STEAMSHIP BRITANNIA.—The passengers by the steamer Britannia, Capt. Harrison, upon her last voyage from Great Britain, held a meeting on board that vessel, "to express their deep sense of the unremitting watchfulness and seaman-like conduct displayed by Captain Wm. Harrison and the Officers under his command, during the passage of unusual length and of very great severity." The meeting was presided over by Sir Donald Campbell, Bart. the newly appointed Governor of Prince Edward Island. By one of the resolutions the passengers begged Captain Harrison's acceptance of a piece of Plate, with a suitable inscription.—*Halifax Chron.*

PICTOU, Dec. 9.—The steamer Conqueror, which has been laying here for some days for the purpose of conveying His Excellency Sir Donald Campbell to Charlottetown, has been compelled by the lateness of the season to leave without doing so. She left on Tuesday evening for Halifax, on her way to St. John, N. B.

Mr. J. McHenry Boyd, of Baltimore, who arrived at Philadelphia 4th instant, with his bride, having been married that morning, met with a sad accident at the United State Hotel, where he was putting up. He went to his trunk and was taking the percussion cap off a pistol, when it discharged, and the bullet entered his body near the groin and lodged near the spine. Dr. King, U. S. N., who was at the hotel, was summoned, and extracted the ball, but Mr. Boyd still remains in a very critical situation. The agony of the young wife can hardly be pictured.

SPLENDID DIVIDEND.—In a late *Gazette* a dividend of three thirty-secondths of a penny in the pound was announced on the estate of Rice Harris, of Birmingham, glass manufacturer. Thus a creditor to the amount of £64 will receive the magnificent sum of sixpence!

NEW YORK.—Dec. 7—Genesee Flour 6 25 to 6 3-3-8. Market steady, though not active, sales 3000 bbls. Western at 6 18 3-8 to $6 37 1-2.

BOSTON.—Dec. 7—Flour is decidedly better, and the demand good. Genesee common brands sell readily at 6 50, cash. 200 bbls. Fredericksburg, 6 5-8, 4 ms.

At the Annual Meeting of the Saint John Agricultural and Horticultural Society, held at the St. John Hotel on Wednesday, 8th December, 1847—

Mr. Robt. Jardine, the President, took the chair.

The Secretary then read the Report of the Directors, and the papers annexed.

ON MOTION, RESOLVED, That the Report be received and adopted, and that the same, with the accompanying documents, be forthwith published.

RESOLVED, that two hundred copies of the Report and papers be printed on sheets for circulation, and that a copy be sent to each Agricultural Society in the Province, as a request that such Society will co-operate in measures for the establishment of a central Board of Agriculture.

RESOLVED, UNANIMOUSLY, That the thanks of this Society are justly due, and be now tendered to the worthy President, for his zeal and assiduity in forwarding the best interests of the Society, and that he be now re-elected President for the ensuing year. Carman, Peter Dewar, Robert Bowes, Henry Chubb, A. Menzies, James Dunn, Henry Blakslee, James Brown, Wm. Hawks, Charles Drury, R. F. Hazen, Thomas Trafton, and Wm. Howard, *Directors*.

ORDERED, That two hundred bushels of Polish Oats, and fifty bushels of Barley, for seed, be imported on account of the Society; and that the Secretary do write to the Northern part of the Province, and ascertain on what terms one hundred bushels of "three months' Wheat," which has been so successful there, can be procured for seed.

ORDERED, That Mr. Jardine and Mr. Ingledew be a committee to obtain information relative to the establishment of a Bone Mill, and report thereon to the Board of Directors; and that the same gentlemen do also report as to the encouragement which should be given to the erection of an Oat Mill and Kiln on the Golden Grove road.

ORDERED, That the following publications be taken in for the use of the members of the Society—The Transactions of the Central Boards of Agriculture in England and Ireland, and of the Highland Society of Scotland,—with the "Gardener's Chronicle and Gazette," (published in London,) the "Ayrshire Cultivator," and "Downing's Horticulturist." M. H. PERLEY, *Secretary*.

*** The public are cautioned to be aware of a swindler, calling himself *Neal, or Nealy*, who is in the habit of obtaining money, under false pretences, saying that he has just arrived with a cargo of smuggled Brandy, and wishes to borrow a few dollars just to pay the cartmen, &c.
All the papers will confer a favor by inserting the above.
A SHOP-KEEPER.

*** The Mail for England (per steamer Britannia from Halifax on the 18th inst.) will be closed at the General Post Office in this City, To-morrow (Wednesday) at 3 o'clock, P. M.

LET ALL WHO ARE AFFLICTED WITH ASTHMA READ THE FOLLOWING LETTER.

Mr Seth W. Fowle:—

Sir—Having been afflicted for more than thirty years with the Asthma, at times so severely as to incapacitate me from attendance to business, and having adopted many medicines without any but temporary relief, I purchased about three years since, of Mr. Edward Mason your agent in this city, several bottles of Wistar's Balsam of Wild Cherry, from the effects of which I obtained more relief than from all the medicines I had ever taken for that distressing disorder. I have by the repeated use of your valuable Balsam, been more free of pressure for breath, and oppression on the lungs, than I had anticipated, and indeed conceive myself cured of this most disheartening malady.

I do most cheerfully tender you this acknowledgment, which you will use as your judgment dictates.
