'Do you call that a veal cutlet, waiter?' said an old gentleman, dining at a restaurant. 'Why, it's an insult to every true calf in the country!' 'Well, sir, I didn't mean to insult you,' returned the waiter.

Madlle Sessi, the new soprano, who has been so much praised for the beauty of her hair, has been engaged by Mr. Gye, for the Royal Italian Opera, at a salary of 400l a month.

☞ Is health worth having? If it is protect it—it is a jewel so easily lost as virtue, and in many cases as difficult to recover. In this climate, and more particularly at this season of the year, people are very apt to take cold and suffer from sore throat, coughs spitting of blood and pulmonary complaints generally, which if not checked immediately lead to serious consequences The question arises—which is the quickest and most effectual remedy? Bryan's Pulmonic Wafers have been before the public for twenty years, and have always given perfect satisfaction, and invariably effect permanent cures when taken in season. Sold by all Medicine dealers and country stores generally throughout the Province, at 25cts per box.

EVERY BODY USES IT.—And all agree, that the 'Canadian Pain Destroyer' is the best medicine for the instant and permanent removal of pain from the system, ever yet discovered. It acts as a general alterative, thereby removing the cause of the disease, and renovating the action of the system. For the purpose for which it is recommended, it has no equal. Truly it is a good thing. Sold by all Medicine Dealers.

Incredible as it may appear that one compound should be adapted to the treatment of such a variety of diseases, it is nevertheless true that Dr. J. Briggs' Allevantor has proved of incalculable benefit in affording prompt relief in thousands of cases of painful and distressing attack. Its grand mission is to subdue pain and bring glad tidings to the suffering.

The capacity of the Allevantor for doing good is unequaled, and no family should be without it, as it may be the means of saving life in those sudden visitations of disease that require prompt measures to prevent a fatal termination. It is conceded to be the most valuable medicine of its class on account of its adaptation to a wider range of diseases than any other preparation, and therefore more convenient as an every day remedy. Sold by druggists and country merchants. Dr. J. Briggs & Co. 208 Broadway, N. Y., and No. 6 King Street, West, Toronto, Canada.

A GENTLEMAN from Oswego, on a summer trip down the St. Lawrence, stopped over Sunday at the Dunnigan Hotel, in Montreal C. E., in the summer of 1866 During the day (Sunday) he was seized with cramps, vomiting, violent purging, &c., indicating a disease called Canada Cholera. He dispatched a servant for medicines to the druggist; but on Sundays these Conservatories of medicines are closed—a poor show for those who get sick on Sundays.

He was constantly growing worse, until his symptoms become alarming David Gale and then manager, called on me and wished me to see him. I immediately gave him a tea spoonful of Ready Relief, diluted in a half tumbler of water. In a few minutes His countenance wore a lively and pleasing expression and he remarked: 'I feel much better.' I feel easy, the pains and cramp are leaving me,' a gentle heat is spreading all over my body.' In the course of an hour I gave him another dose. In an hour after that he ate his dinner. In the evening he attended church. On his return to Montreal he called on me and stated that he believed Radway's Ready Relief saved his life

J. RADWAY, M. D.

On the first symptoms of pain or uneasiness in the stomach of bowels, take a dose of Ready Relief this will prevent attacks of Cholera, Diarrhea Bilious Colic, Dysentery, Fevers, etc.

NEW

CHEMICAL PRINCIPLES

APPLIED IN THE CURE OF

Chronic and Wasting Diseases.

DR. RADWAY'S

SARSAPARILLIAN

RESOLVENT.

N.B.—The great medicine (free from all nauseating or disagreeable) effects spoken of here, Dr. Radway's

SARSAPARILLIAN RESOLVENT,

is prepared on a new principle of Medical Chemistry, from the active curative properties of the most those products of the vegetable kingdom. The Sarsaparillian and *other favorite roots yielding extracts that enter into the composition of this wonderful Blood, Tissue, Flesh, Life-making medicine are selected and gathered with the greatest care at the proper season, from the native soil, under the supervision of Dr. Radway—expert root botanists, employed exclusively for Dr. Radway & Co.—so that no spurious admixtures or worthless roots can possibly be mixed with the pure.*

It costs Dr. Radway & Co. over $30,000 (thirty thousand dollars) per annum for the services and expenses of scientific Botanists in this branch alone. But the wonderful improvements it has secured in the curative range of Dr. Radway's Remedies, more especially the

SARSAPARILLIAN RESOLVENT,

pays for the outlay over and over again; for never in the history of medicine was such a medicine known to completely build up, repair, and make sound, strong, healthy, vigorous, and beautiful, both the weak and broken-down constitutions, as

Dr. RADWAY'S SARSAPARILLIAN RESOLVENT.

