TORONTO HORSES AT LONDON.

Laurentian Won Running Race and Black Joe 2.50 Pace at Circuit Meet.

London, June 20.—A bright, clear sky, a fast track and a favorable attendance greeted the opening of the London Trotting and Pacing Association's races to-day, and some exciting and spirited racing was witnessed. The chief interest was centered in the second event, which required six heats to finish, and which was finally won by Lon H. in fine style. The talent favored the books and Moore & Co. did a rattling business, while Fitch & Co., pool sellers, found the betting somewhat slack. The last event, the half-mile running race, in heats, furnished a field of nine, and the race proved most exciting. It was won rather easily by Laurentian, son of the great Salvator, in straight heats, the time being fast for a half-mile track.

The officials of the meet are: Judges, James McGregor, Tempo; John Mearo, Tillsonburg; John Lowrie, Sarnia; timekeepers, Dr. Routledge, Sarnia; W. Holleran, Toronto; George James, London; starter, George H. Bush, Flint, Mich. Summary:

Goodwin's Official Turf-Guide.

Volume No. 5 of "Goodwin's Official Turf Guide" for 1899, which contains a complete record of the public performances of thoroughbreds in United States and Canada from the beginning of the year to about the last day of the spring meeting of the Brooklyn Jockey Club, has just been issued. Like the previous volumes, it is splendidly compiled and has valuable data in regard to the running horse, apart from the records of the races, which are printed in tabular form, and show at a glance the position of the horses that were first, second and third at some part of the race. The key to the racing tables, which is to be found near the end of the volume, gives the age, the breeding and the owner of every horse that has performed in public since Jan. 1.

ROCHESTER HAD A HOLIDAY.

Hartford Beat Syracuse — Teams Shift To-Day, With Toronto at Providence.

Montreal broke a long string of defeats, and, as Toronto lost again, the other Canadians took the lead. They made 11 hits yesterday in five innings and lost, while Montreal won with less than half that number. The teams shift to-day. The record:

	Won.	Lost.	Pct.
Montreal	24	16	.600

Hit the Ball and Lost.

Worcester, June 20.—Umpire Cruber called the game in the fifth on account of rain. It was the closing contest of the series between Worcester and Toronto. The Farmers played wonderful ball, and the visitors, although they knocked Lampe all over the lot, getting 11 hits in five innings, were unable to make more than one run.

Providence a Run Behind.

At Providence: Providence and Montreal played a remarkably good game under adverse conditions, produced by wind blowing a gale and sending dust in clouds over the field. Providence had a lead of a single run until the eighth innings, when a single by Tom Bannon, Shearon's triple and Nyce's failure to send the ball clear to first base against the wind, on Dooley's grounder, produced two runs for Montreal.

Baseball Brevities.

Freeman had a home run at St. Louis on Monday.

Members of the Pastime B.B.C. are requested to turn out to practice to-night at the foot of Yonge-street at 6.45.

The Canadians would like to arrange a game for June 24, and also for the morning of July 1, average 15 years. Address, G West, 150 Eastern-avenue.

The Park School B.B.C. would like to arrange a game for next Saturday morning with any other school B.B.C., model preferred. Address, R. Honeyford, 179 Sumach-street.

The Young Brilliants, average age 13 years, would like to arrange a game for Saturday, Mutuals, Eurekas, Niagaras, or Canadians preferred. N. Vaughan, 123 Centre-avenue.

The Excelsiors Intermediate B.B.C. would like to arrange a game with any outside team for July 1, Barrie, Brampton, Peterboro, Oshawa, or any other team. E. Pearce, 93 Teraulay-street.

The Atlantics would like to arrange a game for Saturday with any team in the city, Elks, Arctics, Resolutes, St. Lawrences or Capitals preferred. Address, J. Kennedy, 42 Robinson-street, or call at Stanley Park to-night after 7.

Joe Knight and Rasty Wright will hardly do. They are not swift enough on the bases. There's quite a difference between Eastern and Western League ball.—Buffalo Times. No, No—The Leagues are about alike, judging from the position Buffalo occupied in the two on succeeding years.

The Park Nine Baseball Club were not beaten at Weston by Weston on Saturday, as Weston said. The correct score was 2 to 2 in the fifth inning, when owign to a dispute the game ended. The Park Nine consider they were unfairly dealt with by the umpire appointed by Weston, and will play them any time at Weston with a fair umpire.

Ned Hanlan in Ottawa.

