BRIEF LOCALS.

Gleanings of City and Provincial News in a Condensed Form.

From Friday's Daily.

—The capital stock of the Comparative Synoptical Chart Company has been increased to $150,000.

—The Canadian Mining Syndicate, of Huddersfield, England, has been licensed as an extra provincial company. The capital stock is placed at £50,000.

—The officers and crew of H.M.S. Pheasant leave for England on Saturday night, making the trip to Halifax by the C.P.R. Mrs. Shipster, wife of Lieut. Shipster, accompanied her husband. The Pheasant will be tied up until her new crew arrives.

—From local fanciers alone 150 entries have been received for the Victoria Kennel Club's show. This number will be greatly increased when entries are received from the outside cities. There is no doubt but that the show will be the best ever held in the northwest, and at least equal to the big San Francisco shows.

—The funeral of the late W. J. Miller took place this afternoon from his parents' residence at Victoria West. The funeral services were conducted both at the residence and at the cemetery by Rev. W. D. Barber, assisted by Rev. Donald Macrae. The pallbearers were: John Harper, Joseph Brennan, J. Retan, J. Elligood, H. Nixon and H. Harper.

—Tenders will be received by the naval storekeeper until noon on Monday, the 25th inst., for supplying such quantities of fresh beef, vegetables, soft bread and fresh water as may be required by her H. M. ships lying at Vancouver; also for supplying the ships when they are at Comox with fresh beef, vegetables and soft bread for 12 months from November 1st.

—The older Indians are beginning to learn that it is a much more serious offence to be caught with a bottle of liquor in their possession than it is to be howling drunk. This morning Sergt. Hawton and Constable Cameron espied a drunken Indian and started after him. The Indian made a run for it, and seeing that he was about to be overtaken, broke a bottle of gin which he had on a rock.

—As the result of negotiations between Dr. Milne, the principal shareholder in the Vancouver Gas Company, and Mr. William McKenzie, of Toronto, it is probable that in a day or two the latter gentleman will acquire a controlling interest in that enterprise. The prospective purchaser has come to the conclusion that the property possesses the elements requisite to make it a profitable investment. Mr. McKenzie and associates own the Winnipeg gas works and he is therefore, well informed as to such enterprises.

—The Quartz Creek Water Supply Co., Ltd., have made application before Mr. Justice Walkem under the Water Clauses Act asking for the grant of 100 inches of water from Quartz creek for the purpose of supplying water to the town of Ymir. Mr. H. D. Helmcken is acting on behalf of the company. The hearing is set for November 8th, as by the provisions of the Water Clauses act the application must be advertised to give time for anyone who may have an objection against the granting of the petition to appear when the case is heard.
