ROUGH GAME IN CORNWALL

And the Toronto Were Defeated by Five Goals to Three.

Teams Evenly Matched and Rosedale Men Were the First to Score After 14 Minutes — Many Free Fights on the Field and Peaker Had His Nose Broken.

Cornwall, Aug. 27.—(Special.)—Cornwall beat Toronto to-day in what was the roughest game played in Cornwall for a long time. The score was 5 goals to 3, and the teams were so evenly matched that, despite the many disagreeable features, the excitement was intense.

The first game lasted 14 minutes. The play was hot and even-up from the start, and time had to be called twice on account of injuries to Peaker, who had his nose broken, and McVey. The scoring of the game was the result of a great dash by Black, who passed to Broderick. In the second game Tobin was ruled off. Nolan, who played a great game, scored for Toronto. Time, 9 min. Jack Broderick scored the third game for Cornwall in 1½ min.

The fourth game developed considerable roughness. Butler cross-checked McGibbney into the fence, and play had to be stopped till they were pulled apart. Griffith was responsible for the loss of this game for Toronto. He had been playing very roughly, and struck Burns in the mouth when the ball was some distance away. The Cornwall captain interfered, and a free fight seemed imminent. The referee started to rule Griffith off without stopping the play, and Cornwall scored the fifth game in 5 minutes, and Madden the sixth in ½ minute.

The next game went to Toronto 12½ minutes, Nolan scoring. The same player scored the ninth game for Toronto in 2 minutes. Six minutes still remained to play, and the game became very rough. William Broderick and Griffith started a fight and were sent to the fence. Allan, who played a very poor game, ran out to the side and struck Munroe, who retaliated. Both were sent to the fence. No further scoring was done. The teams were as follows:

Toronto (3)—Goal, Allan; point, McGibbney; cover, Yorke; defence, Griffith, Stewart, Grimes; centre, Gamble; home, Peaker, Moran, Burns; outside, McVey; inside, Nolan; captain, Wheeler.

Cornwall (5)—Goal, Hess; point, Tobin; cover, Kervin; defence, Broderick, White, Degan; centre, Burns; home, Black, Brown, Madden; outside, Broderick; inside, Butler; captain, Turner.

Umpire—J. D. Ferguson, G. T. O'Connor. Timekeeper—A. S. Macdonell. Referee—William Pollock.

Nationals Knocked Down.

Montreal, Aug. 28.—The meeting of the Senior Lacrosse League delegates to discuss the protests of the Capitals and Shamrocks against the National grounds was held here last night, and the result was that the Nationals, owing to the condition of their grounds, were sentenced to play the Shamrocks again on Sept. 19 and the Capitals on Sept. 24.

The delegates present were: Tobias Butler, president; John P. Dunn, Capitals; W. F. Crites, Cornwall, and Joseph Lamarche, Nationals. Messrs. Meloche and Fred Quinn were consulting delegates for the Nationals and Messrs. W. Snow, E. Quinn and W. P. Lunny were consulting delegates for the Shamrocks.

Toronto was not represented at the meeting. The Nationals are very indignant at having to play the matches which they won over again, but there is no help for them.

Acton Beat Champions.

Acton, Aug. 27.—Acton added another to their list of victories by defeating the Credits of Glenwilliams, together with four of the Georgetown Aetnas, here to-day by six straights. Glenwilliams are champions of the Central District, so this speaks well for Acton, who have only been playing lacrosse four weeks. The teams were as follows:

Glenwilliams (0)—G. Beaumont, W. Beaumont, Watson, Cornett, Blackstock, Norton, Bradley, W. Allan, Forgrave, Scott, T. Allan.

Acton (6)—Swackhammer, A. Gurney, W. Gurney, E. Statham, E. Ryder, F. Ryder, W. Statham, McIntosh, Scott, C. Williams, L. Williams.

Referee—J. Lawson.

The Lacrosse Record.

The league action on Saturday has given the Capitals a clear lead for the lacrosse championship, while Toronto's loss gives Cornwall quite a boost. The record:

	Won.	Lost.	To Play
Capitals	5	1	2
Cornwall	4	3	1
Nationals	3	2	3
Toronto	2	5	1
Shamrocks	1	5	2

Michael Beaten by the Majah.

