THE return of Jack Frost has caused a temporary suspension of marsh melodies.

A COUPLE of clothes lines in the west ward were stripped one night last week by sneak thieves.

THE interior of the G. W. R. depot has been improved by the application of the whitewash brush.

The sheriff has taken possession of the grocery stock lately purchased by Mr. Amey from Mr. J. G. Tremain.

MAIN and Wallace streets have been cleaned, which is a decided improvement to these thoroughfares.

THE Ontario Conference of the Methodist Episcopal Church is in session at Ridgetown. About 140 delegates are present.

REV. DR. AYLESWORTH lectured on "the end of the world" in the M. E. Church on Tuesday evening.

MR. W. E. BINNING, contractor, of this town, has secured the contract for putting a new front in the Mansion House, Palmerston.

THE Queen's Birthday—what are you going to do about it? is the question which begins to agitate the mind of ye loyal citizen.

WE are pleased to see that our townsman, Mr. W. M. Climie, who had the misfortune to break his leg a short time ago, is able to be about again.

Prof. Sharples, of Philadelphia, says the new comet will be visible to the naked eye in about two weeks, just after midnight, and remain in sight until dawn. The comet is a large one. The comet of 1812 will probably follow this.

MR. GEO. DRAPER, of the Ontario House, has opened out a full assortment of spring millinery. He has engaged an experienced milliner from the city to look after this department. Look out for his new announcement next week.

MR. LEWIS BOLTON, P. I. leaves on Monday for the Northwest, where he will be engaged during the summer in surveying Dominion lands. A number of the young men of the town have joined his surveying party. They will start for Winnipeg next week.

NORTHWESTWARD.—The following parties left here on the G. W. R. Manitoba special on Wednesday: Richard Switzer and son, Mrs. S. Seeley and Miss Fisk, of Listowel; Thos. Jackson, Wm. Wherrie and John Cruden, of Trowbridge, and Alfred Hane and wife and W. Schanerhorn, of Gorrie.

A PARTY of 58 persons, from the vicinity of Tara and Chesley, passed through here on the G. T. R. on Thursday of last week, *en route* for Manitoba. Between 20 and 30 others from this county, among whom were Mr. R. Magwood of this town, and Mr. Jas. Kines of Mornington, took passage by the same train.

GOOD FRIDAY was not observed in Listowel as a holiday. The streets were thronged with people during the greater part of the day, and a lively business was done by the merchants and others. The agricultural implement agent was on hand in full force, and the voice of the vendor of patent nostrums was not absent.

GOING "HOME."—Our highly respected townsman, Mr. John Livingstone, sr., intends taking a trip to the old country this summer. He will spend several months among his native heather, and will also visit London and Westminster Abbey—the resting place of the remains of his brother, the late Dr. Livingstone. He will sail next month. We wish him a pleasant voyage.

MOLESWORTH CONGREGATION.—At the meeting of the Synod of Hamilton and London, at Ingersoll this week, the deliverance of the general Assembly anent the transference of Molesworth congregation from the Presbytery of Stratford to that of Maitland was laid on the table. The deliverance was to the effect that the Assembly approved the action of the Synod of Hamilton and London, and dismissed the appeal of the Presbytery of Stratford.

AN ENVIABLE RECORD.—The oldest registrar in the Dominion is Mr. Walsh, registrar of Norfolk County, who has held his present position for seventy-two years, and has been altogether eighty-two in the office, having acted for ten years as deputy before his appointment to the higher position. During this lengthy period he has never been incapacitated by sickness for a single day, and he still attends to his duties regularly. Mr. Walsh is now ninety-four years of age.

Hot tea and coffee lunches served at all hours at G. T. Huber's confectionery and oyster parlor—one door west of Bricker's.

FAIR day was productive of a little variation in the shape of assaults, etc., the outcome of too much old rye being taken aboard. The following persons were up before G. Draper, Esq., J. P., and summarily disposed of: Erb. Rolls, for assaulting Jas McAllister, fined $5 and costs. Benj. Eveliegh for assaulting Erb. Rolls, $2 and costs. Erb. Rolls for assaulting Benj. Eveliegh, dismissed. A man by the name of Ross is wanted by the chief of police for being drunk and disorderly, and using bad language on the streets. If he can't come, he will oblige the c. p. by forwarding his present address.

Biscuits, confectionery, fruit and canned goods sold very cheap at Huber's confectionery and oyster parlor—one door west of Bricker's.

