VARSITY'S ANNUAL GAMES.

Several preliminary events were decided on the Varsity field Thursday morning to qualify for the finals to-day. Results:

120 yards hurdle race—E. Farmer, McMaster University; W. R. Worthington, S. P.S.; W. S. Ford, Toronto Meds; W. Barber, S.P.S.; R. F. Biggs, Arts.

220 yards race—W. R. Worthington, S. P.S.; E. H. Gurney, Arts; W. S. Ford, Toronto Meds.; R. L. Dudley, Dentals; A. A. Pinard, Dentals; E. A. Hammond, Trinity Meds.

Running high jump—W. Elwell, S.P.S.; W. R. Worthington, S.P.S.; E. H. Southey, Trinity Arts; S. Pritchard, Trinity Meds.; H. L. Edwards, Pharmacy; R. L. Dudley, Dentals.

There were only four entries for the 100 yards event, so it will be run off as a final.

Interest is centred in the contest for the Faculty Cup, which has been presented by the Toronto Cricket Club. Each college has made a special effort to get out every man with any athletic promise and all have been training faithfully. Entries have been received from the Ontario Agricultural College, Guelph, McMaster University, Victoria University, Trinity Arts and the preparatory schools. One of the main features will be the monster student demonstration, which will precede the games. The students will meet on the University lawn at 1 o'clock and be given rank in the procession according to the numbers turning out. After parading the streets, with Mr. Wilkie Evans as marshal, the different faculties will be allotted places in the bleachers.

For the Boxing Tourney.

The committee in charge of next week's boxing tournament in the rink has decided to award the prizes in every class, regardless of the number of entries. For instance, should only two enter in the middleweight division, the winner will receive a gold watch, and the loser a silver watch. However, it looks as if there would be semi-finals, as well as finals, in every class. Already there are 9 each in the 105 and 115-lb. classes, ranging to a pair of 158 pounders, and the entries do not close really until Tuesday next at Harold A. Wilson's, where entry blanks may be found. The notable entry recorded yesterday was John Jackson, who won the heavyweight championship at Ottawa last spring.

COLLEGE-STREET PAVEMENT.

The Court of Appeal yesterday in re Leach and the City of Toronto decided that Leach was liable for improvements, together with other ratepayers. This is the famous College-street pavement case, and the residents on that street met last night and decided to push the improvements rapidly to a close.

Baseball Brevities.

The paid attendance for Toronto's 57 home games was 130,000, making an average of 2281. On these figures it is estimated that the total receipts were $40,000, of which $25,000 went to the Toronto treasury. With expenses totalling about $20,000, of which about $15,000 went in salaries, the team would make $5000 on the home series. This, with about $2000 on the road, would give the club some $7000 to invest in the purchase of the grounds.

The Crescents and St. Mary's have arranged to play a series of three games on the ball grounds, the dates being Oct. 11, 16 and 18. Reid will do the twirling for the Saints and Armstrong or Hickey for Doc. Shepard's aggregation.

Dr. Wynn Andrus, a well-known member of the old International teams of Toronto and Hamilton, is paying his usual visit home this week. He has a flourishing practice at Miles City, Montana.

Who Are the Champions?

The Senior League records, as furnished by Secretary Watson, in which the Crescents are called champions, is incorrect, according to a letter from the manager of the Cadets, and misleading. It states that both Crescents and Cadets claim the leadership of the first series and gives the standing, in which Crescents are represented to have won 6 and lost 4, and Cadets having won 5 and lost 4. This standing is incorrect. The standing of the league at the close of the first series was as follows:

	Won.	Lost.
Cadets	6	3
Crescents	5	4
Night Owls	4	4
Park Nine	3	6

Football Kicks.

Queen's Senior Rugby team will again have Britton as quarter-back this season. It is quite likely that Etherington will also appear on the wing line. Donovan, who made such a good showing with the Granites against the Rough Riders last fall, will take Carr-Harris' place as centre scrimmager. Britton and Kearns will be two of the half-backs.

There is a very pronounced feeling around the Capital that the Ottawa Football Club should make efforts to get the famous Eddie Gleeson into the game with the Rough Riders.

Brennan, the spare wing man for Ottawa College, had the ligaments of one of his legs torn in practice on Wednesday afternoon, and will be out of the game for the balance of the season. McCready, and Gastonguay will be on the college team for the Brockville match, and their presence is expected to improve the team immensely.

The Toronto Football Club will hold a practice on Friday evening at 7 o'clock, at Bloor-street and Palmerston-avenue. All members are requested to attend, also those wishing to join.

The U-No A. C. will play the Victorias II. at Slattery's Grove on Saturday, Oct. 11, in a Toronto Rugby League game. The U-No line-up will be as follows: Back, Finn; halves, Jones, Scully, Hewitt; quarter, McConnell; scrimmage, Dear, Finn, Jacobs; wings, Russell, Gaylor, Henery, Taylor, Darsh, Vaughan, Stevens; spare, Jonas, Russell, Givens, Snowden.

