THE DOMINION IN BRIEF.

Alliston is seeking incorporation as a town.

The A. M. E. Conference is in session at Hamilton.

The widow of the late Hon. Joseph Howe died Sunday.

Belleville has a prospect of being supplied with natural gas.

The Dominion Labor Congress meets at Ottawa on Sept. 2nd.

Montreal's recently negotiated loan nets £88 0s 10d per £100.

John Dugan had his right leg taken off at the G. T. R. depot, Belleville.

A laborer named Patrick Earls was drowned at Hamilton on Saturday night.

Many American tourists are traveling over the Canadian Pacific to the Pacific coast.

A company of Toronto capitalists will probably construct an electric street railway in Ottawa.

Three miracles are reported to have taken place at the recent pilgrimage to Ste. Anne de Beaupre.

A girl named Charlotte Sallans in Mulmur, was struck by lightning and is not expected to live.

The Kingston Waterworks Committee intend placing free water taps in various poor localities.

Frank Rivers, a shanty man, was drowned at Ragged Falls, near Bridgewater, while breaking a jam.

Charlie Canavan, the young son of John Canavan, of Toronto, was drowned at Buffalo on Saturday.

Canada has applied for 50,000 cubic feet of space at the coming international exhibition in Jamaica.

Ward Francis, a young Englishman, was drowned while bathing in the Niagara River near Queenstown.

John Johnston and S. Spangenburg, Belleville, were thrown from a runaway rig and badly injured.

A lad named Saul, 10 years of age, gathering frogs on the Napanee River for a sick sister, slipped in a hole and was drowned.

A young lad, aged eight years, son of Mr. Dufresne, laborer, Quebec, was drowned in the River St. Charles, while picking up chips.

The body of Frank George, one of the unfortunate sailors on the schooner Jessie Breck, was recovered on the lake shore five miles above Kingston.

The Grand Lodge of Masons will be asked to lay the cornor-stone of the Nichol wing of the Kingston hospital during its annual meeting this month.

The Niagara River Fruit-Growers' Association report that apples, plums, and peaches are very light; berries, cherries, currants, and grapes fair to average.

Two horses, owned by Geo. Gifford, Romney, were struck by lightning during the storm. One was killed and the other injured. The driver escaped unhurt.

The body of the stray child Scrimshaw was found in the bush near her parents' home in Rawdon township. The child had evidently perished from hunger and exposure.

Edward Valois, Quebec, aged 19, was drowned while bathing. He was married only a few weeks ago, and was drowned in the presence of his wife, who is but 16 years old.

Arthur Burns, a man of 40, fell into the King street subway, Toronto, and fractured his knee, also receiving severe internal injuries. He was taken to the General Hospital where he died.

Mr. Charles McCarren, president of the Quebec branch of the Irish National League, has received a portion of wedding cake sent to him by Mr. Wm. O'Brien, the Irish member of Parliament.

Bartholomew Fowler, a Toronto baker, whose conjugal relations have not been happy, attempted suicide with strychinne on Saturday. Doctors took him in hand and he still lives.

The Government are doing away with the telegraph line between Qu'Appelle and Prince Albert, the operators having received notice to quit on August 31st. The line will be used for telephone purposes.

An English lad named Webb, aged 16, taken from some institution in Toronto, and living with a farmer named Quinn in Mono Township, attempted to take his life by hanging. He cannot live, however.

Eugene H. Cowles, who was shot by his brother-in-law, C. C. Hale, in connection with the kidnapping of little Florence, has sufficiently recovered to leave the Montreal General Hospital, and has left for the Adirondacks

A little girl named Dawson, 12 years of age, was killed at Romney, Ont., on Brown's tramway. She jumped from a car while it was in motion and fell under it. The car which was loaded with logs, passed over her body.

A laborer named John Brown, who was loitering on the edge of the Queen's wharf cliff at Ottawa, fell over 60 feet to the rocks below and died in the hospital. He was a short-sighted man, which accounts for the accidental fall.

Word has been received at Winnipeg from Wawanesa to the effect that a severe storm of wind, rain and hail occurred here. Heavy damage was done to the crops. It is estimated that from 13,000 to 15,000 acres of grain are partly or wholly destroyed.

A young boy about nine years of age named Frank Bush, of Lindsay, was playing around Dovey's mill when his clothes in some way caught in the shafting. The machinery was immediately stopped and the mangled body released, but death soon ensued.

