Local Grain and Produce.

FLOUR—The demand continues slow, with only a small jobbing trade doing, on account of the fact that buyers are holding off, as they have ample stocks on hand for the present. Prices are well maintained, however, at $4.85 to $4.60 for straight rollers, $4.30 for extras and $4.65 to $5 for patents.

GRAIN—There is no improvement in the local grain market, business having continued quiet, owing to the limited demand from exporters and millers. The tone is easier than yesterday, in sympathy with the easier feeling and freer demand in Liverpool, where red dropped 1d to-day. Prices have a downward tendency. American markets were firmer to-day, closing about ½c higher all round. Fall and red winter (No. 2) are quoted at 93c on Northern and spring, 97c to 98c on Midland, with no trading of any account. For red winter $1 was bid here, but declined. Barley is steady at 48c bid here. Oats continue firm at 37c paid for mixed and 38c for white outside, and 41c for white and 40½c for mixed on track. Peas are wanted at 61c on Midland, with few offering.

PROVISIONS AND PRODUCE—The strength on the egg market continued with quotations at 12½c for case lots and 13c in smaller quantities; a drop is looked for in the near future owing to warm weather and large receipts, consequent upon reduced marketings, butter is firm at 18c to 14c for tub and 16c to 18c for fresh large rolls. Cheese is unchanged at 9½c, but there is a firmer feeling in new owing to the advance in English markets yesterday. The tone of the local provision market continues quiet and steady. The demand for both pork and lard is fair and there was an advance of 3d in Liverpool to-day for lard. Sales of long clear bacon have been made at 8¾c with carlots quoted at 8½c to 9c higher. The advent of warmer weather has also stimulated the demand for hams, which sell freely at 12c to 12½c. Short cut is unchanged at $17 to $17.50 and mess 50c cheaper. The potato market is easier at 58c or 60c outside on Midland.

CHOICE BUTTER IS SCARCER, AND 11c to 14c is now obtainable for choice rolls or tubs. Eggs are fairly plentiful at 12½c to 13c. Consignments of above solicited. We have for sale strictly fresh eggs, choice creamery butter, selected roll butter and farmers' tub butter, Fearman's hams and bacon, Canadian and American lard and fine new cheese, for which we solicit your order. J. F. Young & Co., 74 Front-street east, Toronto.

The Street Market.

Arrivals to-day were light, and spring wheat is easier.

WHEAT—100 bushels white fall sold at $1, red is lower at 98c to $1, spring 95c and goose 78c.

BARLEY—Firmer at 48c to 52c, at which figure 500 bushels were disposed of.

PEAS—None offering for several days. Prices nominal at 60c to 61c.

OATS—300 bushels found buyers at 43½c to 43¾c.

DRESSED HOGS—Prices are lower and the few offered to-day sold slowly at $6 per cwt.

HAY—Continues in steady demand at $12.50 to $15 for timothy and $8.50 to $10 for clover and mixed.

STRAW—Little demand with sales of few loads at $7 and $7.50.

St. Lawrence Market.

There was a quiet trade done. Eggs are worth 13c to 14c, butter firmer at 16c to 17c, and 18c for choice. Poultry and meats unchanged. Garden vegetables easier. Potatoes dropped to 60c by the load and 65c to 70c single bag.

Foreign Grain Markets.

IN LIVERPOOL to-day wheat was easy, demand poor, holders offering freely at 7s 1½d for spring, 6s 11d to 6s 11½d for red winter, ½d cheaper, and 7s 1d for No. 1 Cal. Corn dull, demand poor at 3s 6d. Peas 5s 6d, pork 53s 9d, lard 31s, 3d dearer, bacon 29s 6d to 30s, cheese old 58s, new 47s.

BEERBOHM telegraphs: Floating cargoes—Wheat, quieter; corn, the coast is being rapidly cleared of cargoes; arrivals, wheat 7, corn 3; sold, wheat 5; waiting orders, wheat 13, corn 2. Cargoes on passage—Wheat slow, corn firmer. Weather in England—Unsettled. Liverpool—Spot wheat, rather easier; corn, slow; American 6s 11½d, ½d cheaper; India 7s, unchanged.

Moses Had Asthma.

My husband had asthma for eight years with severe cough, and his lungs also were affected. He could neither rest, work, nor get relief from any medicine he tried. Some time ago we got Hagyard's Pectoral Balsam, and after taking six or eight bottles his cough is entirely cured, the asthma greatly relieved and his lungs greatly benefited. MRS. GRATEFUL—COMFORTING

EPPS'S COCOA

BREAKFAST

"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected Cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood and a properly nourished frame."—Civil Service Gazette.

Made simply with boiling water or milk. Sold only in packets, by grocers, labelled thus:
