# Maple Leafs Beat Taylor-Forbes Eleven -:- Bards Lose To Local Orients 7-5

## ONTARIO CUPHOLDERS LOSE TO LEAF TEAM IN FAST TILT

London Eleven Forced To Battle Every Minute To Win 3--2.

LOCK'S WORK GOOD

The Provincial League soccer game between the Leafs and Taylor-Forbes of Guelph at the Sackville street enclosure, Saturday, before the largest crowd of the season, was a splendid game all through, and although the Leafs won 3—2, they had to battle all the way to maintain their lead. The Leafs won the toss, and the Ontario Cup holders kicked off and immediately made tracks for the Leafs' goal, forcing a corner, which, however, proved abortive.

The Leafs retaliated, but Stark spoiled a good chance, being given offside, while Dave Smith shot over the bar following an attack by the Leafs.

Guelph now took up the attack, and following clever combination, Lock was called upon to save, which he did in fine style.

The Leafs were now pressing, but spoiled several good efforts by being given offside, while Taylor sent in a lovely centr, which the goalie saved at the expense of a corner.

**Pressure Relieved.**

The Leafs forced several corners, but nothing resulted from the place-kicks, and a free kick against them relieved the pressure.

The visitors now took up the attack, and the Leafs' goal had a close call, May heading away in the goal-mouth, while Lock also had to fist away at the same time. End-to-end play now followed, while a fine run and center by Holt almost brought about the visitors' downfall with the goalie away from his charge. Holt forced another corner, but he shot behind. The Leafs now kept up the attack, and Stark, their center, opened the scoring with the goalie away from his charge. The same player duplicated a few minutes later.

The visitors forced a corner, and a scrimmage occurred around the Leaf goal, which ended in a penalty being awarded the visitors. Muir took the kick and scored.

This reverse spurred the Leafs, and they again took up the attack, Taylor sending across a nice center, which Holt met and scored with a fine shot, bringing the score up to three goals.

**Lock Saves.**

In the second half the visitors soon made tracks for the Leafs' goal, and Lock made a splendid save at full length. The visitors were awarded another penalty, but this time Muir missed with the spot kick, shooting past the goal. It was a stroke of good luck for the home team, and they again made tracks for the visitors' goal. Dick Smith put the ball right in front of goal, and Bowman struck the upright. It was a close call for the visitors.

This escape warmed up the boys from Guelph, for they immediately tested Lock again, but he was equal to all demands. The visitors had rearranged their attack at the interval, the center and outside left changing places. Yet another penalty was awarded the visitors, but this time Lock saved, and from the rebound the ball was put over the bar. The Leafs now took up the attack again and forced a corner, but nothing resulted, while at the other end the visitors made another spirited attack, which resulted in a goal, a run on the left wing by Hamilton and a perfect center resulting in Fell reducing the Leafs' lead. There was no more scoring.

Teams:

Guelph—Moore, Dunlop, McColl, Renton, Moreland, Muir, Halliwell, Mooney, Hamilton, Kerr, Fell.

Leafs — Lock, May, Dawson, D. Smith, A. Smith, Cunningham, Taylor, Forrester, A. Stark, Bowman, Holt.

## Orient Seconds Annex Opener

Russell Holds Knights To Two Safe Hits.

In the first of the play-off series for the championship of the Inter-Club League and the right to progress into the O. B. A. A. Intermediate play-offs, Orients on Saturday at Queen's Park handed the K. of C.'s an artistic 9—0 defeat.

Two lone hits were all the Kaysees could grab off the slants offered by "Lefty" Russell, and these were spread over two innings. Noonan's infield hit in the fifth was one of these, and another infield smash by Bernie Fitzmaurice in the sixth was another.

Four hits, combined with a hit batsman and a wild pitch, moved four runs around for the Orients in the first inning. Nopper settled down then until in the eighth, when another blast of three hits, with a hit batter and an error, allowed another cluster of four runs, and discouraged a belated rally.

Burgess' single, an error and Gray's tingle producing a tally, had been the only liberty taken with Nopper's delivery in between the first and last innings.

The second game of the series will be played at Sunshine Park next Saturday.

