in the present pennant race—the matter takes an entirely different aspect.

"As a matter of fact, the Giants have not won the race, and I don't think they will win it—without the undue assistance from other teams.

"I want to see the Cardinals play the game against the Giants, and play it right up to the hilt. I can hardly believe that Bresnahan would allow himself to be drawn into a financial scheme whose success might depend entirely on his own team losing, and a rival team winning. It is contrary to all traditions of baseball.

"The race in the National League must be won out strictly on its merit. Not even a suspicion can be permitted to creep into the situation right now."

HOULTON AND GREEKS TODAY 3.15 O'CLOCK

The recent bad weather has prevented the baseball fans from witnessing any games here for a week, but it is hoped that it will be fine enough today when the lovers of good ball will have a chance to see the Marathons and the Houlton team play a game on the Marathon grounds.

The Houlton team was never stronger since it was organized than it is now, and they will try hard to win from the locals. The Greeks, however, have a great deal more confidence since they shut out the Fredericton league leaders in two games last week, and they are determined to go after the Maine boys from the very start today, and will try hard to keep up their winning streak.

Steve White or George Winter will do the pitching for the Marathons, and O'Keefe, a new infielder, who has arrived in the city, will be seen on the diamond here for the first time, and will play at shortstop position. He is rated as an exceptionally fast ball player, and he will be given his first tryout on the local diamond this afternoon.

A new pitcher named O'Connor, is expected to arrive in the city this morning and it is anticipated he will prove a great addition to the club.

The Marathons were never as strong a team as they are at the present time, and their followers are hoping to see them put one over on the Reds today. If they continue to win they will gradually crawl from the cellar position to the top of the league standing.

The fact that they defeated the leaders of the league two straight games last week looks good to the followers of the game, and it is to be hoped that they have shaken their hoodoo and have got down to the real work.

THE GIANTS ARE CLOSE TO THE TOP

With the exception of Ed. Warner, who has 1000, having won the only game he has been responsible for, for the Pirates, the leading boxmen of the National league represent the two New York and Chicago teams.

Marquard, Mathewson and Crandall are right at the top while Richie, Reulbach, Cheney and Leifield all have records that pay tribute to good form. Leifield has the best record of all the men, but has worked in far fewer games than has Marquard.

In the following records of the National league pitchers to date, the number of games in which each pitcher has taken part, whether for a small portion of an inning, or for an entire game is given, together with the games won and lost by each man, and his percentage reckoned on the games he is either charged with losing or credited with winning.

Judge:—A scientist informs us that man's make-up contains at least seventy-five per cent. of water. This will come with a terrible sense of shock to some of our good friends down in Kentucky.

AMERICAN BATTING AVERAGES

Joe Jackson was the big man of the week in American league batting circles, and so often did Joseph find the ball in the seven days of play that he has again become a formidable contender for Tris Speaker's second place honors.

In 32 times at bat last week, the Cleveland slugger made 20 hits, his average for the week being .625 and his mark for the season going up 21 points, or from .367 to .388 in a single week. Joe's hits were often of the hard kind, too, four two baggers and two three baggers being mixed in with 14 singles.

Ty Cobb of Detroit, was not feeling very well last week, and when the Red Sox pitchers got through with him in the first two games of the series, on Thursday and Friday, Tyrus felt still worse and kept out of the game Saturday. In 20 times at bat last week Cobb made only six hits, batting for an average of .300 and lowering his season's average from .429 to .423.

Tris Speaker, of the Red Sox, increased his average from .391 to .395, getting 13 hits at Cleveland and Detroit.

A retailer, the other day said to another:

"How in the name of common sense do you handle all your work with but one bookkeeper?"

"I have a Burroughs," was the reply. "For a long time I thought I had no use for it, but now I know I paid for one two years before I actually got it."

Nearly 100,000 retailers are paying for one now, but they haven't the machines.

Let us prove it—no cost or obligation.
