SOME FAST WORK-OUTS AT FREDERICTON

Fredericton, June 8—The 2.25 mark has been reached by some of the trainers at Fredericton Park Association's track already this season in workouts, and indications point to some fast work in racing here on June 30th, July 1st and 2nd. Although the the season has been backward, it is said that 2.24 is the fastest that has been worked at the local track this spring, and one of the unmarked trotters has been making better than 2.30 by several seconds.

ROWING NOTES.

George Whelch, a well known Australian professional sculler, defeated Billy Fogwell, a protege of Richard Arnst, world's champion, at Christchurch, Australia, recently. Fogwell led for the first mile, but a half-mile farther on Whelch went into the lead and Fogwell shortly after stopped rowing. Whelch used the shell in which Webb lost the professional championship to Arnst.

It is expected that Magdalen will represent Oxford in the eight-oared race at Henley. Five of the men in the Magdalen boat rowed in the same positions on the winning Oxford crew against Cambridge.

The crack Belgian eight that won the Grand Challenge cup in the Royal Henley regatta in 1906 and 1907 will row in the Henley again this year. Owing to the Olympic regatta last summer, no foreign entries were accepted in the 1908 Henley regatta, else the Belgian crew might now have three consecutive Henley victories to their credit.

Walter G. Distler, who stroked the Cornell freshmen against Harvard, is a Baltimore boy and received his first rowing instructions under Harry Vail, the Ariels' coach. Distler will row in the Ariels' crew again this year. Last summer he was a member of the Ariels' junior eight.

Ben Thoroughgood and Harry Pearce rowed for the professional championship of Australia last week on the Parramatta river. The race was for $1,000, with Thoroughgood the titleholder.

Out in Australia they have not yet given up all hope of getting Ernest Barry of England into their country. Ben Thoroughgood stands ready to row Barry for $1,500 a side and will allow Barry $400 for training expenses in case the Englishman is defeated.

TEXAS MAY STOP BOXING

Galveston, Texas, June 8—The pugilistic encounter in Austin in which Victor Lyons was so badly beaten in eleven rounds by Geo. Kepp that he died from his injuries, has aroused Governor Campbell, who says he may within a few days call a third special session of the legislature to prevent further boxing in Texas.

BOUTS THIS WEEK.

Wednesday—Stanley Ketchel vs. Jack O'Brien, Philadelphia; Jig Stone vs. Dutch Carr, Charlestown; Harry Cutch vs. Eddie Walsh, New York.

Saturday—Jim Kendrick vs. Phil McGovern, Philadelphia; Sam McVey vs. unknown, Paris.

NO NATAL DAY RACING FOR HALIFAX

It appears that Halifax will have no races but the Exhibition meet. The Natal Day meet is called off. The Recorder says: "It was the intention to hold free races on the Exhibition track on Natal day, but owing to information received that this would be prevented by injunction, were same held, they have been dclared off. This is somewhat different from days gone by, when in the days of the old Polo Grounds the 21st of June was always celebrated by great racing events, giving amusement to the general public; and further back, in the days of racing on the Common, when the City Council would vote $1,000 toward holding races on that day.

Five Mile race Off.

Owing to the numerous protests on the grounds of "cruelty" the Exhibition Commission have decided to call off the five mile race, and adhere to the schedule published.

Second Payments

The number of those making second payments in the Exhibition stake races are: 2.40 trot, 12; 2.40 pace, 15; 2 year old, 17; 3 year old, 9; 2.20 pace, 9; 4 year old, 7.

—Acadian Recorder.

N. B. TENNIS PLAYERS ARE INVITED

Mr. C. F. Inches is in receipt of a letter from Mr. J. T. Lithgow announcing that the Nova Scotia Lawn Tennis Association will hold its annual tournament on Dartmouth on August 9, and he asks if the New Brunswick Association can arrange to send one or two good players to compete in the matches. Mr. Lithgow further states that it is hoped to have Beals Wright, the American champion and one or two Boston players present, and that the games, therefore, will have an educational value. The matter of New Brunswick representation will be discussed by the local executive. The New Brunswick tournament will be held on August 19, and the winners will later play the winners of the Nova Scotia league for the championship in Halifax.