New York, Aug. 27.—Major Taylor, the negro cycler, met and defeated Jimmy Michael, the little Welshman, in a special match race, best two out of three, one mile, paced heats, from a standing start, at the Manhattan Beach cycle track this afternoon. Michael won the first heat easily, as Taylor's pacing quint broke down in the final lap; but in the next two heats Michael was so badly beaten and distanced that he quit each time in the last lap. Taylor's work was wonderful, both from a racing and a time viewpoint, and he established a new world's record which was absolutely phenomenal. For the first time in his racing career the Little Rabbit was hissed by the spectators as he passed the stand, dispirited and dejected by Taylor's overwhelming victory. Summary:

Special match race, mile heats, best two in three—First heat won by Michael. Time 1.44 1-5.

Second heat—Won by Taylor. Time 1.43 2-5.

Third heat—Won by Taylor. Time 1.41 2-5.

Coal-Baron's Chances for the Pennant Look Rosiest.

Montreal's Lead is a Little One, While Toronto is by No Means Out of the Running—Schedule for the Closing Games — Two Days' Results on the Diamond.

The Eastern League teams make their third last shift of the year to-day—that is, each has 12 more regular scheduled games to play, the season ending Saturday, Sept. 10. The chances of the rag for Montreal, Wilkes-Barre and Toronto look about equal, with the odds slightly favoring the Coal Barons. After Shannon's men entertain Toronto they wind up with eight games against Springfield. Then the Islanders return and finish with Syracuse and Ottawa, while Montreal will have it easy with Syracuse this week, and then goes up against Ottawa and Buffalo.

To-day's shift: Toronto at Wilkes-Barre; Syracuse at Montreal; Buffalo at Springfield; Ottawa at Providence.

Semi-final shift—Montreal at Ottawa; Syracuse at Toronto; Wilkes-Barre at Springfield; Buffalo at Providence.

Toronto Wins the Last Game.

Toronto gave Montreal quite a drubbing Saturday at the Island to wind up the series. Abbey was unmercifully pounded, and, though Williams had eight strike-outs to his credit, the Pea Soups secured nine hits, including a double, triple and home run. When the visitors saw they were up against it they kicked annoyingly, though O'Loughlin was as fair as his ability would allow. Freeman's clean hitting and an acrobatic catch by Taylor were the features. There was a splendid attendance notwithstanding the strong counter-attraction at the Woodbine.

Eaton's Staple Games.

The staple department of the T. Eaton Company held their picnic at Island Park Saturday. During the afternoon a baseball match was played between the married and single men, which resulted in a victory for the single men. Score, 23—13. Batteries—For single men, Mills and McLean; for married men, McKee and McPherson.

After the ball match the ladies of the department got tea ready, and all sat down to a splendid spread provided by Mr. Hayes, manager of the department. After tea the ladies had an exciting footrace of 100 yards, which resulted as follows: Miss Moulder 1, Miss McGinn 2, Miss Fogerty 3.

A hearty vote of thanks was tendered Mr. and Mrs. Hayes for the very pleasant afternoon they had provided, showing the good-will which exists between the manager and employes. "God Save the Queen" brought the last half-holiday of the summer season to a very successful close.

The two Ryans—Tommy Ryan of Syracuse and Australian Jimmy Ryan of Louisville—are matched. The articles call for a 20-round contest on Sept. 26. The fight will be virtually for the welterweight championship.

BEST FOR ROAD RIDING

Dunlop Tires

Demonstrate Their Supremacy for General Riding and Touring.

At the Dunlop Trophy Races on Saturday Ernest A. Peters, a Toronto boy, won the puncture race.

When the starter punctured and deflated his Dunlop Tire and fired the pistol to start, Master Peters removed his tire from the rim, patched a hole, put the tire back on the rim, pumped his tire hard with a little pocket pump, jumped on his wheel and rode away in 55 seconds. He established a record.

The referee and judges could hardly credit his wonderful performance, and were only convinced on examination of the patched inner tube when Peters finished.

In the ladies' puncture race Miss Minnie Phillips repaired a punctured Dunlop Tire in 86 seconds.

Which all shows what a trivial accident a puncture is—if you ride a mount fitted with the easy-to-mend and hard-to-puncture Dunlop Detachable Tires.
