Amusing.

By the side of a manufacturing stream,
An elderly gentleman sat;
On the top of his head was his hat,
And a top of his wig was his hat.

The wind it blew high and blew strong,
As the elderly gentleman sat;
And it tore from his head in a trice,
And plunged in the river his hat.

The gentleman then took his cane,
Which lay by his aside as he sat;
And he dropped in the river his wig,
In attempting to get out his hat.

His beard it grew cold with despair,
And fell in his eyes unknown sat;
So he fled in the river his cane,
To swim with his wig and his hat.

A Mysterious Family History.

THREE CHILDREN TAKEN WILD OFF AN ISLAND IN LAKE HURON.

One morning about a month ago a scrap of elegant gold lace, and not very responsible river for intelligent opinions, came to the Orphans' Home in connection with the Sisters of St. Joseph, Hamilton, and knocked at the door. One of the sisters came and opened it, and the lace presented three children to be taken care of. The children were a decidedly strange sight for those of the sisters. There were three of a girl and two boys. The girl was clad in loose plaids and was of respectability which contrasted decidedly with their department and looks. The girl was about fourteen years of age, and seemed to be the mother of the three. She was dressed in a plain and rustic style, but had no expression of much more intelligence than her younger brothers. All of them were small in stature but the boys especially so, and looked pale and overtired. They were not dirty, but there was an unnatural and unhealthy appearance about them which could be suggested by somebody any other cause than debauchery. Their oddly shaped eyes, their splish features, their clothing, very, very, lumbering, very, very, like hoots, and their dialects and attenuated frames, would strongly apply to what would be the attention, in the latter, their general appearance, in the their peculiar way of speaking made them objects of the most pitying interest, an object of curiosity, and one of the strangest. They were [illegible] the father—for sisters, [illegible] himself in disguised [illegible] make of something [illegible] dressed in a buried [illegible] something in his [illegible] Edgely to get away. As soon as the children were in the [illegible] same wild, unintelligible [illegible] he were throughout [illegible] and did not make [illegible] or say a farewell word [illegible] or indeed to any one. [illegible] out of the entrance he [illegible] and furtively looked in [illegible] the side lights of the door. [illegible] ran off hastily and was soon out [illegible] and out of sight. The children [illegible] taken out of Home and food [illegible] About two o'clock in the [illegible] the wild looking father was [illegible] and softly up to the convent [illegible] enter the gate and peer in [illegible] into the side lights. He [illegible] were not there, however, and [illegible] he saw he was observed [illegible] and was seen no more. The [illegible] would not taste any food [illegible] proffered them, though they were [illegible] and wanted as could [illegible] hair hands resembled bird's claws [illegible] anything else, and their feet [illegible] a cluster of bones. On talk to them it was found that they did not speak, albeit they possessed the natural capacity for articulation, have a full set of teeth, perfectly formed, of the mouth, and tongue and every movement. Neither did they pay attention to any words or [illegible] kindly cared for by the sisters since their advent. But it was discovered that the boys were afflicted with a desperate cough, and though every kindness has been bestowed upon them and every mode of treatment adopted, it is not thought likely they will survive long. Meanwhile, they continued to be gaining strength for a time after being introduced. They in the Home has shown that they lived in the wildest manner and have been totally unacquainted with the habits of civilized people, and that they appear mechanically the sound, at best at various times, they seem heard to give vent to a [illegible] entirely unlike any human [illegible] but somewhat resembling the wail of some wild animal. The [illegible] expression the boys have [illegible] make, but the girl seems [illegible] intelligent, and can speak [illegible] though she knows nothing [illegible] way of civilized life. The [illegible] a [illegible] habit of crouching [illegible] one of them sits with [illegible] "hunched up," as if by [illegible] They prefer raw edibles [illegible] and have only lately taken [illegible] the table. At first they [illegible] cabbage, leaves, [illegible] are even have been known to [illegible] the well that stood in the pail. [illegible] Showing their formerly [illegible] but they have latterly [illegible] in many respects. They sleep [illegible] in the day time, and at night [illegible] around the rooms, one of them being found one night in a dangerous position on a staircase in the middle of the night. As to their former history, only this is known:—They were found by Father Guerrier, of Owen Sound R. C. Mission, on a lonely isle in Lake Huron, where the father lived with these strange children and would allow no one but themselves to live there. The Father seeing their condition obtained the father's permission at last to have them taken to a refuge and cared for. The parent came with them voluntarily, and brought them here. The parents of these angular beings were not married, and are said to have been nearly related. The mother had been seen by parents. A letter is expected giving a sketch of their history.