Important Chemical Principles supplied to the wasting body through the

SARSAPARILLIAN RESOLVENT

It supplies the blood with nutriment.
IT CONTAINS TISSUE-MAKING AND FLESH-MAKING QUALITIES.
It supplies the system with caloric or heat-making properties.
It cures all Eruptive and Ulcerated diseases of the Eyes, Ears, Mouth, Throat, and Skin generally.
It increases the appetite and appetite.
IT STOPS ALL WEAKENING DISCHARGES.
It increases the repairs and diminishes the wastes.
It exterminates the products of disease.
It resolves Tumors, Nodes, Hard Lumps.
It makes the skin clear and healthy.
It heals Fever Sores and Ulcers.
It cures Gravel, Gleet, and Stricture.
It makes the water clear and pass freely.
It cures Barrenness, and invests with the vigor of manhood. Impotency in youth or weakness of disease, are efficient or exhausted.
It restores woman from the pale faded state to change of life—essentially of Manhood.

To those who seek Health.

There is not a man, woman or child, however wasted by disease, if their systems are still in a condition to receive nourishment, and their LUNGS, LIVER, KIDNEYS, and other vital organs not wasted beyond the process of repair, or incapable of sustaining the *regenerative process* of RADWAY'S

Sarsaparillian Resolvent,

but can be either restored to health, or the wastes and decompositions stopped, and the elements of decay that now exist removed from the system.

Extreme cases where the LUNGS, KIDNEYS and other organs are wasted ulcerated, and their functions interrupted and secretions altered beyond the reparative power of medicine, may and will by the use of the Sarsaparillian Resolvent, continue to live perhaps for years; for no matter how low the vital forces may be, if the system can be brought under the influence of this tissue and flesh-making medicine the repairs will be greater than the wastes, and the BLOOD WILL receive that high degree of strength, purity, and nourishment to enable it to build in healthful solution all its constituents, and stop the process of decay and decomposition.

CONSUMPTION, SCROFULA, Bright's disease of the KIDNEYS, SCIRRHUS SYPHILIS and the poison of Venereal, are developed through the process of deposition in the blood either in the lungs, in the Kidneys, Bladder or Cellular Tissue, and these diseases in their advanced stage can both be checked and cured by the use of the Sarsaparillian Resolvent.

MARK THE CHANGE.

A person seized with any Chronic disease of the Lungs, Liver, Skin, Kidneys, Spermatic Glands, Womb, or Urinary difficulties, will experience a marked change in his health in a few days after taking the Sarsaparillian Resolvent. *As the blood becomes more pure, rich, strong, and nourishing, and enabled to hold in solution its natural constituents, the deposits of Tuberculous matter and other elements of disease, decomposition and decay, will be diminished in the Lungs, Kidneys, Skin and other Organs, and each of these Organs will secrete their proper constituent secretions. Instead of Urine, Bile, the Pancreatic Juice and other fluids being absorbed in the circulation, these secretions will be directed for expulsion from the system through their proper channels. If medicine fails in its influence on the system, to correct these secretions, and to assist each organ or secreting gland in discharging its proper functions, health can never be restored; hope must for ever forsake humanity. Radway's Sarsaparillian Resolvent acquires this important result that has heretofore existed in all these remedial agents advertised as Blood Purifiers.*