Angus and Mrs. Patterson, residing on Grand Trunk avenue, Toronto, were arrested charged with feloniously wounding John Thomethy, who lives at 21 Grand Trunk avenue. Thomethy's face was badly cut and his removal to the hospital was necessary.

Three thousand men, comprising the volunteer corps of the Quebec Military district, are mustered at Levis for their annual weeks' drill. The camp is under the command of Colonel Duchesney, the Adjutant-General, with Lieut.-Col. Forest as Quarter-master-General.

The will of the late Lieutenant-Governor McLean, of Nova Scotia, bequeaths the income of one-fourth of his estate to his widow, and the remainder is divided equally among his three children, Mary B., Gordon and Thomas. At the widow's death her share goes to the children.

At the Ottawa Police Court, J. R. Arnoldi, a prominent officer of the Department of Public Works, was fined $7 for turning a garden hose on Mrs. Archibald, who was his next door neighbor and insisted on placing a window in a wall of her house overlooking Mr. Arnoldi's garden.

Referring to Gen. Middleton's resignation on account of the censure of Parliament in connection with the fur looting in the Northwest, the Militia Gazette asks why he should be punished and the public servants—Bedson and Hayter Reed—who led him into his untoward act be allowed to go free?

Two cousins, Howard Brouse, aged thirteen, and Robert Brouse, aged seventeen, were drowned at Manotick, while sailing at a picnic in an old boat, which filled and sank. Three others who were with them escaped, but were so paralyzed with fear that they did not give the alarm until it was too late.

NEWS OF THE WORLD.

Ice is worth one cent per pound in St. Louis, Mo.

P. T. Barnum has just celebrated his eightieth birthday.

The police have killed seven mad dogs in New York city.

Edwin Chadwick, the social, economist, is dead in London.

Baron Wissmann denies that he has tendered his resignation.

A new cabinet, strongly protectionist, has been formed in Spain.

The cholera epidemic in Valencia, Spain, has slightly increased.

The market for print cloth is reported quiet at Fall River, Mass.

Joseph Greeley, a well-known Boston merchant, died July 4, aged 76.

Count Kalnoky, the Austrian prime minister, who was reported ill, is worse.

Terrific rains have fallen in the interior of Austria and great damage has been done.

Sir Redvers Buller will, it is said, succeed Lord Wolseley as adjutant-general of the army.

The Rome Tribuna reports that England has offered and Italy has accepted Suakim and vicinity as compensation for Somali.

The cholera returns from Valencia show a total of 29 new cases and 18 deaths on Saturday, and a total of 21 new cases and 13 deaths on Sunday.

The pope has confirmed Archbishop Corrigan's action in regard to Dr. Burtsell, and the latter will be transfered from his urban to a rural parish.

The Peabody institute at Danvers, Mass., was burned, loss $75,000. The fire was caused by painters, who were burning the old paint from the building.

Disastrous floods are reported in the Province of Tomsk, Western Siberia. Many lives have been lost and a large amount of property has been destroyed.

All the persons poisoned by eating ice cream bought at the confectionery store of D. Brinckmann, in New York, are doing well. No fatal results are anticipated.

It is stated that the formal transfer of Heligoland to Germany will be attended by an elaborate naval display. The islanders are making pathetic pleas against the transfer.

Austrian and Hungarian merchants, through the exports society, are preparing a petition to Count Kalnoky to take reprisals in the event of the McKinley bill becoming law.

The physical condition of the Pope is declining. His eyes have taken on a fixed look. Notwithstanding his advanced age, the venerable pontiff's intellect remains surprisingly active.

Eyraud, who was recently taken to Paris from Havana, has confessed to having murdered Gouffe. He stated that Gabrielle, his mistress, helped him to place the body of the murdered man in the trunk.

Mrs. E. Wismer and Mrs. J. E. Hammond, of Rochester, N. Y., were out boating with W. W. Frye, of Bradford, Pa., at the first named place. The boat upset and the ladies were drowned, Frye was saved.

In accordance with the request of America, Germany and England, King Oscar, of Sweden, has nominated Conrad Cederkrantz for the post of Chief Justice of Samoa. The appointee is now an assistant judge in Stockholm.

Mr. Caine, who was recently defeated at Barrow-in-Furnes, has written to Mr. Gladstone, that he has returned to the Gladstonion party, and that he will accept the principle of Home Rule, while reserving liberty as to details.

Judge Pennypacker, of Philadelphia, in a long judgment, affirmed the conviction in the case of a barber who was fined for Sunday shaving. The judge held that Sunday shaving was neither a work of necessity nor charity.