## SOCCER KICK-OFFS

By LINESMAN

If the Leafs continue to maintain their present form, they will have a fine chance to cop the Provincial League honors.

The Ontario Cup holders' combination was far more convincing than the Leafs', as the latter did not produce their usual brilliance. Tommy Bowman, especially, being off color on Saturday.

Jimmy Holt played a nice game all through, besides scoring a goal. Charlie Taylor also played well, while George Cunningham played a grand game at left-half, his head-work being very prominent.

Stark was playing under difficulties in the second half, having previously been injured. He got two goals in the first half, and played well all through, despite his handicap.

Lock excelled in goal. His work greatly impressed the crowd, although he was not overworked.

The backs were not quite so steady as usual, but the halves dominated the play. Davie Smith being a little more vigorous than usual. Dick Smith played well.

The visitors had a well-balanced side, and will be a hard team to beat, although their goalkeeper was not convincing at the start. He played better in the second half, and made some nice saves.

Their defence was very good indeed, and the change in their forward line at the interval made a big difference in the attack.

Three penalties in one game is something unique, and would make it appear that vigorous methods were being adopted, but such was not the cases, as the game was clean all through.

A meeting of the executive will be held Thursday at 7:30 p.m., at the Armories, when the draw for the Brisco Charity Cup will be made. All entries must be with the secretary not later than Thursday noon.

The Thistles and C. N. R. Juniors battled to another draw in their Ontario Cup tilt Saturday, each scoring a goal.

The Railroaders have been invited to play an exhibition game at Merritton on Labor Day. This is the outcome of their recent Connaught Cup games with that team. The junior also have been invited there, there.

Secretary Sheard is out of town and any business requiring prompt attention should be addressed to President Morgan, 119 Garfield Ave., or phone 7959M.

There remains one league game yet to be played, that between the Railroaders and Caleys, at the Sackville street grounds. The date has not been settled upon yet.

The one big surprise in junior soccer Saturday was the defeat of the Elgin Rovers in the Ontario Cup by the W. O. R.'s, 3—1.

It is expected that the Leafs' next opponents will be the Kitchener Rangers.

The Railroaders have signed on Whitworth, who used to keep goal for the W. O. R.'s and the old P. U.'s.

They had a well-balanced team in action against the Vets Wednesday. The game will be replayed Wednesday at the C. N. R. grounds at 5:45.

## NEWFOUNDLAND GETS BEER AND WINE SALE

Alcoholic Liquor Bill Passes Final Stages—Will Replace Prohibition Act.

Canadian Press Despatch.

St. Johns, Nfld., Aug. 17.—At Friday night's session of the legislative council the bill respecting alcoholic liquors was passed through its final stages and, with the signature of the governor, will replace the prohibition act which has been in operation since 1913. The act recognizes the principle of the sale of alcoholic liquors as a beverage. It allows the purchase of a bottle of spirits a day and gives to hotels the right to supply guests with beer and wines. The restrictive measures are drastic.

## CORINTHIAN ELEVEN DEFEATED IN CALGARY

Canadian Press Despatch.

Calgary, Aug. 17.—After fairly mystifying their opponents by a dazzling display of dribbling and securing a lead of one goal to nil during the first 45 minutes of play, the much-touted Old Country Corinthians wilted badly under the gruelling pace that the Calgary All-Stars set during the second half, and were forced to accept a 2 to 1 defeat here Saturday.

### COMBINATION NAMES FOR BORDER TOWNS.

The names of towns on the borders of states are sometimes made up of syllables from the names of the states. Sylmar, for instance, in Maryland, borrows syllables from Pennsylvania and Maryland, and Pen Mar, in Pennsylvania, does the same thing in a slightly different way. Calexico, in California, indicates its proximity to Mexico in its name. Mexicali, just on the other side of the border, in Lower California, has become celebrated as the possessor of "the longest bar in the world."

## WALTER JOHNSON HUMBLES DETROIT

Great Hurling Duel at New York Won by the Yanks.

Associated Press Despatch.

Washington, Aug. 17.—Walter Johnson allowed but four hits today and Washington won from Detroit 8 to 1. Detroit scored in the ninth when with two out Jones hit a fast grounder to Peckinpaugh, which bounded over his shoulder for a single, and O'Rourke followed with a double to centre, resulting in the one tally. The score

**YANKS WIN 2—1.**

Associated Press Despatch.