On Saturday evening last, while Mr. Geo. Langford, of London township was out fighting the fire, endeavoring to keep it out of his and his neighbors' houses, he took a fit, which he was very subject to, and falling in the fire was burned to death before assistance arrived.

A lad employed at the Welland Railway elevator, at Port Dalhousie, was smothered to death by some hundred bushels of wheat being suddenly let into a bin which he was cleaning out.

ELECTRICITY

THOMAS' Excelsior Eclectric Oil.

Worth Ten Times its Weight in Gold!

Pain cannot stay where it is used. It is the cheapest Medicine ever made. One dose cures common Sore Throat. One bottle has cured Bronchitis. Fifty cents worth has cured an Old Standing Cough. It positively cures Catarrh Asthma and Croup. Fifty cents worth has cured Crick in the Back, and the same quantity Lame Back of eight years standing. The following are extracts from a few of the many letters that have been received from different parts of Canada which, we think, should be sufficient to satisfy the most sceptical. J. Collard, of Sparta, Ont. writes: "Send me doz. Dr. Thomas' Eclectric Oil, have sold all I had from you and want more; it's the same as truly wonderful." Wm. Maguire of Franklin, writes, "I have sold all the agent left, it acts like a charm—it was view at first but takes splendidly now." H. Cole, of Lodi, writes, "please forward 6 dozen Thomas' Eclectric Oil, I am nearly out; nothing equals it. It is highly recommended by those who have used it." J. Bickford, Thamesville, writes—"Send us one a further supply of Eclectric Oil, I have only one bottle left. I never saw anything sell so well and give such general satisfaction." J. Thompson, Woodford, writes—"Send me some more Eclectric Oil, I have sold entirely out. Nothing takes like it." Miller & Reed Otterbro, P.Q., write—"The Eclectric Oil is getting a great reputation here, and is daily called for. Send us a further supply without delay." Lemoyne, Gibb & Co., Buckingham, P. Q. write—"Send us one gross Eclectric Oil, we find it to take well."

For sale by all medicine dealers. Price 25 cents.

SHAKSPEARE SAYS, "COCOA—HAPPY, AND COMFORTING." By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctors' bills. Sold merely in half-pound packets with labels marked thus: "James Epps & Co., Homœopathic Chemists, London."

Sworn testimony of Cures.—We will now give an extract of the formula adopted by Messrs. Fassett Eaton & Co., manufacturers of chemic articles, at their works in the Hudson River Factory, "Sarsaparilla Compound."

A PUBLIC CAUTION.

Holloway's Pills and Ointment are neither manufactured nor sold in any part of the United States, although they may be obtained in the B. N. A. Provinces.

Each Pot and Box bears the Royal Government Stamp, with the words "Holloway's Pills and Ointment" engraved thereon.

It has become necessary to name this announcement, because the spurious Chemical Compound (who has been so finding at last that the truth of "Honesty is the best policy" is exposed, have recently imitated the Stamp and Cut, with the words "Holloway's Pills and Ointment" in the British Provinces and elsewhere, the public is very likely to be imposed upon by unscrupulous vendors and others unless they exercise great caution to prevent their being misled, by buying these medicines bearing a stamp with the name of "Holloway and Co., New York," printed thereon.

Many respectable Firms in the British Provinces, who obtain my medicines direct from here, have very properly suggested that I should, for the benefit of themselves and the public, insert their names in the papers, that it may be known that my medicines can be had genuine from them.