The captains of incoming ocean steamers by the St. Lawrence route report that the navigation of the Straits of Belle-Isle is exceedingly dangerous owing to the presence of numerous icebergs and the prevalence of heavy fogs.

During the past two weeks there have been 144 cases of cholera and 36 deaths from the disease in Spain. The medical authorities are of opinion that the disease will not spread further. The latest cases are of a more malignant nature.

Mrs. Sigman, a white woman, and Noah Robinson, a negro, have been placed under arrest at Greenville, S.C., and will be taken back to their home in Newton, N. C. They eloped a week ago, and stole some money belonging to the woman's husband.

If his health will permit, Mr. W. H. Smith will continue Government leader until the end of the session, after which his place will be filled by Mr. Balfour, the present Secretary for Ireland, and he will probably be succeeded by Sir Michael Hicks-Beach.

Steven Smith, an American, was arrested in London for the theft of the jewels of the Duke and Duchess of Edinburgh, which were abstracted from their apartments at Edinburgh during their absence at the opening of the Electrical Exhibition about May 1.

Charles Benson, bookkeeper of the Scandia Bank, of Minneapolis, Minn., has been missing since Wednesday last. On the evening of his disappearance, just as the safe was being locked, he entered and took a package containing $4500 in bank notes, and disappeared.

Miss Annie Brewster, a society girl, of New York, who came out to Japan to visit her brother-in-law, Secretary Reamy, has gone on a pleasure trip to Siberia, going from Nagasaki to Vladivostock. It is the first case known or a young American lady going to the Siberian frontier, except for missionary work.

The steamship Galveston, of Sunderland, bound for Montreal with a cargo of coal, is ashore in Contrecœur Channel. The agents have received a request for assistance, but no particulars of the accident. A tug and lighters left port for the scene of the mishap, with a view to taking out a portion of the stranded ship's cargo.

The Royal Geographical Society gave a banquet in honor of Henry M. Stanley. Sir M. E. Grant Duff, the President of the society, in toasting the guest, said that Stanley, perhaps, had found an outlet for the surplus population of England and America. Mr. Stanley, replying, said that plenty of work remained for the society to do in Africa.

Mr. M. S. Caine, who resigned his seat for Barrow-in-Furness in order to test the feelings of his Constituent on the licensing bill was badly defeated. The vote was as follows: Duncan (Gladstonian), 1994; Wainwright (Conservative), 1,862; Caine (Liberal), 1280. In 1886 Mr. Caine was elected by a vote of 3,212, against 1,882 for Ainworth (Home Ruler).

Trouble is looming up in Behring's Sea. It is stated that secret instruction have been issued to the U. S. cutters to seize all foreign vessels found seal fishing. At the same time comes the story that the British squadron has been ordered to rendezvous at Esquimalt, while it is stated that the Canadian fishers have fitted out two swift clipper schooners, heavily armed, to resist seizure. These appear to be elements likely to produce trouble.

Ask For Ayer's

Sarsaparilla, and be sure you get it, when you want the best blood-purifier.

With its forty years of unexampled success in the cure of Blood Diseases, you can make no mistake in preferring Ayer's

Sarsaparilla

to any other. The fore-runner of modern blood medicines, Ayer's Sarsaparilla is still the most popular, being in greater demand than all others combined.

"Ayer's Sarsaparilla is selling faster than ever before. I never hesitate to recommend it."—George W. Whitman, Druggist, Albany, Ind.

"I am safe in saying that my sales of Ayer's Sarsaparilla far excel those of any other, and it gives thorough satisfaction."—L. H. Bush, Des Moines, Iowa.

"Ayer's Sarsaparilla and Ayer's Pills are the best selling medicines in my store. I can recommend them conscientiously."—C. Bickhaus, Pharmacist, Roseland, Ill.

"We have sold Ayer's Sarsaparilla here for over thirty years and always recommend it when asked to name the best blood-purifier."—W. T. McLean, Druggist, Augusta, Ohio.

"I have sold your medicines for the last seventeen years, and always keep them in stock, as they are staples. 'There is nothing so good for the youthful blood' as Ayer's Sarsaparilla."—R. L. Parker, Fox Lake, Wis.

"Ayer's Sarsaparilla gives the best satisfaction of any medicine I have in stock. I recommend it, or, as the Doctors say, 'I prescribe it over the counter.' It never fails to meet the cases for which I recommend it, even where the doctors' prescriptions have been of no avail."—C. F. Calhoun, Monmouth, Kansas.
