Life and Character Reading.

MAY 26.

People born on this date come under the sign of Gemini, the sign of the Twins, those born under it, are usually well formed, of dark hair and bright complexion, with a sharp quick eye, usually hazel color.

For true friends and companionship, Gemini individuals will find the best results with calm, quiet and reserved people, those born under Aquarius and then Virgo.

The governing planet of this date is Venus, the Goddess of Love, and the astral colors are lemon-yellow, crimson, black and light blue. The birthstone is an opal.

These people are very uncertain of themselves, due to the dual personality given them by Gemini. They contradict their own nature, and are, as a result, somewhat of a nervous temperament.

DONATE SOCKS TO VETERAN ARMY

Trenton Citizens Receive Marchers and Replenish Quartermaster's Stores.

Trenton, Ont., May 26.—The cause of the veteran army was given a most effective boost here last evening by the local branch of the Great War Veterans' Association. Through their efforts the town was canvassed for donations in cash and kind. Hundreds of handbills were distributed, asking the support of the townspeople. The result was a continuous flow of parcels into the skating rink, where the men were quartered. This step on the part of the local G. W. V. A. stands out in contrast to the attitude of the association elsewhere, for the veterans have not been previously recognized by them.

From Brighton onwards the march was one long triumphal procession into Trenton. Reeve Harry Phillips of Brighton took the platform at lunch time, and with a megaphone made an appeal for socks that was heard all over the village. One hundred and fifty pairs were donated to replenish the quartermaster's stores, besides a number of good marching boots and nine dollars in cash. On the road into Trenton, one lone lady, the mother of four soldier sons, rushed out with a small cluster of white lilacs and pinned it on Mr. Donald's coat, while the whole column cheered as it went past in a cloud of dust.

As the tired marchers halted in front of the memorial arch leading into the park, McDonald ordered 30 seconds of silent prayer for those names recorded on the tablets on either side of the gate.

CONTRIBUTES $100.

Trenton, May 26.—Secretary J. V. Conroy, of the Great War Veterans' Association, met McDonald's army here and presented the general with $100. He stated that the splendid discipline of the men and their energetic marching had won the respect of all the citizens of Trenton. Frank Riley, second in command, left for Kingston this morning on special intelligence duty and recruiting work. Eighty-five men enlisted here up to 11 o'clock. Their discharge papers were all examined before their final attestation, in addition to a rigid medical examination. As a morning pastime for the men they are having a bathing parade in the bay. The column is leaving for Belleville at 1:30.

PANET LEAVES FOR NEW COMMAND

Brig. Gen. H. A. Panet, commander of military district No. 1, is leaving the city today for Toronto, where he will take over his new command, military district No. 2.

Brig.-Gen. King, who is to be the new commander of this district, will arrive in the city Tuesday to take charge. In the meantime Lieut.-Col. C. H. Hill, of the local staff, will be in temporary command until the arrival of Gen. King.

On Sunday, in Toronto, Gen. Panet will officiate at the annual Spring Church Parade, which is one of the biggest events of the year in that city. More than 3,000 persons are expected to take part in the celebration.

Gen. Panet will return to the city on Monday to finish up many small details in connection with his work in the city, and will probably remain here until Tuesday to confer with the new commander.

POPE PROTESTS PROSECUTION.

London, England, May 26.—Pope Pius has protested to the Russian government, through the Soviet delegation at Genoa, against the prosecution of Patriarch Tikhon, head of the Russian Orthodox Church, on a charge of resisting the seizure of church treasures, says a dispatch to the Daily Telegraph.

EATING POISONOUS FUNGI KILLS THREE

Two Other Members of New Ontario Family Critically Ill.

SAULTE STE. MARIE, Ont., May 25.—Three members of the family of Mr. Joseph Lawlor, a farmer at Gordon Lake, Ont., nine miles north of Desbarats, are dead, as a result of eating a quantity of what were believed to be mushrooms, but which were a poisonous species of fungus.

The lives of two other members of the family are in danger, while the little 3-year-old boy, who refused to eat the dish, is the only one of the family not affected.

Mrs. Joseph Lawlor, mother of a family of two boys and two girls, was the first to die. Her death was followed an hour later by that of her 7-year-old daughter, Mary. Beatrice, 12 years of age, was taken to the home of Mrs. Thomas Higgins, close by, in seeming good health, and was given the very best of care. She seemed quite well, and when Drs. Duncan and Lloyd left the child was evidently in good health, but she died at 5 o'clock.

Joseph Lawlor, father of the family, suffered a great deal, but survived. The other two survivors are William, a boy of 14 years of age, and the 3-year-old boy.