New York, Aug. 17.—Pennock and Thurston hooked up in a pitching battle here today, which was not settled until the last man was out in the ninth. New York defeated Chicago by a score of 2 to 1. The Yankees got their two runs in the sixth inning on Witt's double, Dugan's triple and Ruth's fielder's choice. The score

## ATHOLSTAN CUP GOES TO ULSTER UNITED TEAM

Canadian Press Despatch.

Montreal, Aug. 16.—By the narrow margin of one goal, Ulster United of Toronto won the Atholstan (C. F. A.) Cup. Carsteel and Ulster met here today in the final of the home and home series to decide the holders of the trophy for the coming year. The game resulted in a scoreless draw, but by virtue of a 1-to-0 victory in the first contest at Toronto, Ulster United was victorious.

## DOUBLE TRIUMPH SCORED BY MISS HELEN WILLS

Associated Press Despatch.

Forest Hills, N. Y., Aug. 17.—Miss Helen Wills yesterday scored a double triumph in the finals of the women's national tennis championships. The California girl retained her singles crown by decisively defeating Mrs. Molla Mallory, New York, 6—1, 6—3, while, paired with Mrs. George W. Wightman of Boston, she gained the doubles title by conquering Miss Eleanor Goss of New York, and Mrs. Marion Z. Jessup of Wilmington 6—4, 6—3.

## Golf

AS CHAMPIONS PLAY IT.

What is the best way of getting a friend to take up golf?

Answered by

BOB CRUICKSHANK,

runner up in national open championship, 1923, and the man who, in 1921, defeated Hutchinson, Sarazen, and Barnes in an invitation tournament at St. Joseph, Mo. Runner up in Pittsburg tournament for professional golfers, 1922, being defeated only by Sarazen.

* * *

If I had a friend whom I wished to take up golf I would carry out the following method: I would invite him out to my club, especially on a crowded day, introduce him to as many fellows as possible, and then take him along with me and watch my particular match. Now and then I would let him swing a club in his own natural way. I would try to explain a little at a time the various terms of the game. When we were finished he would hear nothing but golf talked in the locker-room, and his interest is bound to be quickened by it. The next time I invited him out I should introduce him to the pro and arrange for lessons and equipment. If he is human and had any spark of the sporting instinct in him, he should be anxious to get started by this time. I would help him in choosing his equipment and take an interest in his lessons. Eventually we would start out playing together, and if possible, I would take him to see some good stars in exhibition or tournament play.

### CORN STALKS FOR PAPER MAKING.

It has always been a problem just what to do with the large quantities of corn stalks that must be got rid of each year in those countries where the corn crop is large. Ordinarily, the stalks are burnt on the field. In Hungary, a land where large crops of corn are grown each year, a process has been developed recently for treating corn straw so as to make paper and other valuable by-products out of it. The details of this process have been reported to the Hungarian Academy of Science. The process, which is known as the Vegyi Ipar, yields 40 pounds of cellulose, 40 pounds of molasses and 5 pounds of artificial fertilizer from every 100 pounds of straw. The cellulose can be used for the manufacture of paper. The considerable value of these by-products makes this process much more advantageous than the ordinary method of obtaining cellulose from wood chips.

## TWO FACE CHARGE OF DESECRATION

Port Huron Men Are Arrested After Priests Swear Out Warrant.

VESSELS RETURNED

Special to The Advertiser.

Sarnia, Aug. 17.—George Gardner, an American who has been assisting James H. King in conducting revival services at Port Huron, Michigan, was arrested in that city Saturday on a charge of desecration of St. Joseph's Roman Catholic Church, Sarnia, for which a warrant was issued here Friday. Gardner is alleged to be one of two men who Thursday night entered Southward Catholic Church and took therefrom two benediction hosts. After being brought to Sarnia bail was set by Magistrate Heney Gorman in the sum of $5,000, Alderman Jas. Cox of this city, and William Lawrence providing sureties. A warrant is issued for Gardner's brother, Roma C. Gardner, but he has not yet been found.

Several witnesses who claim they can identify one of the two men seen emerging from the church at the time of the theft have been procured, and it is expected that preliminary hearing will be held Monday.

