GREAT ENGLISH REMEDY!!!—THE MOST VALUABLE SPRING AND SUMMER MEDICINE IN THE WORLD!

HALSEY'S FOREST WINE!

Patronized by the Nobility and Medical Faculty of England, and esteemed the most extraordinary Medicine of the Age.

MEDICINES containing Molasses or Liquorice, like the boasted Sarsaparillas, require many large bottles to produce the slightest change in health. The *Forest Wine* is altogether a different article. It contains no Syrups to give it consistency, but acquires the excellent flavor and powerful medicinal qualities from the vegetable plants of which it is composed. The *Forest Wine* combines the virtues of the

WILD CHERRY, DANDELION, YELLOW DOCK, AND SARSAPARILLA.

With other valuable Plants whose properties are still more powerful.

Its high concentration renders it one of the most efficient Medicines now in use. Less than a single bottle restores the lingering Patient from weakness, debility, and sickness, to strong and vigorous health. Every dose shows its good effects on the constitution, and improves the state of the health. The *Forest Wine* is recommended, in the strongest terms, for all complaints of the

STOMACH, LIVER, KIDNEYS, NERVOUS WEAKNESS, SCROFULOUS AFFECTIONS, DROPSY, DYSPEPSIA, LOSS OF APPETITE, JAUNDICE, FEMALE COMPLAINTS, SCROFULA, AND ALL DISORDERS ARISING FROM BAD BLOOD AND IMPURE HABIT OF THE SYSTEM.

SAVED FROM DEATH!!!

This is to certify that I, the undersigned, have been afflicted with a violent Cough and Spitting of Blood for upwards of two years, during which time I have had the best medical advice, but it only grew worse and worse, so that I was reduced to the last stage of Consumption, and was given up by my friends and family as a hopeless case. In this state I was induced to try Halsey's Forest Wine, and I am happy to say it has restored me to perfect health, and I believe it to be the means of saving my life. When I commenced taking them, I laid at the point of death, with Dropsy, Piles, and Asthma. My Physicians had given me over as past recovery, and my family had lost all hope of my recovery. While in this critical situation, your Forest Wine and Pills were procured for me, and before I had finished the first bottle of the Wine, and box of Pills, I experienced great relief; my body and limbs, which were greatly swollen, became sensibly reduced. Hopes of my recovery began now to revive, and after continuing the use of your medicines for about a month, the Pleurisy, Asthma and Dropsy were completely cured. The Dropsy, with which my life was placed in such great danger, was also nearly gone. I have continued the use of your Medicines until the present time, and I now enjoy as perfect health as ever I did in my life, although I am more than sixty years of age. I ascribe my recovery entirely to the use of your excellent Medicines. Several of my neighbors have also used them with similar success in obstinate complaints, and I can cheerfully recommend them to the public.

Yours, respectfully, N. MATHEWS.

GREAT CURE OF LIVER COMPLAINT OF TEN YEARS STANDING!

NEW YORK, Jan. 9, 1848.

DR. HALSEY—DEAR SIR:—Having taken your Forest Wine and Pills to remove a disease of the Liver, from which I have suffered severely for upwards of ten years; and, having adhered strictly to the directions which accompany the Medicines, I have recovered my health, notwithstanding all who know me think my case incurable. Previous to taking the Wine and Pills, I had recourse to the best medical treatment, but continued to grow worse in an alarming degree. Some of my friends spoke despairingly of my case, and tried to persuade me from making use of any advertised remedy; and, I doubt not, but what there are hundreds who are deluded from taking your excellent Medicines, in consequence of the deception and inefficacy of many advertised remedies put forth by unprincipled men, in flaming advertisements. But, what a pity it is that the deception said by others should be the means of disuading many labouring under disease, from making trial and being cured by your excellent remedies. Humanity speaking, they have saved my life; when I commenced making use of them, I was in a wretched condition, but began to experience their good effects in less than three days; and, in six weeks from the time I purchased the Medicines, to the great surprise of all my friends, I was entirely cured, and had increased fifteen pounds in weight, having taken one box of the Pills and two bottles of the Wine. Would to God that every poor sufferer would avail himself of the same remedies!

