LOCALS.

The match yesterday at the Brantford tournament for the prize of $110 between the Walnut Batters of that town and the Maple Leaf resulted in a brilliant victory for our boys by a score of 17 to 5. When two men were out on the 9th innings with only one run scored and the bases full, the ball was hit and lost in a ditch close by, and before it could be recovered all had come home—hence the five runs. A large number of spectators witnessed the game. Below we give

The ST. LAWRENCE club are going to have a game with the London TECUMSEHS next Monday, and expect a lively game. If those TECUMSEHS can't wollop that Kingston club they ought to sell their suits.

LACROSSE.

LONDON beat TORONTO at lacrosse yesterday three straight games.

POVERTY IS BAD, but the worst kind of poverty is poverty of the blood; this makes a man "poor indeed," for it takes away his strength, courage and energy; but enrich the blood with its vital element, Iron, by taking the Peruvian Syrup (a protoxide of iron) and you will feel rich and "as good as anybody." Try it.

A DISTINGUISHED PHYSIOLOGIST has said that Neuralgia is the cry of the hungry nerves for their special food, which is the Phosphorous contained in the blood. This painful disease is usually followed by general prostration on account of the great waste of nerve tissue and insufficient supply of nerve force to maintain the functions of the vital organs. The common cause of Neuralgic and Rheumatic Pains is depraved Nutrition arising from Derangements of the Stomach, Mal-assimilation of Food, and Poor Blood. Dr. Wheeler's Compound Elixir of Phosphates and Calisaya supplies Phosphorous for the nervous system, Lime as an excitant of nutrition, Iron for the Blood, and Calisaya for promoting strength. No preparation in existence is so reliable to maintain the vital forces and energise all the organs and tissues of the body

which can be cured by a timely resort to this standard preparation, as has been proved by the hundreds of testimonials received by the proprietors. It is acknowledged by many prominent physicians to be the most reliable preparation ever introduced for the relief and cure of all Lung complaints, and is offered to the public, sanctioned by the experience of over forty years. When resorted to in season it seldom fails to effect a speedy cure in the most severe cases of Coughs, Bronchitis, Croup, Whooping Cough, Influenza, Asthma, Colds, Sore Throat, Pains or Soreness in the Chest and Side, Liver Complaint, Bleeding at the Lungs, &c. Wistar's Balsam does not dry up a Cough, and leave the cause behind, as is the case with most preparations, but it loosens and cleanses the lungs, and allays irritation, thus removing the cause of the complaint.
