(*Special Telegram to the Tribune.*)

The Ministerial Organ Watered by the Government—Tapping the Government Tanks—Another Election.

OTTAWA, Dec. 19.

The statement made and reiterated in telegrams to the Lower Provinces that Sir John Macdonald had taken the stump in support of Dr. Hill, in the contest for the Mayoralty of Ottawa, is an absolute falsehood. Sir John has not taken any part whatever in the municipal elections, nor spoken in favor of any candidate. There is much commotion in the city over the discovery that the *Times* office is supplied with water from the western block of the Parliament buildings, which is nearly opposite though some distance off. A hose is attached to the Government tanks after night, and stretched across the road to the *Times* office tank. This saves the office about $20 per month, as they have considerable machinery to run. Their hose is in danger of being destroyed by the passing teams which are compelled to drive over it. The hose is started from the Public Works Department where the Puritan Minister presides.

This is election day in Peel for the Local Legislature. Chisholm is the Grit candidate, and White the Conservative nominee. Chisholm will probably be returned, as the County was carried by the Grits at the last election for both the Local House and the Commons.

Meeting of the Legislature---Albert Railway---Appointments, etc.

The *Royal Gazette* summons Parliament to meet on the 18th of January; contains the notification from the Sheriff of Albert County that a majority of the people and property had voted in favor of the railway; offers a reward of $500 for the apprehension and conviction of the person or persons who destroyed by gunpowder the School House at Smith's Creek; and gives the following list of appointments:

James Tibbits, Esq., to be a member of the Executive Council.

Moses J. Moore, John S. Armstrong, Carey Estabrooks, Thomas Trott, Wm. Hawkshurst, Thomas O'Donnell, Peter Lingley, and William H. Chase, to be Justices of the Peace for Queen's County.

J. H. W. Scott, M. D., to be a Coroner for Queen's County.

John E. B. McCready, Levi N. Sharp, Miles Jenkins, James Miles, John M. Stockton, and James Breen, to be Justices of the Peace for King's County.

William Buchanan, and Peter Brannen, to be Coroners for King's County.

Peter Brannen to be an additional Trustee of King's County Grammar School.

James K. Hazen to be a Notary Public.

Alexander G. Williston, Alexander McDougall, and John Williston, to be Commissioners for the Bridge over Black River (at its mouth), County of Northumberland.

J. Woodforde Smith to be Deputy Provincial Secretary.

Honorable J. Herbert Crawford to be a Member of the Board of Works.

A Thief and a Deserter.

Last evening, about 6 o'clock, the Chief of Police received a telegram from Col. Gordon, of the 60th Rifles, Halifax, informing him that Ambrose Pelissier had deserted from his master, an officer of the same regiment, and carried away a quantity of plate. It described the personal appearance of the man, and that it was supposed he was on board the Intercolonial train. The Chief at once made his arrangements for the arrest of the man, with that care and secrecy for which he is so famed. His right hand man, his chief detective, Sergt Rider, was placed in a prominent postion to await the arrival of the train. Indeed the organization was so perfect that it is only a wonder the man did not escape. The scene was one calculated to impress every one with the wonderful ability of the mind that governs and is the ruling spirit of the police force. The train was a little late, and even the fascinations of a bazaar across the street could not induce those watchers to leave their places. Such sticking to the post of duty has hardly been eclipsed, even by Casabianca. The station house, however, was warm. The train came, and in an instant the eagle eye of Sergt. Rider rested on his man, as he walked out of the train whistling "The girl I left behind me," with a paper parcel under his arm. "That's my man," mutters the Sergeant, and he accosted him thus: "Are you from Halifax, sir?" "No; from Truro." "What's your name?" "John Smith." "Too thin," said the detective, and forthwith familiarly addressed him as Ambrose, took his paper parcel of plate away, arrested him, and took him to the station. The man passed over a revolver, a pocket book, and a lot of nick-nacks. During his walk to the station he admitted stealing the articles, and said he "supposed he would get five years for this." The plate consists of a silver mug, a pair of salt cellars, a fish knife, a knife and fork with pearl handles, and a few small articles. The mug has a monogram, A. H. F., on it, and the others are also marked. This morning another telegram was received in answer to one from the Chief of Police from Col. Gordon, saying an officer would be over tomorrow to take the man to Halifax. The man was in the dock at the Police Court, and, after being cautioned by the Magistrate, the charge was read to him. "I'll have nothing to say about it. The property was left in my charge by my master, who is away," was his answer. "And why did you steal it? a pretty way to take charge of it," said the Magistrate. "I thought I was taking pretty good care of it when I kept it by me," said Ambrose, as a sickly smile passed over his face at his own wit. He will remain in custody until the arrival of the officer from Halifax. Sergt. Rider will have to be in Halifax at his trial.

Drink Kills a Contractor.

The Newcastle *Advocate* says that Mr. Angus W. McDonald, a sub contractor of Section 10, I. C. R., while under the influence of liquor, fell over the bank of the river, a distance of some thirty feet, where he was found some time after, quite dead.

A New Departure.

The members of the Episcopal congregation, at present worshiping in the Union Meeting House, met on Monday night and decided to send a delegate to the United States, to enquire into the condition of the new movement of which Bishop Cummins is the head, and to ascertain if a Minister can be procured from that body. Dr. Chandler was accordingly appointed and yesterday left to discharge his mission. When he reports to the congregation, they will decide as to the proper action to be taken. —*Moncton Times.*

Medicines, &c.

Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BITTERS?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs, in Bilious Diseases.

The properties of DR. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic, Carminative, Nutritious, Laxative, Diuretic, Sedative, Counter-Irritant, Sudorific, Alterative, and Anti-Bilious.