Yours, &c., JAMES WILSON.

Dr. David Marvin, celebrated Practitioner of New York, declared publicly, that one bottle of Halsey's Forest Wine contained more virtues than fifty of the large bottles of Sarsaparilla. Messrs. S. Lampman & Co., the largest and most respectable Druggists in Syracuse, in a letter, say: "Your Forest Wine has given more over as past recovery, and will, undoubtedly, become the leading Medicine of the day." Dr. Mott, of New York, also subscribes to the virtues of Halsey's Forest Wine, by recommending it to many of his Patients.

Seven hundred Certificates from Physicians, Clergymen, and individuals of known respectability, have been given, testifying to the great cures made by *Dr. Halsey's Forest Wine and Pills.*" Among them is the cure of Mr. John Syms, of 228 Pearl Street, New York, cured of Affection of the Liver and bad Cough, after having been given over by his Physicians, who pronounced his case incurable. Consumption. A child of Mr. William Bowers, Brooklyn, New York, who had been decidedly afflicted with Scrofula, of four years standing, cured in less than six weeks time. Mary J. Brown, daughter of the Rev. James B. Brown, of Dover, cured of Fever and Incipient Consumption. Others of Jaundice, others of Piles, others of General Debility, others of Gravel, Female Complaints, &c., &c.

MINERAL WATERS
OF
POINT DU JOUR, PARISH OF L'ASSOMPTION.

THESE truly valuable WATERS are distinguished for the large quantity of Bromine and Iodine they contain, and are acknowledged superior to all other Medicinal Waters. They are the most agreeable refreshment of the description that have yet appeared. They can be used cold to the greatest degree in the most oppressive heat of Summer, and that without altering or affecting injuriously the health of the person using them; upon the contrary, they are found to improve and strengthen. The large number of cures effected by the use of the above Waters, enable us to recommend them to the public as an excellent remedy in a very great number of cases. The names of a few only of the persons of celebrity, who have given their written recommendation of the Waters, are here given. These, however, show the happy results arising from their application:—

R. Evq de Kingston,
Jos. M. Belanger, Ptr.,

Persons who have not received the little volume containing these certificates at length, can obtain it at the Depots, where the Waters are Sold; by reading it, they will feel convinced that they have effected wonderful cures in various cases, and that they have been found superior to all others.

RIVIERE DES PRAIRIES, March 1, 1850.

SIR,—Since you are desirous to ascertain the effect which the Waters of the Point du Jour Springs have produced on myself, I must inform you, that I have used them medicinally at their Source, and have found them highly enlivening. I was at the time so affected by the consequences of a severe disease of the Digestive Organs, that my Physicians judged it right to suspend for a time all food, remedies, even for the suppression of Dyspepsia and an absolute Retention of the Bowels, under both of which I was suffering severely. He prescribed for my relief the Mineral Waters, and I made use of those of the Point du Jour, as being the nearest. I was at the time so weak, that it was with difficulty I kept my feet. However, at the expiration of three weeks, I was restored by using the Waters. These Waters are of a gaseous nature, containing a large quantity of saline particles, and agreeable in the taste—taken in a large dose they are strongly laxative, but their purgative properties are unattended with griping,—those even who have been using them have not been weakened or enervated in their constitution in consequence; upon the contrary, by using them freely, and their appetite increased, and their digestion rendered more regular. After a dose of 3 or 4 *four* glasses, I found that they had the effect of increasing the urinary secretions at first, and that these decreased in the same proportion that the fæcal secretions increased. The action of the nervous and sanguinary systems were thereby moderately augmented, and, instead of feeling myself more dull and sad as I had been during some days before then, I perceived myself involuntarily disposed to pleasure and gaiety. Many who, in the same circumstances, made use of the Waters by the recommendation of Dr. Chauveau, experienced the same effects. To conclude, I can recommend them, in conformity with the Analysis made by T. S. Hunt, Esq., that Physicians might employ it successfully in the same diseases for which the Pantagenet Waters are so judiciously recommended.

Yours, respectfully,
AMABLE SIMARD, M. D.

ST. JEROME'S CONVENT, May 14, 1850.

