WHERE BOYS BECOME MEN FARMERS AND ARTISANS

Prof. Goldwin Smith and Premier Ross Formally Opened Broadview Institute's Fall Fair.

Saturday witnessed the triumph and close of the second annual Fall Fair in connection with the Broadview Boys' Institute. This Fair is exclusively for boys, all exhibits being the product of the skill or industry of boys under 18 years of age. The Fair was open to the public Friday evening, when a great many availed themselves of the opportunity of seeing the exhibits, but the formal opening did not take place till Saturday afternoon, when Prof. Goldwin Smith metaphorically touched the button. There was a goodly assembly of the boys and their friends on the lawn when Hon. G. W. Ross, who presided over the proceedings, introduced the distinguished sage. The Premier, in a brief speech, spoke of the interest he had always taken in the work carried on by the superintendent, C. J. Atkinson, and congratulated him on the evident signs of success. He spoke in strong terms of the value of the Institute and its work, and gave a very delicate and guarded hint that the government might at some future time assist financially in the undertaking.

Prof. Goldwin Smith was given a cordial reception and a most attentive hearing. He spoke of having visited the miniature farms and of his pleasure in what he had seen. He felt that the Institute was accomplishing a good work in counteracting the evils of the movement from the farms cityward by developing in the boys a love of agricultural pursuits, and an interest in country life. In the manual training classes also there was a provision for healthy development. The teaching of domestic science could not but exercise a healthy influence on the homes of the future.

There was a large attendance and the exhibits proved most interesting. A tent contained the vegetables and flowers, the products displayed being of excellent quality, tho the first prize varieties were said by some to be hardly up to the standard of last year. In the gymnasium the show of dogs, poultry and pets constituted a popular attraction, while during the afternoon the exhibit of trick dogs on the band stand brought three entries, the boys vainly endeavoring to put the dogs thru their stunts. A Punch and Judy show on the lawn was the only attraction of a Midway character. The Broadview Boys' Band played thruout the afternoon.

In the evening all the departments of manual training were exhibited, classes being at work in cookery, carpentry, basketry, clay modeling and wood-carving. The Fair was on the whole a decided advance on that of last year, being an entire success both in point of attendance and number and quality of exhibits.

East Toronto.

East Toronto, Sept. 27.—There were large congregations at St. Saviour's Church at both services to-day. The church was beautifully decorated with the "fruits of the earth," including grain, vegetables and flowers, the services being the Harvest Thanksgiving. The rector, Rev. Dr. Osborne, preached in the morning on the "Spiritual Harvest," and at the evening service, which was fully choral, his subject was "Righteousness Exalteth a Nation."

Emmanuel Presbyterian Church was decorated on the occasion of their anniversary services. The decocation comprised tasteful grouping of flowers, fruits, vegetables, etc. Rev. T. H. Rogers, B.A., preached both morning and evening.

Rev. Thomas Ratcliffe preached in East Toronto Baptist Church this morning on "A Day of Glad Tidings and Our Responsibility." In the evening the subject was "The One Thing Needful." The offerings of the day will be devoted to the Manitoba and Northwest missions.

There will be a meeting of the Town Council to-morrow evening, when the question as to who shall be the tax collector and how much shall he be paid, will, it is hoped, be finally settled.

An arc lamp is required at the corner of Swanwick-avenue and Mary-street in order to accommodate the congregation of St. Saviour's Church and the many people that get off and on the cars at that corner. The incandescent light now in use is of only 32-candle-power.

H. W. Howell, Lyall-avenue, has resigned the superintendency of East Toronto Baptist Sunday School, and will leave shortly for the neighborhood of Owen Sound, where he has bought a farm. Mrs. Howell returned from St. Michael's Hospital, where she has been for the past three weeks. She is rapidly recovering from the effects of an operation.

The last dance of the season was held in the club house Saturday night. It was attended by a large number of young folks and their ladies.

The Mr. Henry sailed over the course alone, as no competitors would face the strong wind from the northwest.

Mrs. N. L. Steiner and Miss Agnes Ross are visiting Mrs. Smith, Lakeside Cottage.

Balmy Beach.

The closing service of the season was held in the Church Pavilion, Spruce-avenue, last night. Rev. H. C. Dixon preached from Exodus xii., 13: "When I see the blood, I will pass over you." Tho the weather was rather cool, the congregation was large, as has been quite usual this season. Last week by actual count there were over 1200 people in the pavilion at the various services. The platform meeting in the pavilion last week was the most successful ever held at Balmy Beach. The pavilion will be dismantled this week.

The young folks had a "marshmallow roast" Saturday evening, after which a dance was held at Harry Symons, Balsam-avenue.

The Scarboro Cricket Club played St. Stephen's Church Club Saturday afternoon and lost. Score: Scarboro 24, St. Stephens 99. The Scarboros will have a social party at E. B. Brown's, Howard-avenue, to-night.

A TERRIBLE KIDNEY PAIN

Mr. Charles Welsh of Picton Suffered Intense Pain in His Back and Kidneys.

He Tried Plasters, Pills and Liniments, But They Failed to Help Him.

He is Thankful For the Rapid Relief and Complete Cure Obtained Through the Use of Dr. Pitcher's Backache Kidney Tablets.

Mr. Charles Welsh of Picton, Ont., is well-known in that town and vicinity. He was formerly engineer on the mail packet plying between Picton and Deseronto.

About a year ago he was laid up with a severe attack of backache and kidney trouble, so bad that he could hardly get around.

After trying everything he could think of without obtaining relief, Dr. Pitcher's Backache Kidney Tablets, the new remedy for kidney trouble, was suggested to him.

He decided to try the tablets and with what results we will allow him to relate in his own words:

"I was ailing with a terrible pain across my back and kidneys. It commenced gradually getting worse, so that I was obliged to stop work. I tried plasters, oils, liniments and pills until I was almost ashamed to enter a drug store and they all failed. I came across a man who had been using Dr. Pitcher's Backache Kidney Tablets and he advised me to try them, and while I used them and ever since, I have never known what it was to have a pain or ache in the back or kidneys. Therefore, I would advise any person who is troubled with kidney or backache trouble, to use Dr. Pitcher's Backache Kidney Tablets by all means, for I can highly recommend them ahead of anything else I know of. For they have made a sound man of me, when I could hardly walk up street before I got them."

(Signed) CHAS. WELSH.

The action of Dr. Pitcher's Backache Kidney Tablets is rapid and positive, curing backache, crick in the back, puffiness under the eyes, swelling of the feet and ankles, mist before the eyes, gravel, high color of the urine, smarting or scalding, frequent rising at night, pains in the joints and muscles, uric acid in the blood, bed wetting of children and all kidney troubles of young and old. Price 50 cents a box at all druggists or sent by mail. The Dr. Zina Pitcher Company, Toronto, Ont.

Annual Rifle Matches Well Attended —Staff Sergt. Kerr Wins General Match.

The annual rifle matches of the 48th Highlanders, at Long Branch ranges, on Saturday, were very well attended by members of the regiment, taking out the biggest crowd of any year. The day was a fine one for shooting, tho the light was hardly of the best until late in the afternoon, when the best scores were put on. In the general match, Staff-Sergt. Kerr tied with Color-Sergt. The Cosby Shield was easily won by E Company, who also captured the Marguerite trophy, by the closest possible margin over C Company. Staff-Sergt.
