ALLEGED INCENDIARISM.

Inspector Murray's Investigation at St. Thomas—Mayor Refuses to Hold a Fire Inquest.

Mr. John Murray, Chief Inspector of the Provincial Detective Department, yesterday returned from St. Thomas, where he has been looking into charges of incendiarism in relation to the recent burning of the new Grand Opera House in that city.

On Wednesday D. B. S. Crothers, solicitor for H. Rothwell, the owner of the burned opera house, applied to the Mayor for a fire inquest. The mayor, acting, he said, upon the advice of the city solicitor, refused to sign the requisition.

Mr. Murray stated that the Underwriters' Association had threatened to raise the insurance rate on the city if an investigation was not held, and that naturally the citizens were incensed at the refusal to hold an inquest.

Mr. Murray thought in the public interest that an inquest should be held, but if the city of St. Thomas was not sufficiently concerned to hold an inquest he did not think the Ontario Government need interest itself in the matter.

"OLD WAY OR NEW?"

If several teeth are missing, what will you do? With old dental methods it was Hobson's choice—submit to the extraction of sound and useful teeth and wear a cumbersome plate.

Modern skill has created Crown and Bridge Work to insert artificial teeth, anchoring the tiny, light denture firmly in the mouth—to build up the useful teeth and roots into greater and more durable usefulness—and to supply the most natural and perfectly pleasing effect.

THE GLORIOUS TWELFTH.

This Year's Orange Celebration Will be Held at Hanlan's Point—Decision Last Night.

The County Orange Lodge last evening decided, by a vote of 150 to 131, to hold the Twelfth of July celebration at Hanlan's Point this year instead at Exhibition Park as in previous years. County Master John Hewitt vacated the chair, and Past County Master John McMillan presided over the gathering.

"With a Capital of $850,000."

Editor World: Permit me to say that the glowing account of the operations of the Toronto and Western Mines Development Company, Limited, which appeared in your issue of this morning, under the above heading, was entirely unauthorized and contains statements that are not only misleading, but untrue. The gentlemen upon our board object to their names being associated with extravagant and unfounded announcements which suggest an effort to "boom" our shares. This enterprise is not a "stock-jobbing" operation, but its object is to assist effectively in the actual development of the mineral resources of Ontario, and let results speak for themselves. To these it will be time enough to refer when they are reached. Your insertion of this correction will oblige.

John T. Moore, Manager.

Toronto District W. C. T. U.

Twenty-four girls have been admitted to the Girls' Shelter during the past month. Toronto ladies are asked to attend the semi-annual convention at Toronto Junction, Thursday, April 14. Mrs. Thornley of London and Mrs. Watters of Hamilton will read papers at the "School of Methods" session in the Y.W.C.A. Hall, Elm-street, Tuesday, April 19, morning and afternoon.

The gigantic unreserved auction sale of 129 new bicycles takes place this afternoon at 2.30 o'clock sharp at 73 King-street east (near Toronto-street). Great bargains may be expected, as the entire collection will be sold without the least reserve. Mr. Chas. M. Henderson will conduct the sale.

When you call for Sprudel get a red-labelled bottle and cork branded Sprudel.

Chas. M. Henderson & Co.'s Sales.

Attention is called to the list of coming auction sales, under the management of Messrs. Chas. M. Henderson & Co. Parties requiring the services of this busy firm should give early notice.

President George W. Gooderham occupied the chair at the monthly meeting of St. George's Society last evening. Messrs. Charles Swalk, Joseph Richardson and W. T. Pember were elected to membership. A communication was received from John Green, governor of the jail, giving the number of old and indigent prisoners as 23.

WILL IT BE CALLED OFF?

Petition Against Mr. Wardell's Election Sent on to Toronto.

Mr. Pirie Said to be Opposed to Pushing the Protest—Street Railway Company a Little Slow in Acknowledging the Advent of Spring—Collegiate Concert a Great Success—Other Hamilton News.

Hamilton, April 1.—(Special.)—The Liberal protest against the election of "Tom" Wardell in North Wentworth has been forwarded to Toronto, but there is every reason to believe that it will never be filed. Editor Pirie, it appears, has put his foot down against it on the ground that, even were Mr. Wardell unseated, there wouldn't be the ghost of a chance of any Liberal filling his shoes as long as the bitter Pirie-Flatt war continues. Editor Pirie knows what is good politics, and, like President McKinley, counsels a waiting policy, hoping that time will heal the wounds that now gape in his party.

Street Railway Brought to Time.

The Street Railway Company, by its incapacity, has furnished another strong argument in favor of municipal control. The merchants of Ward 5 have been clamoring for the streets to be watered, as the dust is so bad that they cannot put their stock out. Acting under the instructions of the aldermen of the ward, City Engineer Barrow to-day ordered the street railway to go ahead with the sprinkling, but the company put forward the plea that, expecting another snowstorm, the motor used for snow sweeping hadn't been changed to the street sprinkling car, and the change could not be made for another four or five days. Engineer Barrow, however, wasn't to be trifled with, and at once notified the Street Railway Company that he would set teams to work at the watering along the cost to the company, until it was ready to fulfil its contract.