SIR,—I observe with pleasure that the Mineral Waters, at their source at Point du Jour, Parish of the Assomption, are now acquiring the celebrity they deserve. For myself, who am, perhaps, one of the first that alluded to them in the newspapers, in the year 1839, I can testify, last since then I have had occasion to try various Mineral Waters, sometimes with success, but I have never doubted that the preference must be given to those of Point du Jour—having myself had much experience.

J. M. BELLEMARE, Priest.

Agents for Montreal:—Dr. Picault, 36, Notre Dame Street, corner of Bonsecours Street; Benjamin Workman, Apothecary, corner of St. Paul Street, Custom House Square; O. LaBerte, corner of St. Catherine and Visitation Streets.

The Proprietors have their Depot established at No. 6, Jacques Cartier Place, next door to the Hotel of Serafino Giraldi, Esq. The distance for conveying the Waters to the Depot is so trifling, that we are enabled to have a constant supply fresh, and are consequently in possession of a better market than any other person. Prices, 7½d. per gallon, and 2s. the dozen, (in bottles.) Sick persons, unable to pay for it, can have some *gratis*, by producing a certificate from their Physician, since we are unwilling that any should be deprived of these healing and wonderful Waters, prepared by Providence for his creatures, which are apparently designed for the alleviation and cure of many protracted and dangerous diseases.

Copy of a letter from "COLONEL HAWKER," (the well known Author on "GUNS & SHOOTING,") Longparish House, near Whitchurch, Hants, October 21st, 1846.

SIR,—I cannot resist informing you of the extraordinary effect that I have experienced by taking only a few of your LOZENGES. I had a cough for several weeks, that denied all the last been prescribed for me; and yet I got completely rid of it by taking about half a small box of your Lozenges, which I find are the only ones that relieve the cough without derranging the stomach or digestive organs.

MY DEAR SIR,—I have great pleasure in informing you that my wife has received great benefit from the use of Keating's Cough Lozenges, you recommended her a short time since. Previous to this she suffered much with a severe cough, and was under some of our first medical men here without experiencing any relief; however, Keating's Lozenges have done wonders.

With respects, believe me, yours faithfully,

RESTORATION OF VOICE BY KEATING'S COUGH LOZENGES.

GLASGOW, 12th January, 1847.

SIR,—I have great pleasure in informing you of the great good your excellent COUGH LOZENGES have done me. In December, 1845, I caught a severe cold from blowing my nose three miles in one very wet night, which settled in my lungs, and quite took away my voice, so that I could not speak above a whisper from that time until December last. I tried all kinds of medicines, but they were of no avail. I was then advised to try your Lozenges, which I did only to please my friends; but before I had finished the 2d lb. my voice, to my great joy, came back as strong as ever.

I am, Sir, your's sincerely,
JAMES MARTIN.

How frequently do we hear this expression, which is meant to convey to the mind the last stage of exhaustion that a patient can be reduced to, and live. Mrs. Harrison, a member of the Trinity Church, was, in the expressive language of Scripture, then near at "Death's door," by Rheumatism and Nervous Headache, when she, on the advice of her friends, tried Radway's Ready Relief, and it speedily relieved her of her severe pains, and restored her to her friends in perfect health.

The very instant Radway's Ready Relief is applied, its superficial effect is perceived, it soothes, heals, cleanses and purifies; it instantly allays irritation, reduces inflammations and swellings, relieves the most severe Neuralgic pains, as Toothache, Faceache, Gout, Rheumatism, Lumbago, Gout, Paralysis, Sprains, Strains, Spasms, Stiff Neck, Weakness in the Side and Back, Sores of all kinds, Boils, Bruises, Chafes, Blisters, Inflammations, Soreness, Coughs, Colds, &c.

TOOTH ACHE CURED IN ONE SECOND.

This torturing affection can be cured in an instant, for the moment the Relief touches the nerve, the pain is instantaneously stopped. The Dolorous and Hemicranian, Neuralgic and Sick Headache—lathe the parts where the pain is most severe, and in a few minutes you will be entirely relieved. Taken internally it will arrest the most violent Spasms and Cramps, stop vomiting or too much purging; in all cases it will give strength for weakness, ease for pain, health for sickness. No Rooty Relief is genuine unless signed by RADWAY & Co., 162, Fulton Street.