The following is a list of the firms applied to; and I particularly recommend those who desire to get my medicines to apply to some of the Houses named:—

Messrs. Avery, Brown & Co., Halifax, N. S.
Messrs. Forsyth & Co., Halifax, N. S.
Messrs. T. R. Barker & Sons, St. John, N. B.
Mr. T. Dos Brisay, Charlotte Town, P. E. I.
Messrs. Langley & Co., Victoria, B. C.
Messrs. Moore & Co., Victoria, B. C.
Dr. John Pallen, Fredericton, N. B.
Messrs. Munro & Co., Montreal.
Messrs. J. Winer & Co., Hamilton, Ont.
Mr. H. J. Ross, Toronto.
Mr. A. Chipman Smith, St. John, N. B.
Mr. John Scott, Belleville, Ont.
Messrs. Elliot & Co., Toronto.
Mr. J. Quinton, St. John, N. B.
Messrs. Lindsay & Bros., St. John, N. B.
Mr. R. S. Priddy, Windsor, Ont.
Mr. Wm. Morden, N. S.
Mr. George C. Hunt, Jun., Fredericton, N. B.
Mr. W. H. Thompson, Harbor Grace, Nfld.
Mr. J. M. Wiley, Fredericton, N. B.
Messrs. W. & D. Yuille, Montreal.

The medicines are sold at the lowest wholesale prices, in quantities of not less than £20 worth—viz., 8s. 6d. and 21s per dozen boxes of Pills or pots of Ointment, for which remittances must be sent in advance.

Chemists and other vendors of Holloway's genuine Pills and Ointment may have their names inserted in the local papers if they will please apply here.

VINEGAR BITTERS

DR. J. WALKER'S CALIFORNIA VINEGAR BITTERS

Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BITTERS?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs, in Bilious Diseases.

The properties of DR. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic, Carminative, Nutritious, Laxative, Diuretic, Sedative, Counter-Irritant, Sudorific, Alterative, and Anti-Bilious.

Grateful Thousands proclaim VINEGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Bilious, Remittent, and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to DR. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fore-armed.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goitre, Scrofulous Inflammations, Indolent Inflammations, Mercurial affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc. In these, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters and Miners, as they advance in life, are subject to paralysis of the bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS occasionally.

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ringworms, Scald-head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuges, no anthelmintics will free the system from worms like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

DOCTOR BALLOU
OFFICE
No 10 King Street West,
Three doors from Yonge St., Toronto.

A few evidences of his ability we give below. A few of the testimonials of cures of our best citizens of cures he performed when he was with us before, which is our opinion, sufficient proof to keep him busy. Loss of time does not remain in the city, which will be much to be considered by those who will have.

I desire that the citizens of Toronto and vicinity (to whom I am well known) should know of the wonderful cure that Dr. Ballou performed upon my son, William J. Barker, in this city, on January 10th, 1874. He had an attack of Inflammatory Rheumatism, and was strong, healthy, from such of all Consumptive condition, and was confined to his bed, 6 weeks, and could not walk with it for a lifetime. But was that surprise we did not. After one treatment he was able to walk, left him, his condition knowing he was able to become as sound as ever, and in three days he was, and is to this day, as well as heavy work. I may add he was such a cure would be cons ered sacred a miracle. If there are any who desire further proof let them come and see.

ACHIBALD SPEARS,
No. 436 Queen street West, Toronto.

I would cheerfully recommend Dr. Ballou to all my acquaintances, as his cures to me were beyond all price, and I had tested the skill of the so-called best physician

D. A. CAMPBELL,
1½ Sherbourne street.

Dr. Ballou cured me of Lung and Throat Disease in three treatments, when I was so weak that I could scarcely walk to his office.

KATE ROSSITER,
291 Sherbourne street.

Dr. Ballou cured my daughter of Epileptic Fits which she had for eleven years, and she never had one after his first treatment, and before it she had them as often as eight to fifteen every week.

WM. P. MCMULLIN,
Hamilton, Ont.

Many other cases of Rheumatism, Dyspepsia, Dropsy, Liver and Lung Disease, Heart Disease, &c., may be seen at his office.

The Doctor also cures Cancer, Paralysis, Spermatorrhœa, and is perfect master of all Sexual or Private diseases. Treatments strictly confidential, and all letters addressed to him at 10 King street, West, will be attended to. Box 2065. 1412-1y
