TO SUFFER FROM

HEADACHES

MAKES LIFE MISERABLE

Headaches seem to be habitual with many people. Some are seldom, if ever, free from it, suffering continually with the dull throbbings, the intense pain, sometimes in one part, sometimes in another, and then over the whole head, varying in its severity by the cause which brings it on.

The varieties of headache most common are sick or bilious headache, nervous headache, headache from constipation, debility or indigestion and periodical and spasmodic headache, and undoubtedly the cause must be removed before permanent relief can be had.

Burdock Blood Bitters, that has been on the market for over 40 years, removes the cause of the headache, and not only does this, but also restores the entire system to healthy action and buoyant vigor.

Miss Emily Smith, 204 Bellwoods avenue, Toronto, Ont., writes: "I cannot speak too highly of Burdock Blood Bitters. For two years I was greatly troubled with violent headaches, particularly in the morning. I tried everything to cure me until a friend recommended B. B. B. I tried it, and now I am completely cured."

PACIFIC COAST HOCKEY NOW THREE-CORNERED RACE FOR LEADERSHIP

VANCOUVER, Jan. 15.—Vancouver tied up the Pacific Coast hockey race and made it a three-cornered affair by outfighting the Portland Buds at the arena last night by the score of 4-1.

Not many games since the beginning of professional hockey on the coast have been more bitterly contested. The two teams fought hard from beginning to end, and there was little to choose between them. The score was a matter of goalkeeping. Lehman had one of his best nights and speared everything that came his way.

W.O.R. HOCKEY TEAM OUTCLASSED MEDS IN LAST NIGHT'S GAME

A. M. C. Boys Put Up Game Battle All the Way.

The Western Ontario Regiment's hockey team had easy going to slip it over the A. M. C. in an inter-Unit League contest staged last night at the Westminster rink. The score of 12 to 4 about indicates the play.

The secret of the infantrymen's success is that they have about three good players, and altogether a fair team. The A. M. C. stands up fairly well on the defence, but cannot be compared, at least for the present, with their last night's opponents.

The game was hard-fought, however. The Meds did their best against their superior opponents, and not until the last ten minutes of the battle did they ease up. At that time it was just a question of goals. The game was on ice.

Goalkeeper Busy.

The W. O. R. started right in at the first to bang the nets of their opponents, and for two-thirds of the game kept the puck in their territory. The score at the end of the first period was 6 to 1. It should have been more, one goal being scored for the leaders that the goal judge did not see. In this period the W. O. R. scored a couple of their tallies by some nice combination play.

The A. M. C. did better work in the second session of the game from the scoring standpoint, but the opposition did not try so hard. Besides the contest in this period was of the six-man variety. Jack McGill got a bad cut in the eye, and had to retire. The Meds dropped a man to even up.

The W. O. R. got some easy goals in this session. Towards the last, when opposition waned, Flynn, the W. O. R. goalkeeper, took a crack at the forward line.

Did Good Work.

Lavelle and Norman on the forward and Burrows for the defence were the cream of the winners. Lavelle plays an excellent game, and checked good Norman, a youngster, looked like a comer. Jack McGill played well while in the battle. The work of Widdis for the losers was commendable. He was well assisted by McTavish, Essery and Donaldson, but the defence was weak.

The teams:

W. O. R.		A. M. C.
Flynn	Goal	Lee
Caliwell	Point	Gillies
Burrows	Cover	Widdis
Lavelle	Rover	Shirley
Norman	L. wing	McTavish
McGill	R. wing	Essery

INTERNATIONAL GOLF IS PLANNED FOR AMERICA

New York, Jan. 16.—International team matches between golfers belonging to the Senior Golf Association of this country and a similar organization planned for the Dominion, is a possibility in the near future. That the Canadians will form such a body is almost certain, since two representatives made a trip to New York and conferred with the leaders of the American body. At that meeting it was assured that Canada was to have a senior association. A meeting of the Canadians is to be held shortly in Montreal, at which time a course for their first tournament will be decided upon. The competition will be played either over the Royal Montreal links or the Lambton course at Toronto.