ELEGANT AND INVALUABLE ARTICLES FOR THE TOILET.

BOGLE'S HYPERION FLUID,
FOR RESTORING PRESERVING, AND EMBELLISHING THE HAIR.

The following Certificate from Dr. Winslow Lewis, one of the most eminent Physicians of Boston, will show the estimation in which it is held by the scientific and learned, being one only of many similar ones.

BOSTON, Feb. 15, 1847.

MR. WM. BOGLE.—Sir,—The preparation invented by you for the hair, has been extensively used in my family, and they give it the decided preference over all other compositions of the kind. It invigorates and beautifies the hair, and clears the skin of all impurities, without producing any unpleasant deleterious effects, which are so frequently the result of many well-known patented compounds.

WINSLOW LEWIS.

It is an indispensable article for the Ladies, as it keeps the hair in place and curl, and the skin or parting of the hair free from dandruff and scurf. For children, it lays the foundation of a good head of hair.

BOGLE'S AMOLE,
A COMPOUND FOR SHAVING.

This delightful article is totally distinct and far superior to anything yet invented for shaving. The base of it is derived from the Amole, or "soap root" of California, an article used by the natives of that country for washing; and thus the use of strong alkali, so hurtful to the skin, is avoided. Its vegetable and detergent properties have the most refreshing and invigorating effects on the skin,—it is soothing and allays irritation, and has a fine, thick, creamy lather, which does not dry on the face. It is a decided luxury to the shaver, with this incomparable soap. It is done up in a elegant style, embossed either for the dressing case or the "rough and ready" traveller, or the toilet of the most fastidious connoisseur.

BALDNESS CURED.

The following is from Sumner F. Barrett, Saratoga Street, East Boston:

EAST BOSTON, Feb. 8, 1847.

Mr. William Bogle.—Dear Sir: For several years past my wife has been troubled with baldness on the Crown of the head, and with six or seven inches in circumference. After repeated failures of other so-called remedies, and by the advice of friends, she was induced to use your Hyperion, and I am happy to say that its effect has been to cause the hair to grow all over the part affected. She has used only two bottles, and that very irregularly; but the good it effects and more regular, I am convinced that the growth of the hair would have been accelerated. I am, Sir, yours respectfully, SUMNER F. BARRETT.

BOGLE'S HEBEAIONA,
FOR REFRESHING AND BEAUTIFYING THE COMPLEXION.

Eradicating Tans, Pimples, and other eruptions of the skin, and rendering it fair, delicate, and blooming. It is equally efficacious in preserving the skin from the hot sun or cold winds, and keeping it free from blotches of winter, and is the most fragrant and delicious article to be found at the toilet of fashion.

All the above articles have stood the test of the strictest investigation, and are WARRANTED superior to anything yet invented.

UAQUHART'S
CONCENTRATED COMPOUND DECOCTION,
OR FLUID EXTRACT OF
JAMAICA SARSAPARILLA,
As ordered by the
Pharmacopœs of London Colleges of Physicians.
PREPARED BY
ALEXANDER URQUHART,
Medical Hall, 7, Great St. James' Street.

THIS Valuable Preparation has been before the public for many years, during which time it has been extensively used, and has proved eminently successful in all those diseases in which this medicine is prescribed. It is considered by Physicians of the present day the very best Medicine for re-constructing the constitution, for undermining the effects of Mercury. In Chronic Rheumatism, the most marked effects have been produced by the use of Sarsaparilla; and its continued use is often attended with improvement of appetite and increase of flesh, with the return of the healthy state of mind, the production of a more healthy state of blood, and the pallidness, or in some cases, complete disappearance of various morbid symptoms, as Pimples, Ulcerations, Boils, pains of a rheumatic character, &c., &c.

Drs. McCulloch, Campbell, McDonald, and Fraser, who have extensively used it in their practice, have kindly Reviewed the Properties with the following Certificates:

ALEX. URQUHART, Esq.,—DEAR SIR,—I have much pleasure in bearing testimony to the faithful manner in which you prepare your Fluid Extract of the Compound Decoction of Sarsaparilla. This I am enabled to do, on account of several of my patients having derived the greatest benefit from its use.

