### MR. LEWTHWAITE TRANSFERRED TO WATFORD

(Mitchell Advocate)

Mr. E. E. Lewthwaite, manager of the Bank of Montreal, Mitchell, for the past six years, has been transferred to Watford. Mr. Lewthwaite has been one of the most courteous and obliging members of the bank staff that the people of Mitchell and community have had to deal with and his departure will be deeply regretted. He has always given his service most willingly in the activities of the life of the town and has held office in local sports organizations, social societies and fraternal organizations. Both Mr. and Mrs. Lewhtwaite and their little son and daughter have endeared themselves on the lives of Mitchell citizens and the best wishes of a host of friends will follow them to their new home in Watford.

Citizens are not going to let this esteemed family leave town without first making an effort to retain them and in that behalf a joint meeting of the town council and Board of Trade was held and passed a resolution asking the management of the Bank of Montreal to reconsider the matter and if at all possible to leave Mr. Lewthwaite here. Up to the time the Advocate goes to press no answer has been received in reply to the request.