NOISE FROM SACKVILLE RE AMATEURS?

In our humble opinion that M. P. A. A. A. will never be much good to Maritime Province athletics until it is reorganized—with the reorganization beginning at its head. Just the same, we must confess to a feeling pretty close to weariness when we read of some of these St. John base ballists and baseball promoters of the Winter Port complaining of the unfairness of the M. P. etc., to them. They have deserved no consideration from the Association at all. When they think that their own cause can be helped by a profession of friendliness for the Association along come the professions in great style. Then when the Association takes cognizance of their deliberate and gross breaches of amateur rules—which are almost as certain of appearance as 'the flowers in May'—out come the cries of M. P. A. A. A. unfairness.

Amateurism! Say, isn't it a joke to apply the word in connection with some—a good many— of these St. John baseball people, when you know them?—Sackville Tribune.

JEANETTE AND FERGUSON ON JUNE 22

Sandy Ferguson, of Chelsea, and Joe Jeanette, of New York, were matched Sunday night to meet at the Armory A. A. June 22. Both the boxers and their managers were eager for the fray, particularly the Ferguson faction as they claim they were robbed in Paris, where Jeanette recently won a decision over the ex-iceman. It will be one of the biggest battles seen in Boston for years.

Too Early to Talk.

It is a little early yet to turn loose the dope, but if Sandy is kept within the bounds of the rules laid down by the late marquis and is forced to take the offensive by the New Yorker, he will have to go some to reverse the Paris decision. Jeanette is a strong, tough fellow, always in condition, and while not particularly clever has a straight left hand punch that is a beaut. What's more, it caries the kick of an army mule right along with it.

Queensberry Rules

In the event of a bout between these two men, the club should insist on a strict enforcement of Queensberry rules and bar under penalty of a foul any wrestling, roughing on the ropes, refusal to return to corners or other atempted revival of the defunct London rules.

LATE NEWS OF SOME NOTED TRACK MEN

Wilton Paull, the crack mile runner of the University of Pennsylvania, who made a new intercollegiate mark of 4.17¾ at the games held in the Stadium May 29, may meet Harold Wilson, the English amateur, in a mile at the New York Press Club games June 26.

Wilson Consents.

Wilson has already consented to run, and Mike Murphy will try to get his charge to compete. It is likely also that Sheppard will run in this race.

If the race is brought about it promises to furnish one of the greatest contests ever held in this country. In the inter-collegiate championships Paull ran away from his opponents and won in the record time of 4.17. Sheppard, if trained for a mile can travel it in less than 4.20, and Wilson is said to be a 4.15 man.

Sheppard Will Run in England.

According to the British sporting papers, Mel Sheppard will be a starter in the British championship July 3. With Sheppard, the British are expecting Walker, Kerr and Cartmell, the former American inter-collegiate champion. Should Sheppard or Cartmell start in the British championship they will have to break with the A. A. U., and it will be interesting to see with what association the Americans cast their lot.

May Go Over.

Both Cartmell and Sheppard have always spoken highly of their treatment abroad, and as both intend to follow athletics but a little longer by many in the know it would not be surprising to see these athletes competing again in the Old Country.

Walker Confident.

R. E. Walker, the South African, who starts his British racing this week, still maintains he covered the century in 9 2-5 seconds. In explaining his performances he said he was not aided by the wind and that he will duplicate his feat this summer. Strange how a sprinter never can fully believe his sprinting powers. Arthur Duffy when he accomplished 9 3-5 seconds at the inter-collegiates, and one watch recorded 9 2-5 seconds, thought it was possible to get to that mark. But in all future races 9 4-5 seconds was the limit. Walker now believes that the strenuous tour which he has mapped out for himself will bring forth the necessary speed. Here in America, however, we want to see 9 3-5 seconds before we will consider anything better.

STERLING'S TROPHIES EXHIBITED.