Capital Concert.

One of the best concerts of the season was given by the Hamilton Collegiate Institute to-night. The program was of the happiest, and so was the overflowing audience that listened to it. Mr. Hugh Murray delivered the chairman's address. Vocal solos were rendered by such artists as Mrs. Bruce Wikstrom, Miss Bessie Clarke and Mr. George Allan. Mr. George Fox, always a favorite, had hard work to lay his violin down. Messrs. Robinson and Martin, with their instrumental pieces, and the recitation of Miss Jessie Irving had all the encores they wanted. "Oh That We Two Were Maying!", by Mrs. Wikstrom and George Allan, wound up the successful evening.

Conservative Club Entertainment.

The Conservative Club entertainment tomorrow night will be fully up to the high standard maintained throughout the season. Among the artists on the program provided are: J. W. Smith, with his gramophone; Aid. Hannaford, patriotic songs, and a description of British Columbia by Stewart Livingstone, T. J. Baine will have charge of the music.

Public Bath House.

The approaching water season turned the attention of Aid. Donald's Parks Committee to-night to the question of a public bath house. Aid. Nelligan, on behalf of the North End people, asked the committee to erect one at Cook's Wharf, where the water twenty feet from the shore is cold and deep. He thought that $275 would cover all expenses for the first year, including the salary of $20 a month during the season for a caretaker; after that $75 would suffice. Prof. Chase said that, if given charge, he would make every boy and girl in Hamilton a swimmer before the season was over. A commitee will report.

The committee decided to allow the Board of Works to erect a chute on the old original House of Refuge property, east of Ferguson-avenue.

Brantford Basket Ballers.

Brantford Y.M.C.A. sent down two basket ball teams, their first team and a team of business men, to play return games with the Hamilton Y. M. C. A. teams. The Brantford business men's team was defeated by a score of 23 to 14. The game between the two crack teams was very fast and exciting. The Hamiltons won, score 22 to 8. The half time score was 12 to 5.

The teams were: Hamilton (22)—Chadwick, Christie, Cuzner, Yourick, Jelfs.

Brantford (8)—Beir, Bernhardt, Lister, Hay, Evans.

Referee—L. W. Archibald, Hamilton. Umpire—W. Charters, Brantford.

Young Liberal Club Officers.

At the next meeting of the Young Men's Liberal Club, officers will be elected. At the meeting to-night these nominations were made: President, Fred Taylor, William Johnson; first vice-president, H. Powell (acclamation); second vice-president, J. Phillips; secretary, M. S. McLellan, William Ainsley; assistant secretary, William Gatenby, S. R. Milne, W. A. McDonald; treasurer, John Peebles, William McClement.

They'll Not be "Fired."

A number of men, thinking that the "scrap" at the Victoria-avenue Fire Hall meant two vacancies in the ranks of the firemen, were pulling wires vigorously today for their jobs. The aldermen, however, who will sit in judgment on the fighters say that they will not be discharged, but will have to take some pungent medicine.

Minor Notes.

The Y. M. C. A. Boys' Club held its fifth annual banquet last evening. Some 40 members sat down and there was a capital program of music and recitations.

A very large congregation attended the opening of the "forty hours' adoration" at St. Mary's Cathedral this morning. The canopy was borne by Messrs. T. Walsh, J. Morin, W. Kavanagh, H. L. Bastien, J. Dillon and M. Bracken. Six hundred persons were in the procession. The service was conducted by Mgr. McEvay, assisted by Rev. Fathers Holden, Meharg and Donovan.

HEYWARD DIVORCE CASE.

The Chairman of the Senate Committee Has Recommended That the Toronto Man Get His Decree.

Ottawa, April 1.—(Special.)—In the Senate this afternoon Mr. Gowan, chairman of the Divorce Committee, presented a report recommending that a decree of divorce be granted to Edwin Heyward of Toronto.

Senator Perley, in giving notice of his intention to interrogate the Government on Monday, upon whose advice the Lieutenant-Governor of the Northwest Territories granted permits to take liquor into the Yukon country, remarked that the maximum amount of liquor allowed to be taken into the territories was two gallons, and that the applicant for a permit had to be recommended by some responsible person. He had been informed that the permits issued for taking liquor into the Yukon in larger quantities than was permitted under the law had been made by the Department of the Interior.

Several Government measures were advanced a stage.

Senator Boulton withdrew his bill to amend the Yukon mining regulations by compelling all miners receiving licenses to take the oath of allegiance, in consequence of the action of the United States Congress giving Canadian miners equal rights with American miners in Alaska.