FINE ART.—The following, from the St. Catharines *Journal*, will be read with interest by the many friends in this town of the clever artist, Mr. T. W. Moran: "We were extremely gratified this morning on visiting the studio of Mr. Moran, which that gentleman has now opened in the rooms next to those formerly occupied by Mr. Calvin Brown, Ontario street Mr. Moran's productions of portraits are far above anything which has yet been shown in this city, and the likenesses of the late Dr. Macs, Commodore Shickluna, Captain Norris, and the well-known physiog of his worship Mayor Larkin show the work of a true artist. He has also a number of well-executed portraits of other citizens which are true to the life likeness. The specimens which we examined were genuine oil portraits, not the usual trashy, thrown-up and colored photographs which have always been considered a libel on genuine art. A visit to his studio will repay lovers of the sublime and beautiful."

THE Great Western Ry. special Manitoba trains leaving Listowel every Wednesday appear to be the most popular route, as everyone writes back to their friends,—"when you come, go by the Great Western, as it is quickest, best accommodation, no delays, &c."

BELLEVILLE DEAF AND DUMB INSTITUTE.—The annual report in connection with this insititution has been issued by Superintendent Mathison. It contains valuable information, and shows that during the past year 296 pupils have been under instruction, which makes a total of 552 since the building was opened. The institution may now be said to be free, as any unable to pay $50 annually are received as free pupils. If capable of receiving instruction, they get a good common school education, and the boys can learn shoemaking, of which they produced $1,332.93 worth during the year. There girls are taught to sew, cut, make dresses, embroider and household work, such as cooking, washing, etc. The health of the pupils has been good, and no deaths occurred. At present there are in the institution 164 males 132 females, and the cost of maintenance has been $57,200.89, or an average of $157.63 per pupil. There is room for a number of pupils yet, and parents of deaf or dumb children would consult their own and the public's interest by sending them there.

The choirs and congregations of the various churches in town were well represented by lady and gentleman members. The class was brought into order, when the initial step was taken in musical drill, under the directorship of Mr. Sarvis. Before dispersing, the Society elected regular officers and committees, as follows: President, Mr. T. G. Fennell; Secretary, Mr. A. E. Bolton; Treasurer, Mr. Hawkins. Committee of management, Revds. The vestry granted Mr. Taylor leave of absence for two months in the summer to visit the old country. His Lordship the Bishop of the Diocese has expressed his concurrence thereto. The church is prospering under the ministrations of its zealous and able Incumbent.

SPRING SHOW.—The annual spring exhibition of stallions and bulls, in connection with the Listowel Union Agricultural Society was held on Friday last. There was an unusually large number of people in attendance. Some very fine stock was shown; the number of entries in the different classes, however, was not large. THE April *Canadian Monthly* is an unusually good number. A variety of topics are discussed in a very interesting manner by a number of able writers.

MILVERTON.

SUDDEN DEATH.—This village was startled on Tuesday of last week by the announcement of the sudden death of Mr. George Hamilton. It appears that deceased, who was a well-to-do farmer, had decided to leave for the Northwest, where two of his sons are already comfortably located. He had loaded during the day a car load of effects at the station, and intended to leave by the G. T. R. excursion train on Thursday last. He retired to bed at Hood's hotel, and appeared to be in his usual health. He had two young children with him (his wife died some time ago). In the morning he did not come down to breakfast, and when Mr. Hood went to his room he discovered him lying across the bed, and on examination he discovered that he was insensible. He endeavored to arouse him, but after a few convulsive breaths he died. The cause of death is supposed to have been heart disease. He was a man of about 60 years, an old resident, and much respected by his neighbors. His death will be sad news to his sons in the West. The funeral took place on Thursday, and was very largely attended, notwithstanding the inclemency of the weather. The remains were interred by the Orangemen, deceased having been a member of the order.

MILLBANK.

The friends of E. Rutherford, Jno. Gibson and Henry Colborne entertained them to an oyster supper at the Rob Roy hotel on Wednesday evening last, before their departure for the Northwest. Dr. Johnson occupied the chair, and J. W. Laird the vice-chair. About fifty partook of the good things and a most enjoyable time was spent.

TROWBRIDGE.

BOUND TO HAVE A SIDEWALK.—The citizens of this place have resolved to build a sidewalk along the main street, and between $30 and $40 have been raised by subscription to carry out this object. This is certainly a step in the right direction, as it will save many a step from being taken in the mud. Success to the commendable undertaking.
