480 Entries in 14 O.J.C. Stakes To Be Run at Coming Meeting

Two-Year-Old Events, Aged Races and Steeplechases Are All Exceptionally Well Filled.

Entries to fourteen stakes, which closed April 22, to be run at the coming spring meeting of the Ontario Jockey Club, are made public to-day. Commencing with events for three-year-olds and upward, the valuable Toronto Cup, $5000 added, has the good total of thirty-two; King Edward Gold Cup, $1500 added, twenty-six; Waterloo Handicap, $1200 added, thirty-nine; Minto Stakes, $1000 added, forty-three; Prince of Wales Handicap, $1000 added, thirty-three; Liverpool Cup, $1000 added, twenty-four; Seagram Cup, $1000 added, twenty-seven; William Hendrie Memorial Handicap, $1000 added, thirty-two. The last three races are for horses owned and foaled in Canada. For three-year-olds exclusively, the time-honored Woodstock Plate of $2000 added has an entry of twenty-two, while two-year-olds do not receive the same encouragement at the hands of the Ontario Jockey Club at this early season, and in the best interests of racing rightly so. The Victoria Stakes, $1000 added, an dthe Tyro Stakes, $1000 added, have an entry of fifty-five and fifty-eight,respectively. TheCoronation Stakes, for horses foaled in Canada, must be content with an entry of fourteen, many owners reserving their best representatives for His Majesty's guineas in 1909. Theh Steeplechase Stakes, of which there are two in the Woodbine and Street Railway Steeplechase, have the total of thirty-six and thirty-nine, proving cross-country sport at Woodbine Park appeals as strongly as ever to the sport-loving people of Toronto and vicinity. That the increase in purses, making $500 the lowest amount to be raced for at Toronto, is popular \with horsemen is shown by the very large list of applications for stable room from owners all over Canada and the United States who are anxious to be present at the coming meeting of the Ontario Jockey Club.
