LEITA J. REPEATS BEATING BOGASH

Sensational Time in Grand Circuit Races at Kalamazoo.

KALAMAZOO, Mich., Aug. 7.—Sensational racing marked the fourth day of the Grand Circuit races. Five heats were necessary to decide the winner of the Silver Cup in the Burdick House Stake, of $6000 for 2.12 pacers. This event was raced on the four heat plan, and Leita J and Frank Bogash, Jr., after winning two heats each, raced the fifth heat alone. Not until the home stretch was reached was there an indication of which might win, Leita J. pressing under the wire only half a length ahead. Stetbrino Lad, the favorite, never got out of second place in any of the heats. The second fastest time of the year was made in the third heat, when Leita J. stepped a mile in 2.03.

The 2.22 trot was a walk-away for Eleanor G. in all three heats she raced ahead of the field and won as she pleased, eased up.

One of the finest contests of the year developed in the 2.05 pace. Flower Direct and Jr. Dan Patch raced neck and neck in the first heat, the latter winning. In the second heat these two were noses apart all down the stretch, the mare getting the decision by the closest of margins. In the final heat the Patch horse fell back, Zombrewer landing in second place.

Driver Steadmanw as fined $100 and suspended ten days, because of his alleged improper driving during one of the races yesterday. Summary:

COAST AMATEURS OBJECT TO PROFESSIONAL PROMOTER

SAN FRANCISCO, Aug. 7.—The appointment by James E. Sullivan, secretary-treasurer of the A.A.U., and director-general of amateur athletics at the Panama-Pacific International Exposition in 1915 of Tom Mulvey, a professional promoter, to be assistant director-general, has been followed by such resentment here that the Pacific Association of the A.A.U., in an open letter signed by President John Elliot, refuses to allow Ralph Rose, George Horine or any others of its members to compete in 1915 if the appointment stands. At a meeting of the association today, secession of the Pacific coast from the parent body was urged.

Mr. Hugh Munro of the Granite Club has been elected president of the Clevelands Aquatic Association.

CADILLAC RENEWED CARS

When buying a used car, quality should be considered. Unless an automobile has "quality" in every point it will not give satisfaction when it is sold as a used car. A renewed Cadillac will give you greater service than any other new car at the same price. We have a few renewed Cadillac Touring Cars which can be seen at our showrooms—models of 1909, 1910, 1911 and 1912—at prices ranging from $800 to $2000.