For Constitutional Syphilis and Chronic Rheumatism, I have prescribed it with the most marked effect; I can, therefore, without the least hesitation, recommend your preparation as one possessing the virtues of the Decoction of the Compound Decoction of Sarsaparilla, while it is at the same time more palatable, and less apt to derange the Stomach. Your most obedient servant,

W. FRASER, M.D.,
Lecturer on Medical Jurisprudence, McGill College,
Montreal, 6th February, 1847.

MONTREAL, February 13th, 1847.

I beg to certify, that I have employed your Compound Fluid Extract of Sarsaparilla, in my practice, for some years, and have found it to be a most valuable preparation. I can, moreover, state, from my own personal experience, that the Proprietor has spared no pains, nor expense, in the selection of the choicest roots and attention to the mode of preparing the medicine.

ALEXANDER CAMPBELL, M.D.,
Lecturer, Institute of Medicine, McGill College,
Physician to the Montreal General Hospital.

Mr. Urquhart's Sarsaparilla is the only preparation of this valuable Medicine that I can, with entire confidence, recommend to my patients. H. McCULLOCH, M.D.

Montreal, 10th February, 1847.

DEAR SIR,—I have frequently prescribed your Fluid Extract of Sarsaparilla, and I have pleasure in bearing testimony to its superior efficacy. Yours, very truly,

GEO. W. CAMPBELL.

LET THE SKEPTICAL READ THIS.

From Edmund Brinley, Esq., No. 3, South side Faneuil Hall, Boston.

BOSTON, Jan. 18, 1847.

Dear Sir: Having for some time purchased of your agent the art. oil of hair restorative prepared by you, and having found it the most valuable preparation for the hair, in my estimation, ever offered the Public, I feel it a pleasure, as well as a duty, to offer you my humble testimonial as to its worth, begging you to make such use of it as may seem best to you.

The public has long been deluded and imposed upon, and will now, by thousands of testimonials, promising a benefit to the hair, whilst they have proved the reverse of blessing. So great, indeed, has been the injury, that it is rarely and infallibly proved, that a bald head is scarcely less than miraculous to those who are acquainted with the beautiful philosophic principles upon which they are constructed, and the means by which they consequently act. I was in a state of manifest and sensible action in purifying the pores and channels of life, and enabling them to send forth a renewed tone and vigor, that they were almost lost to their pores.

Unlike the host of pernicious quackery, this boast of vegetable ingredients, the LIFE MEDICINES are purely and solely vegetable, containing not a certain neither Mercury, nor Antimony, nor any other mineral, in any form or shape. They are entirely composed of extracts of roots and powerful plants, the virtues of which have long known to several Indian tribes, and to some eminent pharmaceutical chemists, altogether unknown to the generality of medical science; and were never before offered to be happily efficacious a combination.

The first operation is to loosen from the coats of the stomach and bowels the various crudities constantly settling round them; to remove the hardened fæces which adhere in convolutions of the small intestines. Other medicines only partially cleanse these, and leave a collected masses behind to produce hardness, with all its train of evils, or enable them to pass with its imminent dangers. The fact is known to all regular anatomists who examine human bowels after death; and hence the evidence of these well informed men against the medicines of the age. The second effect of VEGETABLE LIFE MEDICINES is to cleanse the kidneys and the bladder; and by this means, the liver and lungs, the healthy action of which entirely depends upon the regularity of the urinary organs. The blood, which takes its color from the agency of the liver and lungs, and as it passes into the heart, being thus purified and nourished by food coming from a healthy stomach, flows freely through the veins, reaches every part of the system, and triumphantly mounts the throne of health in the blooming cheek.

The following are among the diseases to which the VEGETABLE LIFE MEDICINES are well known to be liable:

DYSPEPSIA, by thoroughly cleansing the first and second stomachs, and creating a flow of healthy bile, instead of the sour and vitiated one. FLATULENCY, *Loss of Appetite, Head
