**Impossible.**

It would be just as easy to advertise on the moon as for any importer to give the same value in imported cigars as we offer in our "La Cadena" and "La Flora" brands of clear Havana cigars. The higher the price, the greater the duty. Cheap cigars made in Havana are in the majority of cases offered to the Canadian public as fine goods. S. DAVIS & SONS, Montreal. 1tf

**Through Pullmans and Dining Car Attached to New York via Erie Railway.**

The Erie is the only line running through Canada that gives the people of London the above service, and it is to be hoped they will take advantage of it by purchasing their tickets via the favorite Erie and save themselves the annoyance of changing cars and jumping off the trains for meals. 11-tf

**Perfectos.**

The name of Perfecto is used by the leading Havana factories to designate a particular size and (generally extra fine) quality of a brand of cigars. It is well known to connoisseurs and in great demand in the principal clubs in Europe and America. A great many factories, owing to the great popularity this size has obtained, are using the word Perfecto on all classes of goods, some as low as $20 per 1,000; therefore, we caution the public to be particular when purchasing and see that they obtain the genuine size and quality that should be represented in the Perfecto size. Our "La Cadena" or "La Flora" will be found a creditable example. S. DAVIS & SONS, Montreal. jd