The two trophies which E. Sterling, of the Every Day Club won at Amherst on Monday in the Amherst Ramblers' five-mile race are on exhibition in M. R. A.'s window, King street. The purple and white of the Ramblers adorn both cups which are fine looking trophies. One is the Barker Trophy and the other the Ramblers Trophy.

Keen Competition

Only Three Fredericton Men

Only three men from Fredericton H. S. will compete. They are MacDonald, Barry and Atkinson. Fredericton's dissatisfaction with the arrangements made in connection with the date for the sports resulted in their team being cut. Fredericton H. S. at present holds the trophy emblematic of the U. N. B. Interscholastic championshop. The three men which will represent the yellow and black, however, are expected to make a number of firsts.

10-0; ST. JOSEPH'S STEP UP AND SHOVE ST. JOHN'S DOWN

The St. Josephs found the task of trimming the St. Johns last evening about on a par with that of separating a weanling from a sucker. With several of their players in absentia the champions of Lower Cove were at a distinct disadvantage. St. Josephs were at their strongest with the willow and the glove, allowing only the minimum number of St. Johns' hitters to leave the bench in four of the five innings, and only two additional in that. Purple was as loud a color at the bat as in the field, McGuiggan being unable to prevent them from knocking out nine safe knocks, two of them half-circles. St. Josephs chalked up four in the first—enough to win as many games under the conditions which prevailed. Long, the first man up, was put out by McGuiggan's throw to first. Small, however, pelted out a two-bagger, stole third, was welcomed home on a boost from Simpson's hit to left. Simpson in turn, moved one on Harris' drive to right, and tallied on Burke's double-sack bang to the foot of left-field fence. Meanwhile Harris registered at third and both he and Burke romped home on Kelly's mishandle of Donnelly's ground-tapper. This ended the scoring for Cregan and Conboy stopped Donnelly in an attempt to steal third, and Riley flied to Keleher.

With the exception of the third inning, St. Johns never made a noise like a score. Only five of the Southenders strayed into the bases during the course of the game. In the third, Doherty secured the first base-hit for his team. He pilfered second, and reached third when Long erred in handling McGuiggan's grounder. In attempting to score, however, he was tagged at the plate, the assist going to Burke. McGuiggan stole second, but he and Cregan were left on bases.

At every other section of the game, St. Josephs kept their fielding averages unblemished, while Barrett stopped three St. Johns men from starting. St. Josephs added two runs in the third, Simpson and Harris both cramming the ball to left. Simpson scored on Harris' single after stealing two sacks and Harris did the last two stretches on passed balls by Cregan.

In the last inning, St. Josephs amassed four runs more, batting all around. One hit by Burke, and six errors in the field told the tale.

LYNCH MEETS DUFRESNE ON JUNE 13

Alf. Lynch with his seconds Hazen Campbell and Jimmie Mullin leaves for Montreal on the 11th. He meets Kid Dufresne once again on the 13th in Montreal.

Lynch has many friends who think he received an exceedingly raw deal in his last bout with Dufresne which they claimed should have been a draw. Lynch is anxious to get another chance at Dufresne and thinks he can beat him on the 13th.

Yesterday the boxer went down to Mahogany Island to put in a few days' training before leaving for Montreal. That locality seemed to appeal to him as an ideal spot in which to train and he will get in some hard work before leaving for Montreal.

Trainer Dick McMahan has been miles around 2.15 with Sonoma Girl and other trotters in his stable.

George Castle of Chicago has purchased the pacer, Dr. Bonner (2.07 3-4) to race over the half-mile tracks.

A great many of the fans are anxious to see Wolters pitch a game for the Boston Red Sox. He had a record of winning 25 games and losing two out in the California league last year, and on that would seem to be a good man to keep in working readiness to do box work for the Sox.

Johnny Kling says that President Murphy of the Cubs must be "kidding" when he says that he (Kling) has made him a proposition about returning to active duty with the Chicago team.

"Chick" Raymond, the Brown catcher and captain, who is to be given a try-out with the Boston Americans, is one of the best college catchers of the year. He is a hitter as well as a good backstop.