LADY PINK TOES HAS HER INNINGS

There is no excuse today for women to have ugly, painful corns

For a few cents you can yet a quarter ounce of the magic drug freezone recently discovered by a Cincinnati chemist.

Apply a few drops of this freezone upon a tender, aching corn or callous and instantly, yes, immediately, all soreness disappears and shortly you will find the corn or callous so loose that you lift it out, root and all, with the fingers.

Just think! Not one bit of pain before applying freezone or afterwards. It doesn't even irritate the surrounding skin.

Hard corns, soft corns, or corns between the toes, also hardened callouses on bottom of feet, just seem to shrivel up and fall off without hurting a particle. It is almost magical.

SOLDIERS LOSE IN FAST GAME WITH DETROIT SEPTET

Local Men Showed Great Improvement in Second Contest.

DETROIT, Jan. 15—London's military hockey septet lost another game to Detroit tonight, the score on this occasion being 2 to 1. The Canadians showed a remarkable improvement in form over Monday night and put up a stiff argument all the way. VanEvery got hit in the groin just above an old wound and was laid out, but recovered in time to continue.

Rose shot London's first and only goal, when after one minute's play in the second period he sent the puck cleanly between Hammelef's legs by a lightning stroke.

Referee Fenwick was on duty again tonight and showed somewhat better judgment than did his substitute at last night's game.

Grover Alexander, $50,000 Twirler Is In the First Draft

Contract Will Be Cancelled With the Chicago Nationals.

OMAHA, Neb., Jan. 15.—Grover Alexander, premier pitcher of the National League, has been placed in class 1, division "A," of the draft, and will not play ball with the Chicago Cubs this year. Alexander received his card today, and says he immediately wired Weeghman.

"I shall ask no exemption," said Alexander. "I'm ready to go. I am no slacker. I don't know what they will do about transferring me from Philadelphia to Chicago. That's up to the baseball people."

Alexander, with his battery mate, Killifer, was purchased by the Chicago Nationals for $50,000.

When Alexander, who is rated as the leading pitcher in the National League, was purchased from the Philadelphia club it was agreed that if either he or Killifer was drafted at any time previous to the 30 days before the opening of the 1918 season, the contract would be cancelled. Alexander had previously advised Weeghman that he expected to be placed in the third class, as his aged mother is dependent upon him.

STALLION ULTIMUS BROUGHT $25,000 AT SALE AT LEXINGTON

High Prices Paid at Auction of the Wyckliffe Stud.

LEXINGTON, Ky., Jan. 15—Ultimus, a stallion by Commando, brought $26,000 at the largest sale of race horses ever held in the city, today when the Wyckliffe stud of J. W. Corrigan was disposed of at auction. He was bought in by W. B. Miller of New York. Colin, by Commando-Pastorella, a familiar one to race-goers of several years ago, was bought in by Captain Walker of Virginia for $5,100, while Emil Herz of New York succeeded in obtaining the brood mare, Marian Hood (imported) by Magtagon-Maid Marian, for $17,000.

The prices realized were greatly in excess of the fondest hopes of the auctioneer, according to his own statement, and in so far as attendance was concerned it broke all records, when different points of the United States, which were represented, were considered.

My Friend, by Disguise-Playmate, a yearling, brought $12,800. He was obtained by H. A. Porter, of Tulsa, Oklahoma, who also bid in Ultima Thule, by Ultimus-Ruba Granda, for $7,400.

Charles E. Micklewait of New York obtained Madras Gingham for $3,200, while J. C. Milan of Lexington, bought Fleeing Shelk for $2,200, and John Madden of Lexington and New York bought Swansong for $2,600. Various other similar prices were obtained for a large number of the horses sold.

An extensive program has been prepared, but it may be marred to some extent by the weather. However, the officers are hoping for the best.
