SOME CHANGES AT QUEEN'S

The Trustees of the Old University Had a Lengthy Session on Thursday Night

RESIGNATION OF PROF GLOVER.

Prof. Watson Appointed Vice-Principal and John Marshall, Professor of English.

Kingston, Ont., May 3.—The trustees of Queen's University held lengthy sessions last night and this morning. They sat till after 1 o'clock this morning, and met again at half-past 9 o'clock. Rev. Dr. Milligan and Justice Maclennan, Toronto; Rev. Dr. Campbell, Perth; F. H. Chrysler and R. Roberts Allen, Ottawa, and E. W. Rathbun, Deseronto, were re-elected to the board for four years. Justice Maclennan was re-elected chairman.

Prof. Glover's resignation was accepted, to take effect on Oct. 1 next. Nothing was done regarding the filling of the vacancy. Several very important changes and additions were made in the staff. It was decided to advertise for an additional professor in modern languages, as Prof. Macgillivray's work is far too heavy. Prof. Dyde was appointed lecturer in German classic literature. The librarian will be given an assistant, and fellows in biology and Orientals will be appointed. Rev. John Sharp was permanently appointed fellow in philosophy.

Important Appointments.

Two important appointments were those of Prof. Watson as vice-principal, and John Marshall, M.A., as assistant professor of English. There has been no vice-principal since the death of the late Rev. Prof. Williamson in 1895. The appointment of Mr. Marshall came as a surprise to his friends, and even he himself was unaware of it until after it was made. Mr. Marshall graduated as M.A. at Queen's in 1889, with honors in philosophy and English. Since then he has had much experience in newspaper work and teaching, at present being English master at the Kingston Collegiate Institute. He is an English scholar, and fully qualified to fill the position to which he has been appointed.

The trustees discussed the proposed heating plant, but referred the matter to the Finance Committee with power to act.

Bidding Up at Aqueduct.

In the Far Rockaway Stakes at Aqueduct on closing day Sadducee, who two years ago was one of the crack youngsters of the season, won in a drive by a short head, and established a new track record for the short seven-furlong distance. Sadducee's performance was excellent, as he is badly affected in his wind. His extreme speed and high class enabled him to overcome the infirmities of nature, and last long enough to win by a short head. Sadducee, because of his affliction, was entered to be sold for $800. When offered for sale, Fred Bellew, trainer of Himself, who finished third, bid Sadducee up to $2500. Owner Aste retained Sadducee by bidding $5 additional. Newton Bennington, the owner of Himself, then claimed Trumpet. The latter was entered to be sold for $1000. This sum, plus the value of the stakes, $1210, was paid. Thus was taken away the last good horse M. F. Dwyer owned. Trumpet was returned later to his old owner. The agreement that brought this transaction about was the transfer of Trumpet's share of the $852.50 surplus from the bid-up of Sadducee to the account of Newton Bennington.

American Cyclist Won.

Bordeaux, May 3.—America's representative cyclist, Major Taylor (colored), continuing a series of victories in Belgium and France, won this afternoon the international cycling race over a course of 1000 metres in 3 minutes and 41 seconds. The contest had been postponed from last evening, when it was to have been brought off under electric light. At the last moment the light failed, and the enormous crowd, greatly disappointed, smashed the railings and seats, piled them in a heap and made a bonfire of them. The police finally quelled the disorder and the gate money was returned. To-day's affair passed off in orderly fashion.

Court Senefelders At Home.

Court Senefelder, No. 1500, I.O.F., held their second annual at home last night in the Temple Building. This court is principally composed of the members of the Toronto Lithographing Co., and is one of the most prosperous branches of the order. The at home, which was a pronounced success, was participated in by nearly 250 persons, including a number of officers of the Supreme Court. The first part of the evening was devoted to a program of music. Those who contributed were Miss Hattie Morell, Miss Grace Langlois, Miss Fax and Messrs. J. H. Young, George Bullock, James Fax and Miss Susie and Master Frank Clegg. Chief Ranger Bro. A. A. Adams presided, and the concert was heartily enjoyed. After the musical program dancing was indulged in to the strains of Glonna's orchestra. At midnight a delightful supper was partaken of in the buffet, the tables being prettily decorated. The following composed the At Home Committee: Messrs. A. A. Adams, J. Irving, C. Likens, J. Young, J. Smith and F. Baker.

The dancing program and menu card for the occasion were neatly gotten up, having been designed by several members of the court.

STRUCK BED POST.

Mr. and Mrs. Orlando Fordyce of Yarmouth Had a Close Call.

Union, May 3.—During the violent storm of rain and electricity last night, the new residence of Orlando Fordyce, Sparta-road, was struck by lightning. The verandah posts were splintered. The electric current struck the bed post, wherein Mr. and Mrs. Fordyce slept. Luckily, they escaped injury.

Says Martha Slugged Him.

John Noonan, a laborer, 50 years of age, who lives at 90 West Richmond-street, is a patient in the Emergency Hospital, suffering from a severe scalp wound and a fracture of the frontal bone. Noonan says he received the injuries at the hands of Martha Young, a York-street frequenter, who, it is stated, used a beer bottle. Shortly before 12 o'clock last night the two people engaged in a quarrel and they came to blows. In the struggle Noonan claims the woman struck him with the bottle. Noonan is badly used up.