Church-street School defeated the Rosedale School on Thursday afternoon in a game of Association football, by the score of 3 to 0. Trow, Bleasdell and Nelson scored the goals for the winning side. This makes the third consecutive win for the Church-street School.

The London team meet the Argonaut II. at Rosedale to-morrow. Among the good material that will be represented on the Argos are: H. V. Duggan, in scrimmage, supporting Frank Ryan, and Dixon, Morgan, Jellett, L. M. Dixon, Ferguson, Art McNichol of the T.C.C., Haverson, McIntyre, Banwell, Millichamp, Ruffenstein, etc. The game will be called at 3 o'clock.

While the Argonauts have no scheduled game until Oct. 18, they are turning out satisfactorily to the practices. Ottawa plays here a week from next Saturday.

The Toronto Intermediate Football Club will practice on Friday night at 7 o'clock, corner of Bloor and Palmerston-avenue, and will pick their team for Saturday from the following: W. Fletcher, H. Grenner, E. Long, O. Bavington, E. McCarthy, F. Funston, W. Johnston, J. Reid, W. Smith, H. Pitcher, W. Smart, J. Smart, W. McCann, J. Robinson, L. J. Kyle.

In a Public School football match Thursday, John-street defeated Clinton by 1 to 0. John-street lined up as follows: Thompson, Crawford, Gwatkins, Johnson, Morrison, Fox, Craigie, Bielz, Skippons, Tait (capt.). Craigie shot the only goal for John-street.

North Waterloo Fair.

Berlin, Oct. 9.—Weather being favorable, the fall fair, which formally opens to-morrow, promises to be far in advance of preceding years. There is a good display of fine arts, ladies' and domestic work, plants, etc., in the pavilion.

The horse show was held during the afternoon. There were entries from Galt, Milverton, Branchton, Doon, Hespeler and other places were shown: Two mile running race—H. Westwood of Bloomingdale took first; Tremaine, Hespeler, second.

There is an unusually large attendance. This evening a grand concert was held in the rink, the 48th Highlanders' Band of Toronto rendering the musical entertainment.

ROSEDALE AND ST. JOHN'S

Fair Golfers of Toronto and the East Meet To-Day in Final Game.

TWO INTERESTING SEMI-FINALS.

Mrs. Kay and Miss Butler Win Consolation Contests—To-Day's Program.

The lady players in the golf tournament at the Toronto Club links, on Thursday, made good progress when the semi-finals in the championship and consolation matches were finished. Favored with fine weather, a large crowd followed the players over the course, and cheered the plays of the respective contestants. As the result of the day's play, Mrs. Dick, Rosedale, and Miss Thompson, St. John's, will play off the finals to-day for the championship, while the finals in the consolation will be between two local players, Miss Butler and Mrs. Kay. In the consolation competition, Mrs. Kay defeated Mrs. Musson, and Miss Butler beat Miss Whish.

In the morning, there was a driving competition, which was won by Miss Thompson.

In the semi-final championship contests, victory fell to Mrs. Wick over Miss Bond, in a 16-hole match, by 6 up and 4 to play, while Miss Thompson defeated Miss Harvey by 3 up and 1 to play. The latter contest created much interest, as Miss Harvey, altho her opponent, on the play for the 14th hole, was 4 up, with 5 to play, came along strong at the finish. Miss Thompson's long game was consistently stronger and better than her opponent, altho, in accuracy, Miss Harvey was probably superior. Yet, the players' drives and brassey shots were often shorter than their usual play. The play, by holes, was without special incident up to the fifth, when Miss Thompson, 1 up, conceded the hole to Miss Harvey, who made a brilliant left-hand put from south of the fence. In the seventh hole, Miss Harvey took 9, Miss Thompson winning handily in 7. At the end of the eighth hole, Miss Thompson was 2 up. Playing the ninth hole, both players made beautiful drives. Miss Thompson's second was a magnificent brassey, her opponent's being nearly as good, being 3 up at the end of the play. At the 16th hole, Miss Harvey's drives were good, while her approaches were better than her opponent's. The contest closed with Miss Thompson the victor by 3 up and 1 to play.

The contest between Mrs. Dick and Miss Bond was captured by the former by 6 up and 4 to play, the former leading all the way. Playing the ninth hole, with Mrs. Dick 5 up, Miss Bond won out handily, holing out in 5, while Mrs. Dick took 6. Miss Dick, after making a good drive on the 14th hole, following by a magnificent brassey, holed out in 4, Miss Bond in 6, the contest ending in her favor, by 6 up, with 4 holes to play.

The following are the results and the inter-Provincial teams to play to-day.