Ottawa, June 20.—Ald. Edward Hanlan of Toronto, who is to coach the Ottawa Rowing Club, arrived in the city yesterday morning with a delegation of Toronto aldermen. He will remain in Ottawa, however, and will take charge of the men at once. His first work will be to overhaul the craft belonging to the club and put them in proper shape. After this he will look over the rowing material, and there is every prospect of a four from Ottawa taking part in the regatta at Brockville.

Mr. Hanlan's ambition, however, is to organize a rowing eight in Ottawa, and he states that with such fine football and lacrosse men as are located in Ottawa he is sanguine of success. A Henley crew from Ottawa is Mr. Hanlan's dream, and he says it has been his hobby for years.

Mr. Hanlan does not expect to achieve success in one year, but he expresses the hope that he will be here for several summers.

Speaking of the Argonauts, now on their way to Henley, he states that there are men in the crew that never should have been taken and that they were better left behind. Mr. Hanlan will have to run up to Toronto a couple of times within the next few weeks, as there are two meetings of the City Council before vacation.

For Next Week's Regatta.

A meeting of the Dominion Day Regatta Committee was held at the Canoe Club last night, with Frank Lloyd in the chair, and Messrs. Sherrard, Kennedy, Wadsworth, Ewart, S. P. Grant and Secretary George Howell present. Reports were read from different committees, and further arrangements for making the regatta a success discussed. Messrs. Lloyd, Ewart, Grant and Secretary Howell were appointed a committee to look after the buying of prizes and report at a meeting to be held on Monday next at the Canoe Club. By that time all the entries must be in the hands of the secretary.

As Ottawa Sees Toronto.

The Ottawa papers are all satisfied that Saturday's was a great lacrosse match, with Toronto a little lucky in winning. They severely criticize Capt. Knowles for interfering with players and laud Archie Allan's goalkeeping to the skies.

Journal: Outside of the Capitals, there is probably no team in the league whom Ottawa people would rather see win than the Torontos. The Torontos have stuck by the game through thick and thin for half a score of years, and, in the face often of financial loss. They have a splendid team this year and one that bids fair to be an important factor in the championship race. In Fred Moran they have a great centre player. Starrs made an even break with him on Saturday, but Starrs had to play a harder game than he ever did before to do so. Frank Moran is as good as ever, and the brothers made a pair of fast fielders. Snell, McLean, Lillie and Peaker are all strong players on the home. Stewart, Tobin, Lozer and Iler make a fairly strong defence.

Free Press: The Toronto team is a good one and when their home learn to play closer to the flags they will prove a hard nut for the Capitals to crack, even here on the Exhibition grounds. Their defence and home are strong, but it is in the field that they excel. Fred and Frank Moran and Iler are particularly fast and play their positions perfectly. The team has no stars, but every man plays for success.

Riversides Going to Berlin.

The match between the Berlin Rangers and the Riversides will be played at Berlin on Saturday at 6 p.m. The Rangers have just won the championship of the Western League, and, as the Riversides are the recognized exponents of the game in Toronto, a great time may be expected. Mr. W. E. Buckingham of Guelph will referee. The proposed game between the Gore Vales and the Riversides for the benefit of McGinnis, the injured Scots' goalkeeper, is off, the Vales having failed to respond to the East Enders' challenge.

Gore Club Affiliates With A. K. C.

Hamilton, June 20.—The annual meeting of the Gore Kennel Club was held last night. The financial statement showed that the receipts were $258, and that there was a balance on hand of $73.93. Queen City Homing Pigeon Club.

The Q.C.H.P.C. held the fifth race of the series for old birds on Saturday. The race was from South Bend, Indiana, 407 miles. Mr. Sibley of that town acted as liberator, and let the pigeons go at 6 o'clock in the morning, Toronto time. Mr. George Jack's Sir Wilfrid was the first arrival, with E. Farrell's Nelson II. in second place. Mr. Kemp had returns, but did not compete for honors. The other competitors did not report any returns.

Toronto Canoe Club.

The war canoe crew of the Toronto Canoe Club were out for a hot practice last night over the Island course, preparing for the Dominion Day regatta. To-night the third of the series of handicap single blade races comes off, with 15 entries. The handicap has been reduced 20 seconds limit, and the scratch men will show up better. Next Saturday the novice, fours relay, and tilting tournament will be paddled and the victors and vanquished will repair to the Humber for supper in the war canoe.

At Bright: The Lacrosse match in the Intermediate series western district, between Woodstock and Bright teams yesterday, was won by Bright, 3 goals to 1.
