The Toronto Sawbones Cricket Club paid a visit to the Mimico Asylum Thursday to play one of their two annual fixtures with the club at that institution.

The Asylum eleven went first to bat, and were all out for a total of 74 runs, Arthur Beemer contributing 32 and Dr. Beemer 15. For the visitors, Dr. Smith's 34 was the only score of double figures, and the total was 41, owing to the magnificent bowling of Montgomery. In the home team's second venture, Arthur Beemer scored 43, Fleury 45, Montgomery 21 and Burrell 21, out of a total of 167. Time would not allow the doctors to complete their second innings. Dr. Dean, however, contributed 15 before time was called. The score:

TORONTO'S PRO. AHEAD.

Ritchie of Rosedale Beaten by Three in the First 19 Holes.

An interesting golf match was played on the Rosedale links yesterday afternoon between Ritchie, the professional at Rosedale, and Smith, the pro. of the Toronto Club. A large number of the members of both clubs evinced great interest in the game, of which the second half will be played this afternoon on the Toronto links at Scarboro'. The score was fairly even, each man being in the lead at times, but the Toronto player scored three at the close, and thus finished three holes up. The strokes for each of the 19 holes were scored as follows:

Smith .....4555463145543445 54—79

TOO COLD TO PLAY BASEBALL

Toronto and Providence Rest Prior to To-Day's Double-Header.

President Powers Will Keep Tabs on Umpire O'Laughlin—The Other Teams Played, Victory Resting With Montreal, Syracuse and Wilkes-Barre — Many Amateur Games for To-Day.

The weather was cold and raw, and it was raining around 4 o'clock yesterday and so Providence and Toronto postponed the game, taking a rest prior to the double-header this afternoon.

There promised to be friction between the Island League and the Toronto Club owing to this afternoon's game being put back, but everything was straightened out amicably at the meeting last night. The Queen Citys and T.A.C. will likely play the game scheduled for to-day next Wednesday at 5 p.m.

It is understood that President Powers will have a representative at the Island this afternoon to watch Umpire O'Laughlin and see if he really is as bad as reports said he was on Thursday. The record to date:

	Won.	Lost.	Pct.
Toronto	19	14	.576
Providence	16	12	.572
Montreal	18	14	.563

Games to-day: Providence at Toronto (two games), Springfield at Montreal, Wilkes-Barre at Buffalo, Syracuse at Rochester.

Baseball Brevities.

Billy Nash, now that he has been released by the Philadelphia Club, will be signed at once by the New York Club.

Albert Wagner, the new third baseman, is the only man on the Washington infield who is playing good ball. Doyle, Reitz and Wrigley are away off.—Philadelphia Sporting Life.

Manager Shannon of the Wilkes-Barres has given Pitcher Coakley his release. Coakley has been a member of the Barons so long that he is no longer an attraction in the mining town.

Manager Rowe of Buffalo says that he expects to add Pitcher Amole of the Washington team to the local pitching corps within a few days. Amole is the southpaw that Baltimore gold-bricked on the Wagners.

Jamison, one of the four pitchers with Wilkes-Barre now that Coakley has been released, is a full-blooded Indian and looks the part, as he is swarthy, active and lithe and learned to play ball at the Carlisle Indian School in Pennsylvania.

The deal by which Stenzel and Quinn were to go to St. Louis for Holmes and a cash consideration is hanging fire, and may not be consummated after all. It appears that Von der Ahe is opposed to the Quinn end of it, and has so notified Tim Hurst.

If President Freedman's terms are satisfactory, Adrian C. Anson will manage the New York baseball team for the remainder of the season. Freedman, it is said, has decided to satisfy the popular clamor for a successor to Scrappy Bill Joyce. Uncle Anson received a telegram from the eastern magnate telling him to come to New York immediately. If Anson is appointed manager he will likely cover the initial bag.
