ST. STEPHEN

St. Stephen, Jan. 22.—The dinner given by the W. P. A. to the members of the G. W. V. A. on Friday evening last in Elder Memorial Hall will long be remembered by all who were present as a unique and unusually delightful affair. It was unique in that the veterans of three wars, the G. A. R. veterans from Calais, the South African veterans, and the veterans of the war which has so recently been brought to a conclusion, were all represented. The tables were very daintily trimmed in red, white and blue, with candelabra of red candles. Jolly little favors were at each place and a delicious turkey dinner was served. Four cadets presented arms as the veterans came into the room, and the guests were received by the officers of the W. P. A., Mrs. A. E. Vesey, Miss Margaret Black, Miss Kittie McKay and Miss Marion Straghan. After the guests were seated the president of the W. P. A., Mrs. A. E. Vesey, gave them most cordial and hearty welcome in a short but eloquent address and the "attack upon turkey" was then attempted and successfully carried out. The guests were served by the members of the W. P. A., who wore white gowns with attractive caps and red arm bands. At the close of the dinner the following toasts were proposed, Capt. E. V. Sullivan, president of the G. W. V. A., acting as toast master: The King, the President of the United States, the Governor General of Canada, in response to which "God Save the King," "The Star Spangled Banner," and "O Canada," were heartily sung; the general officer commanding and officers 'overseas, to which Lieut. Jerome Sullivan responded most ably; the N. C. O.'s and men, which was splendidly responded to by Pte. Boyd and Sergt. Vernon Grimmer; the G. A. R., to which Mr. John Sears ably responded; the South African veterans, responded to by Comrade John McLeod in a few well chosen words; "Our Allies," ably and eloquently responded to by Lieut. Leo Bonnell; "To Our Fallen Comrades," drank in silence pregnant with glorious memories of those who sleep "in Flanders Fields." Lieut. Arnold O. Budd proposed a toast "to our Hostesses," in response to which Mrs. A. E. Vesey presented a chair and table to the G. W. V. A. for their rooms. Capt. Dr. E. V. Sullivan accepted the gift in the name of the G. W. V. A., and paid graceful and gallant tribute to "Our Hostesses" In response to the toast "to the Red Cross, the Nursing Sisters and the Soldiers' Comforts Association," Comrades Ross Anderson and Carson paid glowing and heartfelt tribute to the womanhood of Canada. This closed the toast list and Capt. Sullivan then presented little Miss Barbara Vesey, who at the dinner last year was proposed by Pte. Everett Mills, and voted in to membership of the G. W. V. A., with the association pin, which little Miss Vesey accepted by reciting a poem written for her after she became a member of the association by Miss Emma Vesey, and in a few words of her own choosing. Dr. Sullivan then called upon Dr. Garrett, the American consul, who is also a G. A. R. veteran, who spoke in a very informal and jolly manner, and then upon Lieut. Charles Cawley of St. George, who spoke very modestly of his own achievements and in glowing terms of the W. P. A. It then became the chairman's pleasant duty to introduce Capt. Boyd of the Invalid Soldiers' Commission, who told of the work the commission was trying to do for the men who were coming back unfitted for their former occupations, and then Major Johnston of the Dominion Labor Bureau, who spoke of how the government desired to aid returned men in securing employment. These two speakers presented their phases of the reconstruction programme ably and instructively and this brought the formal part of the programme to an end. A hearty hand was given to Pte. Wm. O'Brien of Scotch Ridge who has the distinction of having gone through the whole war without having received a scratch. Volunteers were then called for to go to the train to meet some home-coming comrades and bring them to the hall. This was soon accomplished and two men, Ptes. Nosworthy and Earle Nesbitt, were brought in and given a rousing welcome and a good hot dinner. A social hour of singing popular songs was then enjoyed and in the "wee sma' oors" the lights were finally darkened and everybody went home. Out of town guests were Major Johnston of St. John, Capt. Boyd, Mr. F. W. Vanwart and Mr. M. J. Dryden of Fredericton and Lieut. Chas. Cawley of St. George.

Why Can't I Get To Sleep?

Thousands of people all over the country ask this question, but still continue to toss night after night on a sleepless bed, and it is impossible for them to get a full night's refreshing sleep.

Some constitutional disturbance, worry or disease has so debilitated and irritated the nervous system that it cannot be quieted except by the pernicious use of opiates or narcotics. Or again, you have heart palpitation, and sensation of sinking, a feeling you are going to die, or perhaps you wake up in your sleep feeling as though you were about to choke or smother, and the only way you can get relief is to sit up in bed.

To all who suffer in this way Milburn's Heart and Nerve Pills offer an inestimable boon. They bring back the much-needed night's rest by improving the tone of the nerves, strengthen the heart, enriching the blood and making the whole organization act in harmony—then you sleep as peaceful as a child.

Mrs. Jas. Latimer, 39 Leinster street, St. John, N. B., writes: "At night I could not sleep. I had to sit up in bed, my heart beat so fast, and when I walked up stairs I would get all out of breath. A friend recommended Milburn's Heart and Nerve Pills and after using two boxes, I can sleep all night and am not out of breath after walking."

Milburn's Heart and Nerve Pills are 50c. a box at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

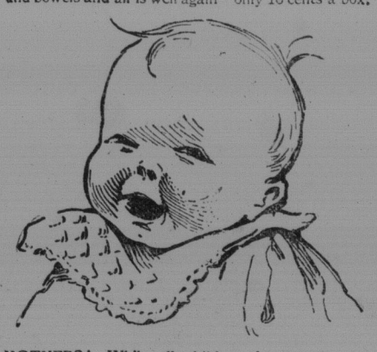
"Cascarets for Mother's Pets"

Careful mothers know that Cascarets in the home mean less sickness, less trouble, less worry, less cost. When one of the kiddies has a white tongue, feverish breath, sour stomach or a cold, a Cascaret quickly and harmlessly "works" the poisons from the liver and bowels and all is well again—only 10 cents a box.



TO MOTHERS! While all children detest castor oil, calomel, pills and laxatives, they really love to take Cascarets because they taste like candy. Cascarets "work" the nasty bile, sour fermentations and constipation poison from the child's tender stomach, liver and bowels without pain or griping. Cascarets never disappoint the worried mother. Each ten cent box contains directions for children aged one year old and upwards.