**K. K. K. WAS FEARED.**

Special to The Advertiser.

Sarnia, Aug. 17.—Great excitement prevailed in Sarnia on Saturday when the report was spread that St. Joseph's Roman Catholic Church was raided by agents of the Ku Klux Klan.

On that day, two men in a car bearing a Michigan license number drove up to the Roman Catholic Church, of which Rev. Father McCarthy is rector, and, entering the sacred edifice, broke open the tabernacle and extracted the symposium, containing the host. The church was open at the time, but it was necessary to smash the tabernacle to get at the chalice and wafers.

The crime was committed after mass in the morning, and was not noticed until a woman praying in the church saw two men enter in the afternoon, and, after peering cautiously around, throw something into a confessional box.

She informed Father McCarthy of what she had seen, and the priest found the chalice and parts of its contents, 18 of the wafers having been stolen.

Father McCarthy instituted an inquiry, and soon found some people who had seen the Michigan car parked outside the church. One of the men had noted the license number.

After a consultation with Rt. Rev. M. F. Fallon, bishop of London, Father McCarthy had warrants sworn out for the alleged guilty parties.

The raid on the church was first believed to have been made to secure evidence for a so-called exposure of Roman Catholic teachings which was made at a gathering of the Ku Klux Klan outside of Port Huron.

The sacred vessel and its contents were brought back. The foresight of the alleged desecrators in this regard makes it rather uncertain as to whether they could be extradited to Canada to be prosecuted.

The raid at Sarnia coming close on the heels of supposedly K. K. K. manifestations at Niagara Falls and Erieau, gave rise to belief that the Ku Klux Klan was at work.

There is great indignation among the church members here, and Knights of Columbus and other organizations are guarding the Catholic churches of the city. The local police are also keenly on the watch.

## GARDEN STUFF SUFFERS IN WESTERN FROSTS

No Damage Done To Grain Crops During Week-End.

Winnipeg, Aug. 17.—Though frost was reported at several points in Manitoba during the week-end, there was no damage to grain crops, but in some districts garden stuff suffered slightly. Ruell, Dauphin and Swan River reported damage to gardens, but the frost was not sufficiently heavy to touch wheat or other grains. Four other scattered districts went below the freezing point, but without damage to either vegetables or grains.

here was no frost reported from Saskatchewan or Alberta districts.

There was a material change in weather conditions today and much higher temperatures were reported, though many districts had showers. The forecast is for unsettled conditions with showers.

## SHEDDEN BEATEN BY ST. THOMAS 13--3

Brown Allows Twelve Hits, While Mates Make Seven Errors.

Special to The Advertiser.

St. Thomas, Aug. 17.—The local seconds defeated Shedden, 13 to 3, in the play-off game here Saturday. Shedden tied the locals here last Friday by a score of 3 to 3.

Brown, hurling for the visitors, allowed 12 hits, while he was given poor support, his colleagues making seven errors. He struck out ten and walked two. Kenney allowed but four hits, the locals playing errorless ball until the ninth when Pook and Connel each made one.

A freak double play was pulled off in the ninth. After Kenney walked Scott and Smith, Oliver rolled out. Brown, the next man up, flied out to Pook, who threw in over Connel's head, scoring Scott. Smith had taken a lead off first base before Pook threw the ball, and realized his mistake when rounding second base, attempting to return he was caught out at first when Connel recovered the ball.

Shedden also tied West Lorne, and the play-off game will be held on Monday evening at Dutton. If West Lorne wins they will be tied in the second series of the West Elgin League with the locals, but if they lose the locals will have won both series and will start in the semi-finals.

## SIX PERSONS LOST AS BOAT CAPSIZES

Were Crossing River From Montreal—Three Others of Party Rescued.

Canadian Press Despatch

Montreal, Aug. 17.—Three men and three women disappeared and are considered drowned, and two men and one woman were saved when the rowboat in which they were crossing from the island of Montreal to Boucherville Islands capsized early this morning in the River St. Lawrence in the east end of this city.

The missing are: Hector Deslauriers, 18; Leo Boyer, 24; Mrs. Leo Boyer, 23; Gertrude Leduc, 24, and a man and a woman from Viauville, whose names have not yet been ascertained.