No matter how deeply seated or engrafted in the tissues, cartilages, glands, organs, or bones disease and corruption may be, the influence of this powerful agent on the blood and other fluids that supply the living body with repairs, will so change the system with such constituents as to resolve and exterminate the dead and decomposing matter, and supply its place with sound and living structure, nourished by rich, pure, and strong blood. By the chemical action which the Sarsaparillian Resolvent has on the substances taken into the stomach during the process of digestion into Chyme and Chyle, before it is made blood, as well as the nourishing constituents it converts into blood, and its specific action when entering in the circulation, it exterminates every atom of virus from the blood, and renders away all deposits of disease, whether caused by the action of some specific poison, or virulent disease, or Mercury, Corrosive Sublimate, &c. the Corrosive Chloride of Mercury, Calomel, and other agents that may have accumulated in the bones, tissues, cartilages, or joints or from some transmitted family complaint that may have run through half a dozen generations.

Scrofula, Consumption, syphilis, uncured or badly treated Venereal in its many forms, Glandular Diseases, Ulcers in the Throat, Mouth, Tumors, Nodes in the glands and other parts of the system, Sore Eyes, Strumous Discharges from the Ears, and the worst forms of Skin Diseases, Eruptions, Fever Sores, Scald Head, Ringworm, Salt Rheum, Erysipelas, Acne, Black Spots, Worms in the Flesh, Tumors, Cancers in the Womb, and all weakening and painful discharges, Night Sweats, Loss of Sperm, and all wastes of the Life Principle, are within the control of the Sarsaparillian Resolvent, and a few days use will prove to any person using it for either of these forms of Disease, its potent power to cure them.

Uncured Venereal—Gleet, Gravel, Strictures, and all Complaints of the Urinary Organs, Bladder, Kidneys, Womb, Dropsy, Diabetes, and all who are inconvenienced by Stoppage of Water, or Painful Discharges, are quickly relieved and effectually cured through the

Recent Cures reported by E. J. Chapman, Commercial Traveller, Montreal.

G Benoult, of St Timothee, County of Beauharnois, Canada East, had for nine years THY LARGE ULCERS on his thigh, the other on his side, Had resisted all kinds of medicine and the skill of the most celebrated doctors in Montreal and other parts of Canada. Last Fall he commenced the use of Radway's Sarsaparillian Resolvent, aided with Radway's Pills and Ready Relief. He used only three bottles of the Sarsaparillian Resolvent, and two or three boxes of Radway's Pills, and used as a lotion, a wash of the Ready Relief and Sarsaparillian Resolvent, diluted with water, which completely cured him. He is a man that had previously spent hundreds of dollars, doctored for nine years, and cured at a cost of less than five dollars.

"ONE SOLID SCAB,"

SCROFULA CURED at Wells River, Vermont.

M. Durant, one of the wealthiest citizens of Wells River, owing of nearly half the town, besides a number of Paper Mills Hotels &c., told me of his knowledge of your medicine. His son, aged 13 years, was covered with one SOLID SCAB covering the entire body—head trunk chest, legs, and all. I saw him in September last, and he was the most revolting and diseased object I ever saw. At my request he was put under the treatment of Radway's Sarsaparillian Resolvent, Ready Relief and Pills. One month's time, on returning to Canada, I saw the father, who then told me that his son was completely cured. I know of many who have been cured of Fever Sores, Eruption of the Skin, Boils, Ulcers, Sore Head, Sore Legs, and in fact all kinds of sores.

SARSAPARILLIAN RESOLVENT

WINDSOR STATION, Ontario, Canada West, March 11, 1868.

DR RADWAY:—This is to certify that I was taken with bleeding at the lungs, and night sweats, and was induced to use your Sarsaparillian Resolvent. After taking two doses I was enabled to sleep, a boon for which I was thankful. After using one bottle the bleeding was cured, and the night sweats ceased. I continued to use six bottles, and now all signs of sickness, disease and threatened Consumption have disappeared. I feel my health fully restored. JONATHAN FREELAND.

N B—This gentleman was well known to have been under the treatment of the best physicians in Canada, he received no benefit from any medicine until he commenced using your Sarsaparillian Resolvent. GEO. MORTIMER,

Ayer's

Hair Vigor,

For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. *Faded or gray hair is soon restored to its original color with the gloss and freshness of youth.* Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING,

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich glossy lustre and a grateful perfume.
