To Sunday Schools Opening in the Spring.

WE beg to call attention of Schools opening in the Spring, and others, to the following facts:—

Pleasant Hours has no rival in existence in the amount of good reading furnished for the price. It is an 8 page illustrated paper published semi-monthly at the following rates per year, post paid:—single copies 30 cents each; less than 20 copies, 25 cents; 20 copies and upwards, 22 cents.

Home and School, precisely the same size and price and same general character as Pleasant Hours, has at once leaped into popularity and success. On the first number no less than 17,000 copies were called for. For their size and quality we know no cheaper Sunday-School papers in the world.

The Sunbeam is especially adapted for infant and primary classes. Its pretty pictures, large type, easy reading, charming verses, and very pleasing and instructive lessons on the Lessons, make it a universal favorite with the little folk and a great help to the teacher.

The Sunbeam is published semi-monthly at the following rates per year, post-paid: When less than 25 copies, 15 cents each; 25 copies and upwards, 12 cents.

The Berean Lesson Leaf is published quarterly. Price, per year, post-paid, 100 copies, $6.

Specimens of these Sunday-School Helps free. Do not fail to send for them before ordering elsewhere.

AYER'S Cherry Pectoral.

No other complaints are so insidious in their attack as those affecting the throat and lungs: none so trifled with by the majority of sufferers. The ordinary cough or cold, resulting perhaps from a trifling or unconscious exposure, is often but the beginning of a fatal sickness. AYER'S CHERRY PECTORAL has well proven its efficacy in a forty years' fight with throat and lung diseases, and should be taken in all cases without delay.

A Terrible Cough Cured.

"In 1857 I took a severe cold, which affected my lungs. I had a terrible cough, and passed night after night without sleep. The doctors gave me up. I tried AYER'S CHERRY PECTORAL, which relieved my lungs, induced sleep, and afforded me the rest necessary for the recovery of my strength. By the continued use of the PECTORAL a permanent cure was effected. I am now 62 years old, hale and hearty, and am satisfied your CHERRY PECTORAL saved me.
HORACE FAIRBROTHER."
Rockingham, Vt., July 15, 1882.

Croup.—A Mother's Tribute.

"While in the country last winter my little boy, three years old, was taken ill with croup; it seemed as if he would die from strangulation. One of the family suggested the use of AYER'S CHERRY PECTORAL, a bottle of which was always kept in the house. This was tried in small and frequent doses, and to our delight in less than half an hour the little patient was breathing easily. The doctor said that the CHERRY PECTORAL had saved my darling's life. Can you wonder at our gratitude? Sincerely yours,
MRS. EMMA GEDNEY."
159 West 128th St., New York, May 16, 1882.

"I have used AYER'S CHERRY PECTORAL in my family for several years, and do not hesitate to pronounce it the most effectual remedy for coughs and colds we have ever tried. A. J. CRANE."
Lake Crystal, Minn., March 13, 1882.

"I suffered for eight years from Bronchitis, and after trying many remedies with no success, I was cured by the use of AYER'S CHERRY PECTORAL. JOSEPH WALDEN."
Byhalia, Miss., April 5, 1882.

"I cannot say enough in praise of AYER'S CHERRY PECTORAL, believing as I do that but for its use I should long since have died from lung troubles. E. BRAGDON."
Palestine, Texas, April 22, 1882.

No case of an affection of the throat or lungs exists which cannot be greatly relieved by the use of AYER'S CHERRY PECTORAL, and it will *always cure* when the disease is not already beyond the control of medicine.