## S. MACLAREN WEEPS AS PLANE DEMOLISHED

British World Flight Commander Greatly Disappointed Over Damage To Machine.

Canadian Press Despatch.

Prince Rupert, B.C., Aug. 17.—When Major Stuart MacLaren, British world flight commander, realized that his plane had been hopelessly damaged after alighting in the surf at Nikolski Island, off Siberia, and that his attempt to circle the world had been frustrated, he sat on the beach and wept. It was the end of his hopes. His companions on the flight were also bitterly disappointed. This was stated here by Major MacLaren, in telling in detail the story of the flight, the outstanding incidents of which are already known.

"Failure was caused just simply because things went consistently against us," he said. "We encountered most appalling weather conditions as soon as we left Japan."

## ENGLISH CRITICS RAP NEW BRIDGE PROPOSAL

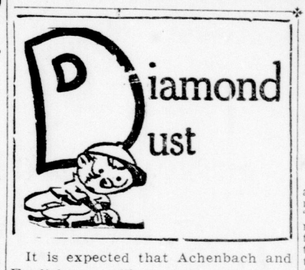
Claim Erection of Structure Over Thames Would Be Useless and Inartistic.

Associated Press Despatch.

London, Aug. 16.—The proposal to build a new bridge over the Thames, adjoining St. Paul's Cathedral, is condemned by the Royal Fine Arts Commission, on the ground that the new structure would be inartistic. However, the proposal is being tenaciously adhered to by the corporation, although the building of the bridge would take nearly £1,000,000 from the current taxes, without counting what sum would be available for the purpose from the corporation's existing revenues.

Competent critics of the proposed bridge assert that it would not relieve the congestion of traffic. The Southwark Bridge was recently rebuilt at an enormous expense, but it remains almost deserted.

## ORIENTS DEFEAT STRATFORD TO TIE ST. THOMAS FOR LEA



It is expected that Achenbach and Englishman will be thrown in today in an effort to start the Tecs climbing again.

The disorganization in the local team, which cropped up twice last week, would be more disconcerting if the high-priced major league combinations didn't go off on the same sort of tangents every once in a while.

The rest yesterday will do the Kazoos and the Beattymen a world of good. The London team has only had two Sundays at home.

It's an odd coincidence that two recent Mint League players should be up near the top in the big league averages. Cuyler is second in the National league batting race, and Messenger, who has worked but three games, has two wins credited in the American League figures.

Yoter, sterling little third-sacker of the Saginaw Aces, who has been leading the league in most of the hitting averages issued, has been sold to the Cleveland Indians by Saginaw. This makes three sales the Aces have made to Speaker.

Ben Koehler, 52 years of age, formerly with the Bay City Wolves, is still playing ball in South Bend, Ind. At the age of 10 he was considered the best "kid" playing in the South Bend Turnverein. Long before he had reached his majority he was holding a berth with the minors, and developed so fast that when he was 21 years old he was playing a sensational outfield for Atlanta. From that club he went to St. Louis Browns, later to St. Paul American Association team, and then returned to South Bend to play with the Central League Club.

## Police Uncover Boy's Skeleton Near Hamilton

Canadian Press Despatch.

Hamilton, Aug. 17.—The police were furnished with another mystery yesterday morning when the skeleton of a boy, apparently five or six years of age, was found partly buried on the mountainside near the Indian Trail. The body must have been where it was found for nearly a year.

The skull and torso and part of the bones of the feet were intact, but the thigh bones were missing. A pair of suspenders and running shoes were the only articles of clothing.

Whether the lad, while picking berries, fell over the mountain edge, or whether he was slain and placed there remains to be determined.

## TWO MOTOR CARS COLLIDE ON ST. THOMAS HIGHWAY

Special to The Advertiser.

St. Thomas, Aug. 17.—Two cars travelling towards St. Thomas on the highway north of Sandy Mount hill collided about 4 o'clock Sunday afternoon, and one, a large touring car, was turned over in the ditch. Both cars, it is reported, were travelling at a fair rate of speed. The first one attempted to turn into a gateway and the other car, unable to stop collided with it and turned it into the ditch. The second received slight damages to the fenders.
