☞ Post Office.—What is the reason the Chronicle cannot be delivered with some degree of regularity on the route supplied by Burgess' Office, Mill Stream? Complaints long and loud have been made since the establishment of this route, and we have frequently entered complaints at the Post Office on account of the non delivery of the paper. The bundle is sent regularly from the office, each paper under envelope, directed "Way Office, Mill Stream." The bundle must be opened at Burgess' and the fault must lie there and the delivery thro' the settlements. However, we shall see to the matter.

SIR,—It is with much pleasure I have to inform you of the benefit I received from your Lozenges. I was attacked with the typhus fever, during which time I had a violent cough, so that it kept me awake the greater part of the night. A friend persuaded me to try a box of your "COUGH LOZENGES" which I did and am happy to say that with only one box of your valuable compound I was quite free from cough.

You can make what use of this you please, for I think such valuable medicine ought not to go unnoticed.

I remain, Sir, your obedient Servant,
